The Board of Mayor and Aldermen welcomes and invites Farragut residents to participate in public meetings.

Public Participation Guidelines for Farragut Board of Mayor and Aldermen meetings

At the end of each business meeting, there will be time reserved for public comment under the Citizen Forum agenda item. If you are interested in speaking, please fill out a blue comment card and turn it in to the Town Recorder or staff member. This time is set aside specifically for comments on items that are not on the Board of Mayor and Aldermen regular agenda for the meeting. Each speaker will be given five (5) minutes to speak on his/her topic.

The Board also seeks public comment on regular agenda items during the portion of the meeting devoted to discussion and consideration of the specific agenda item.

The Mayor may recognize individuals for public comment during both the regular agenda and Citizen Forum portions of the meeting based on the following guidelines.

1. The Mayor shall maintain and control the meeting to provide a professional and objective environment conducive to presentation and discussion of the agenda items;
2. Any Farragut resident interested in speaking should fill out a blue comment card stating which agenda item they would like to comment on and turn it in to the Town Recorder or a staff member;
3. Speakers shall come to the podium and identify themselves by name and street address;
4. Public comment shall be limited to five (5) minutes per individual. Time for public comment may be amended at the discretion of the Mayor; provided that when additional time is allowed, speakers with differing points of views are allowed the same amount of time if requested. Time is not transferable to other speakers;
5. Speakers should strive to avoid redundancy; different considerations than expressed by previous speakers on a subject are encouraged;
6. Comments that threaten violence or imminent physical harm toward any individual will not be tolerated.
7. Comments may support or oppose issues or measures;
8. Personal attacks on the character of individuals who hold different points of view that have no relationship to the merits of the matter or issue raised for discussion will not be tolerated.
9. An applicant, and/or their representative(s), for an item on the regular agenda shall be afforded the time necessary to present their request and respond to questions. The five (5) minute limitation shall not apply. However, the Mayor may ask an applicant to stay on point in order to facilitate the efficiency of the meeting.

Each speaker will be asked if they can agree to abide by the Comment Protocol. If so, please be prepared to speak when your name is called.

Tennessee Code Annotated 39-17-306. Disrupting meetings or processions.

- (a) A person commits an offense if, with the intent to prevent or disrupt a lawful meeting, procession, or gathering, the person substantially obstructs or interferes with the meeting, procession, or gathering by physical action or verbal utterance.
- (b) A violation of this section is a Class A misdemeanor.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: David Smoak, Town Administrator

SUBJECT: Approval of motion to rescind the March 28, 2024, Farragut Board of Mayor and Aldermen vote denying Resolution R-2024-02, a resolution approving the original Knox County Growth Policy Plan as amended by the recommended changes approved by the Knox County Growth Policy Coordinating committee at its meeting on January 10, 2024

INTRODUCTION: The purpose of this agenda item is to rescind the March 28, 2024, vote denying Resolution R-2024-02: a resolution to amend the Growth Policy Plan between Knox County, the Town of Farragut and City of Knoxville

DISCUSSION: The Farragut Board of Mayor and Aldermen denied approval of Resolution R-2024-02 on March 28, 2024. Subsequently, a special called meeting of the Board of Mayor and Aldermen was called on April 3, 2024, for the purpose of carrying out the Town’s statutory obligation to formulate a statement of objections to the amendments and the objecting Aldermen’s reasons for objecting, so that the objections could be communicated to the City of Knoxville and Knox County. At the meeting Alderman Meyer expressed his desire and intent to change his negative vote on the March 28 action to an affirmative vote, and upon his request the Board voted to put on the agenda for April 11, 2024, a motion to rescind the March 28, 2024 vote denying Resolution R-2024-02 and a renewal of the motion to approve Resolution R-2024-02.

PROPOSED MOTION: Approval of motion to rescind the March 28, 2024, Farragut Board of Mayor and Aldermen vote denying Resolution R-2024-02, a resolution approving the original Knox County Growth Policy Plan as amended by the recommended changes approved by the Knox County Growth Policy Coordinating committee at its meeting on January 10, 2024

REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: David Smoak, Town Administrator

SUBJECT: Renewal of motion to approve Resolution R-2024-02: a resolution approving the original Knox County Growth Policy Plan as amended by the recommended changes approved by the Knox County Growth Policy Coordinating committee at its meeting on January 10, 2024

INTRODUCTION: The purpose of this agenda item is to renew the motion to approve Resolution R-2024-02: a resolution to amend the Growth Policy Plan between Knox County, the Town of Farragut and City of Knoxville

BACKGROUND: The Tennessee General Assembly approved Public Chapter 1101 in 1998. This Act established that each county in Tennessee reach agreement with all the municipalities within their boundaries in developing a growth policy plan. That plan developed "Urban Growth Boundaries" for future annexation for both the City of Knoxville and Town of Farragut, and land use designations of "Planned Growth" and "Rural" for future growth throughout unincorporated Knox County.

DISCUSSION: The Knox County Growth plan had not been amended since its inception in 2001. In accordance with TCA 6-58-104(d)(1), Knox County Mayor Glenn Jacobs sent notice on August 18, 2023, that he would reconvene the Growth Policy Coordinating Committee to consider an amendment to the Knox County Growth Plan. The Growth Policy Committee held four public meetings to consider amendments to the plan, and at the January 10, 2024, meeting recommended approval of text amendments and a map amendment to the Knox County Commission, Farragut Board of Mayor and Aldermen and the Knoxville City Council (see attached).

In order for the growth policy plan amendments to take effect, the Knox County Commission, Knoxville City Council and Farragut Board of Mayor and Aldermen must approve the proposed amendments from the Growth Policy Committee. On February 26, 2024, the Knox County Commission voted to approve the proposed amendments to the Growth Policy Plan and on March 5, 2024, the Knoxville City Council also voted to approve the same amendments.

The Farragut Board of Mayor and Aldermen initially denied approval of Resolution R-2024-02 on March 28, 2024. Subsequently, a special called meeting of the Board of Mayor and Aldermen was called on April 3, 2024, for the purpose of carrying out the Town's statutory obligation to formulate a statement of objections to the amendments and the objecting Aldermen's reasons for objecting, so that the objections could be communicated to the City of Knoxville and Knox County. At the meeting Alderman Meyer expressed his desire and intent to change his negative vote on the March 28 action to an affirmative vote, and upon his request the Board voted to put on the agenda for April 11, 2024, a motion to rescind the March 28, 2024 vote denying Resolution R-2024-02 and a renewal of the motion to approve Resolution R-2024-02.

PROPOSED MOTION: Renewal of motion to approve Resolution R-2024-02: a resolution approving the original Knox County Growth Policy Plan as amended by the recommended changes approved by the Knox County Growth Policy Coordinating committee at its meeting on January 10, 2024

TOWN OF FARRAGUT

RESOLUTION R-2024-02

RESOLUTION APPROVING THE ORIGINAL KNOX COUNTY GROWTH POLICY PLAN AS AMENDED BY THE RECOMMENDED CHANGES APPROVED BY THE KNOX COUNTY GROWTH POLICY COORDINATING COMMITTEE AT ITS MEETING ON JANUARY 10, 2024

WHEREAS, in 1998, the Tennessee General Assembly enacted comprehensive growth policy planning legislation, codified at T.C.A. § 6-58-101 et.seq.; and

WHEREAS, pursuant to T.C.A. § 6-58-104, the Knox County Growth Policy Coordinating Committee (“Coordinating Committee”) was formed in 1998 to develop and recommend a local comprehensive growth policy plan for Knox County, the City of Knoxville and the Town of Farragut; and

WHEREAS, the Coordinating Committee submitted its recommended growth plan, dated January 12, 2000 (the “Plan”), to the Knox County Commission, Knoxville City Council and Farragut Board of Mayor and Aldermen for ratification; and

WHEREAS, in 2001, the Plan was approved by Knox County, the City of Knoxville and the Town of Farragut; and

WHEREAS, T.C.A. § 6-58-104(d)(1) allows counties and cities to amend their growth plans; and

WHEREAS, in accordance with T.C.A. § 6-58-104(d)(1), Knox County Mayor Glenn Jacobs sent notice on August 18, 2023 that he would reconvene or reestablish the Coordinating Committee to consider an amendment to the Plan; and

WHEREAS, Knox County began the process of its first comprehensive transportation and land use plan in 2021; and

WHEREAS, Knox County and Knoxville-Knox County Planning have acknowledged that there have been changed conditions requiring an amendment so as to remove obstacles to smart growth and planning; and

WHEREAS, during the development of the comprehensive plan, areas for growth and preservation were identified; and

WHEREAS, the amendment proposed by the Mayor of Knox County, and recommended by the Growth Policy Coordinating Committee, will allow Knox County to prepare for growth in areas where infrastructure is provided or planned for; and

WHEREAS, the amendment proposed, if approved, will not be effective until May 1, 2024; and

WHEREAS, the Coordinating Committee held four (4) public meetings on the following dates: October 24, 2023; November 27, 2023; December 19, 2023; and January 10, 2024; and

WHEREAS, at the January 10, 2024, meeting, the Coordinating Committee recommended to the Knox County Commission, Knoxville City Council and Farragut Board of Mayor and Aldermen the Plan be amended and reinstated as set forth in Exhibit A; and

WHEREAS, on February 26, 2024, the Knox County Commission adopted Resolution R-24-2-901 which amends and reinstates the Plan with amendments consistent with the Coordinating Committee's recommendations, on the condition of approval from the Knoxville City Council and Farragut Board of Mayor and Aldermen; and

WHEREAS, on May 5, 2024, the Knoxville City Council adopted Resolution R-84-2024, which approved the Plan amendments as recommended by the Growth Policy Coordinating Committee.

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF MAYOR AND ALDERMEN OF THE TOWN OF FARRAGUT:

SECTION 1: The Town of Farragut Board of Mayor and Aldermen hereby approves the Knox County Growth Policy Plan as amended by the recommended provisions as shown on the attached Exhibit A, which includes revised Appendix D and the revised Growth Policy Map.

SECTION 2: Pursuant to T.C.A. § 6-58-104(d), these amendments shall become part of the Plan only after it has been approved by the Knox County Commission, the City of Knoxville City Council, the Town of Farragut Board of Mayor and Aldermen, and the Local Government Planning Advisory Committee.

SECTION 3: This Resolution shall take effect from and after its passage, the welfare of the Town of Farragut requiring it.

This Resolution is duly adopted by the Board of Mayor and Aldermen of the Town of Farragut on this 28th day of March 2024.

Ron Williams, Mayor

Allison Myers, Town Recorder

EXHIBIT A

Under *Section 1, Recommended Growth Plan, Growth Policy Map, Policies, and Other Recommendations* on page 5, 6, 7, and 8 of the Growth Policy Plan, the Knox County Commission amends and reinstates the Plan as follows:

Under Recommended Growth Plan:

Knox County embarked on a two-year process to create an integrated land use and transportation plan for the unincorporated county in 2021. The resulting future land use plan and the designation of rural and planned growth areas included in this growth plan was formed through careful consideration of citizens, community groups and businesspeople. It was based on existing conditions and infrastructure, trends in land use, population, and the natural environment; and input by the citizens and detailed testimony by a wide variety of governmental service providers, including city and county departments, utility districts, emergency services and the school board.

The updated rural and planned growth areas presented in this plan, as well as the policies that guide development within these areas update the existing growth plan, originally developed in 2001. Terminology has been updated to refer to ‘placetypes’ which are the unit of land use categorization used in the Comprehensive Land Use and Transportation Plan. No recommended updates were made to any urban growth boundaries which surround the Town of Farragut or the City of Knoxville.

This section contains the policy recommendations of the coordinating committee; in addition to recommendations from the Knox County Comprehensive Plan, presented in written and graphic form. The remaining sections of the document provide background information used to develop the plan.

Under Growth Policy Map:

The Growth Policy Map (follows page 6) shows the recommended Rural and Planned Growth Areas for unincorporated portions of Knox County and Urban Growth Boundaries for Farragut and Knoxville. Knoxville’s Urban Growth Boundary contains 40.87 square miles; Farragut’s Urban Growth Boundary contains 0.80 square mile; the Planned Growth Area contains 151.34 square miles; and the Rural Area contains 201.38 square miles (see Appendix D for more details and percentages).

Under Policies:

Amend and Replace Number 3 with the text below:

Rezoning of slopes shall be based on the adopted policies of each legislative body.

Amend and Replace Number 4 with the text to read as follows:

The following policies shall apply to the Rural Area

The Knox County Zoning Ordinance and Zoning Map shall determine land uses permitted in the Rural Area. The rural designation shall not impede the right of a property owner to use or develop the property for a purpose permitted by that property's zoning. A land use listed in the Zoning Ordinance as a "use on review" may be approved by the Planning Commission if they find that the proposed development complies with all applicable standards in the ordinance.

Rezonings within the Rural area shall be limited to zoning districts that are consistent with the following placetypes: Rural Crossroads, Rural Conservation, and Rural Living and be consistent with the adopted comprehensive land use and transportation plan. (See placetypes in Appendix).

Residential development in the rural area shall be limited to all of the following conditions: (a) no more than 2 dwelling units per acre; and (b) sanitary sewer, or a sewage system approved and maintained by a public utility company and public water must be available; and (c) must be on a collector road with a minimum width of 18ft pavement, or with an approved memorandum of understanding in place to improve the road to 18 ft or greater through the rural area to the adjacent Planned Growth or Urban Growth area, and as defined in the Major Road Plan or superseding documents, adopted by City Council and County Commission. The intent of this section is to allow residential development into rural areas where utilities and infrastructure are currently available, or able to be expanded and in accordance with the Rural placetypes.

Land within the Rural area may not be rezoned for business parks or industry, according to the Rural placetypes and standards.

As of the effective date of this plan, all previously approved densities in the Rural Area shall remain in effect and are subject to all plans, regulations, and/or conditions of their approval.

Amend and Replace Number 5 with the text to read as follows:

In Planned Growth Areas, the following policies shall apply:

The purposes of the Planned Growth Area designation are to encourage a reasonably compact pattern of development, promote expansion of the Knox County economy, offer a wide range of housing choices, and coordinate the action of the public and private sectors, particularly with regard to provision of adequate roads, utilities, schools, drainage and other public facilities and services.

Planned Growth Areas may include any land use or development permitted by the Knox County Zoning Ordinance.

Rezoning in the Planned Growth Area shall be consistent with the adopted land use map and comprehensive plan adopted by the Knoxville- Knox County Planning Commission and legislative bodies.

After receiving a recommendation from the Knoxville- Planning Commission, County Commission may amend the land use map and comprehensive plan.

Amend and Replace Number 6 with the text to read as follows:

In the Urban Growth Boundaries, the following policies shall apply:

The purposes of the Urban Growth Boundary designation are to encourage a reasonably compact pattern of development, promote expansion of the Knoxville-Knox County economy, offer a wide range of housing choices, and coordinate the actions of the public and private sectors, particularly with regard to provision of adequate roads, utilities, schools, drainage and other public facilities and services.

In Urban Growth Boundaries, any land use permitted in the Zoning Ordinance of the appropriate jurisdiction shall be permitted, subject to all requirements of that jurisdiction. Rezoning in the Urban Growth Boundaries shall be consistent with the applicable plan adopted by the Knoxville-Knox County Planning Commission or the Farragut Land Use Plan, as appropriate or one created hereafter in Knox County under provisions of state law.

Amend and Replace Number 7 with the text to read as follows:

No municipalities other than Farragut, Knoxville or one created under provisions of state law will be allowed to designate urban growth boundaries in Knox County.

Add Number 8 with the text to read as follows:

Official determinations of the location of the Urban Growth Boundaries, Planned Growth Area boundaries, or Rural Area boundaries shall be made by the chief zoning enforcement officer or a designee of Farragut, Knoxville, and Knox County, as appropriate, using the following standards:

Boundaries which appear to follow lot, parcel or property lines on the Official Growth Plan map shall be interpreted to coincide with such lines. If a lot or parcel appears to be split by a boundary, then its classification shall be determined as being the classification which accounts for the largest percentage of area within the lot or parcel.

Boundaries which appear to follow roads or railroads shall be interpreted to coincide with the right of way lines. When a section of road or railroad right of way abuts

an urban growth boundary, that section of right of way shall be designated as being entirely within the urban growth boundary. A section of the right of away abutting both a planned growth area and a rural area shall be designated as being entirely within the planned growth area.

When an urban growth boundary appears to follow a body of water designated by a solid or intermittent blue line on the most recently published United States Geological Survey (USGS) topographic quadrangle map, then all of that portion of the waterway contiguous to the boundary shall be designated as being entirely within the urban growth boundary.

When there is uncertainty as to the location of an urban growth boundary then the planning commission with jurisdiction over the boundary creating the uncertainty shall determine the location of the boundary.

Under *Other Recommendations*:

These recommendations address significant policy issues raised during the Coordination Committee's year-long planning process and the process of developing the Knox County Comprehensive Land Use and Transportation Plan.

The Growth Policy Coordinating Committee shall be reconvened based on the need for plan amendments.

The Growth Policy Plan should be updated or reviewed in concurrence with the Comprehensive Plan or as needed according to the guidelines in Appendix C of the adopted Growth Policy Plan from 2000.

Update and Replace Appendix D to include the table attached to this Resolution as Exhibit A.

Update and Replace the Growth Policy Map (follows page 6) with the map attached to this Resolution as Exhibit B.

All other Sections of the Plan and requirement that have been instated shall remain in full force and effect.

This is a word document of pages (5-8) of the Knoxville-Farragut-Knox County Growth Policy Plan to better understand the proposed changes in the Resolution.

Section 1

Recommended Growth Plan

Original:

~~The Knox County Growth Policy Coordinating Committee worked for over a year to develop a plan that complies with Public Chapter 1101, Tennessee's annexation and growth management law. This plan, which the Coordinating Committee has recommended for adoption by the governing bodies of Knox County, Knoxville and Farragut, is the result of careful consideration of proposals put forward by the three local governments, citizens, community groups and business people. The plan is based on the requirements of existing conditions and trends in land use, population and the natural environment; and input by the citizens and detailed testimony by a wide variety of governmental service providers, including city and county departments, utility districts, emergency services and the school board.~~

~~This section contains the policy recommendations of the coordinating committee, presented in written and graphic form. The remaining sections of the document provide background information used to develop the plan.~~

Proposed:

Knox County embarked on a two-year process to create an integrated land use and transportation plan for the unincorporated county in 2021. The resulting future land use plan and the designation of rural and planned growth areas included in this growth plan was formed through careful consideration of citizens, community groups and businesspeople. It was based on existing conditions and infrastructure, trends in land use, population and the natural environment; and input by the citizens and detailed testimony by a wide variety of governmental service providers, including city and county departments, utility districts, emergency services and the school board.

The updated rural and planned growth areas presented in this plan, as well as the policies that guide development within these areas update the existing growth plan, originally developed in 2001. Terminology has been updated to refer to 'placetypes' which are the unit of land use categorization used in the Comprehensive Land Use and Transportation Plan. No recommended updates were made to any urban growth boundaries which surround the Town of Farragut or the City of Knoxville.

This section contains the policy recommendations of the coordinating committee; in addition to recommendations from the Knox County Comprehensive Plan, presented in written and graphic form. The remaining sections of the document provide background information used to develop the plan.

Growth Policy Map

Original:

~~The Growth Policy Map (follows page 6) shows the recommended Rural and Planned Growth Areas for unincorporated portions of Knox County and Urban Growth Boundaries for Farragut and Knoxville. Knoxville's Urban Growth Boundary contains 47.5 square miles; Farragut's Urban Growth Boundary contains one square mile; the Planned Growth Area contains 147 square miles; and the Rural Area contains 216 square miles (see Appendix D for more details and percentages).~~

Proposed:

The Growth Policy Map (following page 6) shows the recommended Rural and Planned Growth Areas for unincorporated portions of Knox County and Urban Growth Boundaries for Farragut and Knoxville. Knoxville's Urban Growth Boundary contains 40.87 square miles; Farragut's Urban Growth Boundary contains 0.80 square miles; the Planned Growth Area contains 154.44 square miles; and the Rural Area contains 198.27 square miles (see Appendix D for more details and percentages).

Goals-This section remains the same

The following goals have been adapted from the TN Public Chapter 1101:

- In conjunction with the comprehensive plans of Knoxville, Knox County and Farragut, provide a unified physical design for the development of the local community;
- Encourage a pattern of compact and contiguous development to be guided into urban areas and planned growth areas;
- Establish an acceptable and consistent level of public services and community facilities and ensure timely provision of those services and facilities;
- Promote the adequate provisions of employment opportunities and the economic health of the region;
- Conserve features of significant statewide or regional architectural, cultural, historical, or archaeological interest;
- Protect life and property from the effects of natural hazards, such as flooding;
- Take into consideration such other matters that may be logically related to or form an integral part of a plan for the coordinated efficient and orderly development of the local community; and
- Provide for a variety of housing choices and assure affordable housing for future population growth.

Policies

Original: This number remains the same

1. The Rural, Planned Growth, and Urban Growth Boundary designations of this plan shall not impair the rights of a landowner to lawfully use property in accordance with the provisions of the Zoning Ordinances of Knoxville, Knox County and Farragut.

Original: This number remains the same

2. Rezoning decisions shall be consistent with the Growth Plan Map and policies.

Original:

~~3. The following policies shall apply in the Rural Area:~~

~~3.1 The Knox County Zoning Ordinance and Zoning Map shall determine land uses permitted in the Rural Area. The rural designation shall not impede the right of a property owner to use or develop the property for a purpose permitted by that property's zoning. A land use listed in the Zoning Ordinance as a "use on review" may be approved by the Planning Commission if they find that the proposed development complies with all applicable standards in ordinance.~~

~~3.2 Rezonings within the Rural area shall be limited to the following zoning districts: Agricultural (A), Estate (E), Open Space (OS), Floodway (F), Planned Residential (PR at densities up to two (2) dwelling units are per acre based on the site's environmental characteristic and Health Department determination of septic system capability (with exceptions noted in #3.3 & #3.5 below), Transition (T), Historic Overlay (H), Planned Commercial (PC), subject to the conditions listed below in #3.4, and Light Industrial (LI) and (I), subject to the conditions listed below in #3.6. By February 1, 2001, MPC shall deliver recommended text of new Planned Business/Industrial Park, Neighborhood Commercial and Rural Community Commercial zoning districts to County Commission for legislative action. Upon the enactment of these shall replace the PC, LI and I zones in the preceding list of zones.~~

~~3.3 Rezoning on slopes of 25 percent or more shall be limited to the following zoning districts: Open Space (OS), Estate (E) and Planned Residential (PR) at densities of one (1) dwelling unit per two or more acres. Rezonings on slopes of 15 to 25 percent shall be limited to zoning districts which have a minimum one (1) acre lot size; Agriculture (A), Estate (E), Open Space (OS), and Planned Residential (PR) on lots of one (1) or more acres are appropriate.~~

~~3.4 In rural areas, rezoning to Planned Commercial (PC) shall only be approved for commercial uses or services needed to serve rural area residents, such as food markets, convenience stores, gasoline service stations and professional or business offices. A site plan shall be reviewed and approved by the Metropolitan Planning Commission concurrently with any rezoning to Planned Commercial in the Rural Area. Such commercial facilities and rezoning shall be consistent with the Sector Plans adopted by the planning commission.~~

~~3.5 Extensions of low density residential development (densities of 1 to 3 dwelling units per acre) into the rural area shall be limited to the following conditions: (a) the property must be~~

zoned Planning Residential (PR); (b) provision of sanitary sewer and public water services; (c) connecting collector and arterial roads from the proposed development to the Urban Growth Boundary or Planned Growth Area which meet the standards of the Knox County Engineering and Public Works Department or its successor; and (d) a traffic impact analysis demonstrating to the satisfaction of the planning commission that the effect of the proposed and similar developments in the traffic analysis zone will not unreasonably impair traffic flow along the arterial roads through the adjacent Planned Growth Area. The intent of this section is to allow extensions of low density residential development into rural areas when urban services (sanitary sewer, water, and adequate roads) become available. These areas should be growth reclassified "Planned Growth" when the growth plan is periodically revised and amended.

3.6 Land within the Rural area may be rezoned for business parks or industries only under the following conditions:

a.) The rezoning is consistent with the applicable Sector Plan. The Sector Plan may be amended upon recommendation of the Metropolitan Planning Commission in accordance with provisions of state law regarding adoption and amendment of regional plans.

b.) Wetlands, floodways, streams, or hillside lands with predevelopment slopes of 16% or greater, as defined in Section 82-30 of the Knoxville Knox County Subdivision Regulations shall not be rezoned for industrial or commercial use.

c.) The rezoning application must include deed restrictions which specify permitted land uses and to create design standards for landscaping, architecture, drainage, utilities, and transportation access. These restrictions shall be similar to those recorded for East bridge Business Park and in effect as of December 1, 1999. If the rezoning is approved, these deed restrictions, with any changes requested by the Planning Commission or County Commission, shall be filed prior to approval of the rezoning by County Commission.

d.) In the event that the Knox County Commission adopts zoning regulations permitting conditional zoning, approval of a conditional rezoning subject to the above referenced standards may substitute for the filing of deed restrictions.

e.) These areas shall be reclassified "Planned Growth" when the growth plan is periodically revised and amended.

Proposed:

3. Rezoning of slopes shall be based on the adopted policies of each legislative body.

Original:

~~4. In Planned Growth Areas, the following policies shall apply:~~

~~4.1 The purposes of the Planned Growth Area designation are to encourage a reasonably compact pattern of development, promote expansion of the Knox County economy, offer a wide range of housing choices, and coordinate the action of the public and private sectors, particularly with regard to provision of adequate roads, utilities, schools, drainage and other public facilities and services.~~

~~4.2 Planned Growth Areas may include any land use or development permitted by the Knox County Zoning Ordinance.~~

~~4.3 Rezoning in the Planned Growth Area shall be consistent with the applicable Sector Plan adopted by the Metropolitan Planning Commission.~~

~~4.4 After receiving a recommendation from the Planning Commission, the County Commission may amend the Sector Plan if it finds that there has been a change in conditions warranting the amendment.~~

~~4.5 The purposes of the Planned Growth Area designation are to encourage a reasonably compact pattern of development, promote expansion of the Knox County economy, offer a wide range of housing choices and coordinate the actions of the public and private sectors, particularly with regard to provision of adequate roads, utilities, schools, drainage and other public facilities and services.~~

Proposed:

4. The following policies shall ~~should~~ apply to the Rural Area

4.1 The Knox County Zoning Ordinance and Zoning Map shall determine land uses permitted in the Rural Area. The rural designation shall not impede the right of a property owner to use or develop the property for a purpose permitted by that property's zoning. A land use listed in the Zoning Ordinance as a "use on review" may be approved by the Planning Commission if it finds that the proposed development complies with all applicable standards in the ordinance.

4.2 Rezoning within the Rural area shall be limited to zoning districts that are consistent with the following placetypes: Rural Crossroads, Rural Conservation, and Rural Living and be consistent with the adopted comprehensive land use and transportation plan. (See placetypes in Appendix).

4.3 Residential development in the rural area shall be limited to all of the following conditions: (a) no more than 2 dwelling units per acre; and (b) sanitary sewer, or a sewage system approved and maintained by a public utility company and public water must be available; and (c) must be on a collector road with a minimum width of 18ft pavement, or with an approved memorandum of understanding in place to improve the road to 18ft or greater through the rural area to the adjacent Planned Growth or Urban Growth area, and as defined in the Major Road Plan or superseding documents, adopted by City Councility and County Commission. The intent of this

section is to allow residential development into rural areas where utilities and infrastructure are currently available; easily or able to be expanded and in accordance with the Rural placetypes.

4.4 Land within the Rural area may not be rezoned for business parks or industry, in accordance with the Rural placetypes and standards.

4.5 As of the effective date of this plan, all previously approved densities in the Rural Area shall remain in effect and are subject to all plans, regulations, and/or conditions of their approval.

Original:

~~5. In Urban Growth Boundaries, the following policies shall apply:~~

~~5.1 The purposes of the Urban Growth Boundary designation are to encourage a reasonably compact pattern of development, promote expansion of the Knoxville-Knox County economy, offer a wide range of housing choices, and coordinate the actions of the public and private sectors, particularly with regard to provision of adequate roads, utilizes, schools, drainage and other public facilities and services.~~

~~5.2 In Urban Growth Boundaries, any land use permitted in the Zoning Ordinance of the appropriate jurisdiction shall be permitted, subject to all requirements of that jurisdiction. Rezoning in the Urban Growth Boundaries shall be consistent with the applicable Sector Plan adopted by the Metropolitan Planning Commission or the Farragut Land Use Plan, as appropriate or one created hereafter in Knox County under provisions of state law.~~

Proposed:

5. In Planned Growth Areas, the following policies shall apply:

5.1 The purposes of the Planned Growth Area designation are to encourage a reasonably compact pattern of development, promote expansion of the Knox County economy, offer a wide range of housing choices, and coordinate the action of the public and private sectors, particularly with regard to provision of adequate roads, utilities, schools, drainage and other public facilities and services.

5.2 Planned Growth Areas may include any land use or development permitted by the Knox County Zoning Ordinance.

5.3 Rezoning in the Planned Growth Area shall be consistent with the adopted land use map and comprehensive plan adopted by the Knoxville-Knox County Planning Commission and legislative bodies.

5.4 After receiving a recommendation from the Knoxville- Planning Commission, County Commission may amend the land use map and comprehensive plan.

Original:

~~6. No municipalities other than Farragut, Knoxville or one created under provisions of state law will be allowed to designate urban growth boundaries in Knox County.~~

Proposed:

6. In the Urban Growth Boundaries, the following policies shall apply:

6.1 The purposes of the Urban Growth Boundary ~~designation~~ destination are to encourage a reasonably compact pattern of development, promote expansion of the Knoxville-Knox County economy, offer a wide range of housing choices, and coordinate the actions of the public and private sectors, particularly with regard to provision of adequate roads, ~~utilities~~ utilizes, schools, drainage and other public facilities and services.

6.2 In Urban Growth Boundaries, any land use permitted in the Zoning Ordinance of the appropriate jurisdiction shall be permitted, subject to all requirements of that jurisdiction. Rezoning in the Urban Growth Boundaries shall be consistent with the applicable plan adopted by the Knoxville-Knox County Planning Commission or the Farragut Land Use Plan, as appropriate or one created hereafter in Knox County under provisions of state law.

Original:

~~7. Official determinations of the location of the Urban Growth Boundaries, Planned Growth Area boundaries, or Rural Area boundaries shall be made by the chief zoning enforcement officer of Farragut, Knoxville, and Knox County, as appropriate, using the following standards:~~

~~7.1 Boundaries which appear to follow lot, parcel or property lines on the Official Growth Plan map shall be interpreted to coincide with such lines. If a lot or parcel appears to be split by a boundary, then its classification shall be determined as being the classification which accounts for the largest percentage of area within the lot or parcel. For example, if a parcel is split by the boundary between a rural area and a planned growth area, then the entire parcel shall be classified as rural.~~

~~7.2 Boundaries which appear to follow roads or railroads shall be interpreted to coincide with the right of way lines. When a section of road or railroad right of way abuts an urban growth boundary, that section of right of way shall be designated as being entirely within that urban growth boundary*. A section of the right of away abutting both a planned growth area and a rural area shall be designated as being entirely within the planned growth area.~~

~~7.3 When an urban growth boundary appears to follow a body of water designated by a solid or intermittent blue line on the most recently published United States Geological Survey (USGS) topographic quadrangle map, then all of that portion of the waterway contiguous to the boundary shall be designated as being entirely within the urban growth boundary.~~

~~7.4 When there is uncertainty as to the location of an urban growth boundary then the planning commission with jurisdiction over the boundary creating the uncertainty shall determine the location of the boundary.~~

Proposed:

7. No municipalities other than Farragut, Knoxville or one created under provisions of state law will be allowed to designate urban growth boundaries in Knox County.

Original:

There is not a number 8 in the Policy Section.

Proposed:

8. Official determinations of the location of the Urban Growth Boundaries, Planned Growth Area boundaries, or Rural Area boundaries shall be made by the chief zoning enforcement officer or a designee of Farragut, Knoxville, and Knox County, as appropriate, using the following standards:

8.1 Boundaries which appear to follow lot, parcel or property lines on the Official Growth Plan map shall be interpreted to coincide with such lines. If a lot or parcel appears to be split by a boundary, then its classification shall be determined as being the classification which accounts for the largest percentage of area within the lot or parcel.

8.2 Boundaries which appear to follow roads or railroads shall be interpreted to coincide with the right of way lines. When a section of road or railroad right of way abuts an urban growth boundary, that section of right of way shall be designated as being entirely within the urban growth boundary. A section of the right of away abutting both a planned growth area and a rural area shall be designated as being entirely within the planned growth area.

8.3 When an urban growth boundary appears to follow a body of water designated by a solid or intermittent blue line on the most recently published United States Geological Survey (USGS) topographic quadrangle map, then all of that portion of the waterway contiguous to the boundary shall be designated as being entirely within the urban growth boundary.

8.4 When there is uncertainty as to the location of an urban growth boundary then the planning commission with jurisdiction over the boundary creating the uncertainty shall determine the location of the boundary.

Other Recommendations

Original:

~~These recommendations address significant policy issues raised during the Coordinating Committee's yearlong planning process.~~

Proposed:

These recommendations address significant policy issues raised during the Coordination Committee's previous year-long planning process and the process of developing the Knox County Comprehensive Land Use and Transportation Plan.

Original:

~~1. A standing Growth Policy Coordinating Committee should be in place at all times, so that, if the plan is to be amended, time will not be lost making appointments.~~

Proposed:

1. The Growth Policy Coordinating Committee shall be reconvened based on the need for plan amendments.

Original:

~~2. The Growth Policy Plan should be periodically reviewed and, if warranted by changed conditions, amended. This review should occur every 3 years, beginning with the third anniversary of the effective date of the Plan.~~

Proposed:

2. The Growth Policy Plan should be updated or reviewed in concurrence with the Comprehensive Plan or as needed according to the guidelines in Appendix C of the adopted Growth Policy Plan from 2000, section 7 of Appendix C.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Michelle Pence, Human Resource Director

SUBJECT: Approval of Resolution R-2024-05, Termination of Farragut Supplemental Retirement Plan

INTRODUCTION: The Town of Farragut adopted the Supplemental Retirement Plan in July of 2016 as an option for full time employees to have retirement who remained opted out of Social Security. The plan was designed to provide a benefit payable at the later of the attainment of age 65 or the retirement of such individual from the Town of Farragut. After payment commences, there is an annual 3% COLA increase guaranteed. Further, upon the death of the participant, one half of such benefit amount shall be payable to the employee’s spouse.

BACKGROUND: The Supplemental Retirement Plan requires an annual actuarial valuation report to be completed. Upon completion of the valuation report and evaluation of the current investment market, an additional lump sum contribution payment can be required. In the current state, the Town has 5 participants on the plan. Three (3) employees are actively collecting monthly payments, one (1) employee’s wife is collecting the survivorship benefits, and one (1) not active employee who is not eligible to collect until 2030.

The transition of the Supplemental Retirement Plan to an annuity plan will save the Town approximately \$267,000 over the life of the plan. This transition would not change any of the plan parameters; payments and terms remain the same for all participants within the plan.

DISCUSSION: This termination amendment would terminate the current Town of Farragut Supplemental Retirement Plan to allow the Town, working with an annuity purchase consultant, to enter a contract with an insurer to purchase permanent commitments to provide Plan benefits to the Plan’s remaining Participants, Beneficiaries and Alternate Payees. This termination would not change any of the plan payments and terms. These remain the same for all participants within the plan.

RECOMMENDATION: Staff recommends approval of Termination Amendment to The Town of Farragut Supplemental Retirement Plan.

PROPOSED MOTION: To approve Resolution R-2024-05, Termination of Farragut Supplemental Retirement Plan.

RESOLUTION R-2024-05

TERMINATION AMENDMENT TO THE TOWN OF FARRAGUT SUPPLEMENTAL RETIREMENT PLAN

THIS TERMINATION AMENDMENT to THE TOWN OF FARRAGUT SUPPLEMENTAL RETIREMENT PLAN (“Plan”), a governmental defined benefit plan which was amended and restated, effective July 1, 2016, by the Town of Farragut (“Town”), amends, modifies and terminates the Plan pursuant to the rights to amend and to terminate in Sections 9.1 and 10.1 of the Plan. This Termination Amendment is intended to conform the terms of the Plan, as terminated, with current requirements of the Internal Revenue Code of 1986, as amended (“Code”), as well as any other changes in law applicable to governmental plans, including, but not limited to, the Setting Every Community Up for Retirement Enhancement Act of 2019 (“SECURE Act”), the Coronavirus Aid, Relief, and Economic Security Act of 2020 (“CARES Act”) and the SECURE 2.0 Act of 2022, enacted by Congress as Division T of the Consolidated Appropriations Act of 2023 (“SECURE 2.0 Act”). Capitalized words and phrases used herein shall have the meanings set forth in the Plan unless otherwise specifically defined herein.

A.

Effective April 19, 2024, the Plan hereby is terminated. As part of the Plan termination process, the Administrator, working with an annuity purchase consultant, shall cause the Plan to enter into a contract with an insurer to purchase irrevocable commitments to provide Plan benefits to the Plan’s remaining Participants, Beneficiaries and Alternate Payees.

B.

Effective April 19, 2024, the Plan hereby is amended by adding the following Termination Addendum thereto. This Addendum supersedes the provisions of the Plan to the extent those provisions are inconsistent with the provisions of this Addendum. Except as otherwise provided in this Addendum, any reference to “Section” in this Addendum refers only to sections within this Addendum and is not a reference to the Plan. The Section numbering in this Addendum is solely for purposes of this Addendum, and does not relate to the Plan article, section or other numbering designations.

TERMINATION ADDENDUM

- 1.1 **APPLICATION.** This Addendum is effective regarding RMDs required to be made after December 31, 2019.
- 1.2 **DELAY OF REQUIRED BEGINNING DATE.** An Affected Participant's RBD shall not be earlier than April 1 of the calendar year following the year the Affected Participant attains age 72. For purposes of determining an Affected Participant's RBD, an Affected Participant will be treated as a more than 5-percent owner if such Affected Participant was a 5-percent owner (as defined in section 416(i)(1)(B) of the Code) as to the Plan Year ending in the calendar year the Participant attains age 72. Effective with respect to a Participant who has not attained age 72 as of December 31, 2022, such Participant's RBD shall be modified to comply with all relevant provisions of SECURE 2.0 Act.
- 1.3 **SPOUSAL DISTRIBUTIONS.** If an Affected Participant dies prior to the Participant's RBD, and the Participant's sole Designated Beneficiary is the Participant's surviving spouse, then the RMDs to the surviving spouse will begin by December 31 of the calendar year immediately following the calendar year in which the Participant died, or by December 31 of the calendar year in which the Participant would have attained age 72, if later. Effective with respect to a RBD, under this Section 1.3, that has not occurred as of December 31, 2022, such RMD payable to the Participant's surviving spouse shall be modified to comply with provisions of SECURE 2.0 Act.
- 1.4 **DEFINITIONS.** A Participant is an "Affected Participant" if the Participant was born after June 30, 1949. An "RMD" is a required minimum distribution as described in Code section 401(a)(9) of the Code. A Participant's "RBD" is the Participant's Required Beginning Date as described in section 401(a)(9)(C) of the Code.

C.

Except as specifically amended and terminated above, the Plan shall remain unchanged.

IN WITNESS WHEREOF, the Employer has executed this Termination Amendment to the Plan on this 18th day of April, 2024.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Mark Shipley, Community Development Director

SUBJECT: Ordinance 24-01, an ordinance on second reading to amend the definition of a Public Tree and a Street Tree, as provided for in the Town of Farragut Public Tree Care Ordinance

INTRODUCTION AND BACKGROUND: This agenda item involves a minor change to the Farragut Public Tree Care Ordinance that was adopted in February of 2022. As the name suggests, the Public Tree Care Ordinance mainly addresses trees on public properties. Consequently, one of the key terms in this ordinance is the definition of a Public Tree.

The current definition is as follows:

Public Tree: A tree growing on land owned by the Town of Farragut. This would also include trees situated within walking trail easements that are maintained by the Town of Farragut.

Also related to a Public Tree is a Street Tree which is defined as follows:

Street Tree: A tree situated within a public street right of way with a non-invasive root system and a canopy width that does not generally exceed 25 feet at maturity. Street trees have a single straight trunk and ideally be vase shaped or otherwise lend themselves to proper pruning as they mature.

DISCUSSION: Recently, an issue was brought to the staff's attention regarding the maintenance of trees that were planted by a developer within the public right of way many years ago. The trees were not required to be planted by the Town and were intended to benefit the residents of the subdivision. As a result, the trees have always been maintained by the subdivision's HOA.

In looking at how "Public Trees" are currently defined in the Public Tree Care Ordinance, one of the HOA representatives understandably felt that since these trees were growing on land owned by the Town of Farragut, the trees should be maintained by the Town of Farragut.

A primary intent of the amendment to the Public Tree Care Ordinance that is reflected in Ordinance 24-01 is to clarify that only trees *planted by or required to be planted by the Town of Farragut* would be considered Public Trees to be maintained by the Town of Farragut. The amended definition also clarifies that, in the context of the Public Tree Care Ordinance, this term applies to trees that are planted vs. natural tree covered areas (like forested areas) that exist on land owned by the Town of Farragut. The amended definition also addresses developments like Parkside Drive and the Cottages at Pryse Farms where trees planted within Town owned rights of ways were part of a development plan where a homeowner's and/or property owner's association is responsible for maintenance.

By making these clarifications, the language in Ordinance 24-01 ensures that trees that are planted and that will ultimately be maintained by the Town would be subject to review and approval by the Town and should be appropriate for the desired location. This would also acknowledge current practice where HOA's are maintaining trees that either they planted, or the developer planted for the benefit of their development. Since

the definition of a Street Tree overlaps with the definition of a Public Tree a revision to the definition of a Street Tree is also included in Ordinance 24-01.

RECOMMENDATION: At their meeting on February 15, 2024, the Planning Commission unanimously recommended approval of Ordinance 24-01. At the March 28, 2024 meeting, the Board of Mayor and Aldermen unanimously approved Ordinance 24-01 on first reading. There have been no changes to Ordinance 24-01 since first reading and Community Development Director, Mark Shipley, recommends approval of Ordinance 24-01 on second reading.

AN ORDINANCE TO AMEND THE FARRAGUT MUNICIPAL CODE, APPENDIX F, THE PUBLIC TREE CARE ORDINANCE, TO UPDATE THE DEFINITION OF A PUBLIC TREE AND A STREET TREE

WHEREAS, the Board of Mayor and Aldermen of the Town of Farragut, Tennessee, wishes to amend the Farragut Municipal Code, Appendix F, the Public Tree Care Ordinance, Section B., Definitions, by updating the definition of a Public Tree and a Street Tree.

NOW, THEREFORE, BE IT ORDAINED by the Board of Mayor and Aldermen of the Town of Farragut, Tennessee, that the Farragut Municipal Code is hereby amended as follows:

SECTION 1.

The Farragut Municipal Code, Appendix F – Public Tree Care Ordinance, Section B., Definitions., is hereby amended by replacing the definition of a Public Tree and a Street Tree with the following:

- Public Tree: As applied to trees planted on land owned by the Town of Farragut, a public tree shall only be those that are planted by or required to be planted by the Town of Farragut. A public tree would also include trees planted by or required to be planted by the Town of Farragut and placed within walking trail easements that are maintained by the Town of Farragut. A public tree shall not include trees planted on land owned by the Town of Farragut that were approved as part of a development plan to be maintained by a homeowner’s and/or property owner’s association.
- Street Tree: A public tree situated within a public street right of way with a non-invasive root system and a canopy width that does not generally exceed 25 feet at maturity. Street trees shall have a single straight trunk and ideally be vase-shaped or otherwise lend themselves to proper pruning as they mature.

SECTION 2.

This ordinance shall take effect from and after its final passage and publication, the public welfare requiring it.

SUBJECT: Ordinance 24-05, Ordinance to amend Chapter 2, Administration, Article 6, Finance, Section 2-267 Depository of Town Funds, of the Farragut Municipal Code

INTRODUCTION:

The purpose of this agenda item is to approve Ordinance 24-05 on second and final reading to amend the Farragut Municipal Code Section 2-267, Depository of Town Funds.

DISCUSSION:

Currently, in section 2-267, the section identifies the bank that the Town will utilize for the deposit of town funds. Town staff is requesting to deleting this section in its entirety and replace it with the following:

Funds may be invested through or deposited with any bank or savings and loan association organized and operating under the laws of the State of Tennessee or the United States of America whose deposits are insured by the Federal Deposit Insurance Corporation and have either its principal office or a full-service branch office conveniently located to the Farragut Town Hall and Farragut Community Center.

Banking services must be evaluated every four (4) years. This change will allow the banking services to be reviewed and approved by resolution instead of an ordinance, which would require two readings.

RECOMMENDATION BY: Allison Myers, Town Recorder/Treasurer, for approval.

SUBJECT: Approval of acceptance agreement with Midland National Life Insurance Company for a group annuity contract for the Town of Farragut supplemental retirement plan, to annuitize the plan participants in accordance with the plan’s termination

INTRODUCTION: The purpose of this agenda item is to accept the agreement with Midland National Life Insurance Company for a group annuity contract for the Town of Farragut supplemental retirement plan, to annuitize the plan participants in accordance with the plan’s termination.

DISCUSSION: The Town of Farragut adopted a supplemental retirement plan in 2016 that currently has 5 participants. In reviewing the plans ongoing costs, it was determined that by annuitizing the plan through a life insurance company could save the Town approximately \$267,000 over the life of the plan. There would be no changes to the plan terms and conditions for any of the participants in the plan.

The Town’s financial advisory firm, USI consulting, has bid out the terms for this agreement and will be administering the process to terminate the supplemental retirement plan. Midland National Life Insurance Company provided a bid of \$399,800 to take over the plan’s liability beginning May 1, 2024. Current assets in the plan total \$335,293.27, which would require the Town to contribute an additional \$64,667.73 to finalize the transaction that also includes a \$150 processing fee. The funding for this agreement is within the Town’s amended budget.

New York Residents

Midland National will accept NY residents (if applicable), but would only service them by mail or email.

Data Reconciliation

Midland National will provide a data change listing and the corresponding price adjustment for each individual life within 90 days of the Contract Payment Commencement Date, using the expense and mortality assumptions from the Final Quote Date. If the total premium adjustment is within 3% of the original premium, the interest rate used on the Final Quote Date will be used to calculate the premium adjustment. If the premium adjustment is greater than 3%, the excess premium over 3% will be calculated using current assumptions as of the Data Reconciliation Pricing Date.

Refunds for Deaths

Midland National will refund premium for deaths occurring on or before the liability transfer date, regardless of materiality if reported within 6 months of the liability transfer date and only if material for deaths reported after 6 months.

Certificates

Midland National will provide an annuity certificate showing the guaranteed benefit to each participant and beneficiary covered under the contract within 60 days of the final contract execution.

Complete Transfer

Midland National Life fully and irrevocably guarantees the specified payments to the annuitants. We will have no liability beyond this specified payment to the annuitants as it relates to the payment and administration under this transaction.

Administrative Services

In addition to making payments, Midland National will issue year-end Forms 1099R and provide federal, state, and local tax withholding.

Missing Participants

We would accept missing participants as part of the transaction. Commercially reasonable efforts will be made to locate missing participants before complying with state unclaimed property guidelines.

Unclaimed Benefits

Any unclaimed benefits will be handled according to state unclaimed property guidelines.

Third Party Beneficiary

Annuitants under this transaction will have third party beneficiary rights and can enforce the payment of the monthly benefit.

Qualified Domestic Relation Orders (QDROs) and Power of Attorney (POA)

Midland National will handle the administration of any QDRO, Power of Attorney (POA), Guardianship, and/or tax levies that occur after the liability transfer date.

If any of these arrangements are in effect prior to the liability transfer date, the current plan sponsor will be required to provide payment specifics such as: data for each person to be paid, payment amount, separate or shared interest, and any other pertinent details. These payment details can be provided on the final census data. Providing a copy of the actual QDRO, POA, etc. is optional.

Payment Method

Check or electronic funds transfer (EFT) as specified by the participant.

Small (Micro) Annuity Limits

All payments, including small amounts, will be paid on a monthly basis unless subject to minimum lump sum provisions.

Calculate any price adjustments to individuals on the Census within 90 days of the annuity commencement date using the same pricing basis that was used in the final quote and refund any excess premium or provide a bill for any shortfall within 5 business days of notification. If the total premium adjustment is within 3% of the original premium, the interest rate used on the final quote date will be used to calculate the premium adjustment. If the premium adjustment is greater than 3%, the excess premium over 3% will be calculated using current assumptions as of the date of reconciliation.
 - C. Refund premium for deaths occurring on or before the liability assumption date, regardless of materiality if reported within 6 months of the wire transfer date and only if material for deaths reported after 6 months.
 - D. Pay small benefit amounts in the manner specified in the final proposal, unless otherwise agreed in writing.
 - E. Fully and irrevocably guarantee the specified payments to the annuitants upon receipt of the full payment, execution of this agreement, and issuance of the General Account group annuity contract. We will have no liability beyond the specified payments to the annuitants as it relates to the payment and administration under this transaction.
 - F. Hold harmless and indemnify the Owner if the Company does not make payments as specified in the Census, does not fulfill its obligations under this Agreement, or does not comply with its Privacy Policy attached as Exhibit Two.
2. The Owner agrees to:
 - A. Submit any required modifications to the Census within 5 business days of the date required changes are identified.
 - B. Make all payments required under this agreement, including any additional premiums required as a result of any adjustments to the Census within 5 business days of the billing.
 - C. Remit the completed application, attached hereto as Exhibit One, within 90 days of this Agreement.
 - D. Hold harmless and indemnify the Company if the Owner does not provide complete and correct information on the Census, does not identify on the Census any payment required under the Pension Plan, does not fulfill its obligations under this Agreement, or does not comply with its Privacy Policy.
3. Termination: In the event that all conditions listed in Section 1 and Section 2 above have not been met within ninety (90) days from the date of the Acceptance Agreement and the Company notifies the Owner in writing, this agreement may be terminated and if terminated, an amount described in Section 4 shall be returned. If the Owner notifies the Company in writing prior to issue of the contract that they no longer wish to purchase the contract, this agreement shall be terminated and an amount described in Section 4 shall be returned.
4. If, for any reason, this Agreement is terminated and a contract has not been issued, the Company will refund to the Owner the Acceptance Agreement consideration plus any additional premiums paid, less

any prior premium refunds and less any claims paid, plus interest calculated at an annual effective rate equal to the U.S. 3-Month Treasury Bill as of the date the Owner's initial payment.

5. The Company will inform participants that they have the right to sue for benefits if the payment specified in their certificate is not paid. The Company will inform participants that QDROs will be administered by the Company upon receipt of written documentation acceptable to the Company.
6. None of the provisions contained in this Agreement are contrary to the provisions of the contract.
7. Modifications to the Agreement must be in writing and signed by both of the parties.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Eric Schindler, Assistant Town Engineer

SUBJECT: Approval of Bids for Contract 2025-01, Annual On-Call Road Maintenance

INTRODUCTION: The purpose of this agenda item is to consider bids and award our Annual Road Maintenance contract to the selected contractor.

BACKGROUND: Each year we advertise a request for bid proposals for the maintenance of our streets. Proposals are obtained for the various line items we typically see during the given year, and we recommend awarding to a contractor based upon their unit prices and their responsiveness (if they’ve completed this contract in the past) as well as their ability to perform the required work. We received one bid on March 28, 2024, from Pavement Restorations, Inc. (PRI). We have attached a tabulation of PRI’s unit prices, compared with those prices in the FY24 contract (PRI was awarded this contract in the current year). The tabulations indicate FY25 unit prices will increase by approximately 10% from FY24. The Town has worked with PRI in the past, and we have always been pleased with their performance. Staff recommends the award of this contract to Pavement Restorations, Inc.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN**PREPARED BY:** Eric Schindler, Assistant Town Engineer**SUBJECT:** Approval of Bids for Contract 2024-14, Installation of Flashing Warning Beacon at the Intersection of Everett Road and Union Road.**INTRODUCTION:** The purpose of this agenda item is to consider bids and award contract 2024-14 Installation of Flashing Warning Beacon.**BACKGROUND:** Due to resident concerns, current sight distance issues, and speed disparities between Everett Road traffic and traffic entering the roadway from Union Road, the addition of a flashing “Vehicles Entering Intersection” sign is proposed to provide advanced warning for northbound Everett Road traffic. The sign will be actuated by radar detectors located at the Union Road intersection on both sides of Everett Road. The radar detectors will be solar powered, and the flashing “Vehicles Entering Intersection” sign will be powered by a new 120V AC wood pole mounted power service. The bid reading date for this project was 3/26/2024 and Stansell Electric Company, Inc. was the only bidder with a bid price of \$35,450.00. The project completion date is on or before November 22, 2024. The proposed location of the “Vehicles Entering Intersection” sign and the proposed locations of the solar powered radar detectors are shown in exhibit one.**Exhibit 1**
