REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: David Smoak, Town Administrator

SUBJECT: Ordinance 24-07, on first reading, an ordinance of the Town of Farragut, Tennessee Adopting the Annual Budget for the fiscal year beginning July 1, 2024 and ending June 30, 2025

INTRODUCTION: The purpose of this agenda item is to approve Ordinance 24-07, on first reading, adopting the annual budget for the fiscal year beginning July 1, 2024, and ending June 30, 2025.

BACKGROUND: The annual budget for the Town of Farragut must be approved prior to July 1, which is the start of the fiscal year for our community. The budget is also required to be balanced and remitted to the State of Tennessee Comptroller for review once it has been approved by the Board of Mayor and Aldermen (BMA). Planning for the upcoming FY2025 budget started in January 2024, with departments turning in their budget requests. The BMA had a series of workshops starting in March to review revenue and expenditures projections, set priorities for capital expenditures and review operational needs in each department.

DISCUSSION:

GENERAL FUND

The proposed year end FY2024 General Fund revenues are estimated at \$17,474,546, with expenditures of \$10,158,310. This year end estimate accounts for a 6.0% increase in sales tax revenue from the FY24 budget, as well as additional revenue increases in the state sales tax, wholesale liquor taxes, building permits and interest earnings. The proposed FY2025 General Fund revenues are \$17,027,108, which is a slight decrease from estimated FY2024 revenues due to conservative estimates for building permits, recreational fees and interest earnings. Local sales tax revenue is estimated to increase 2.0% from FY24 estimated end of year projection at \$10,101,798. This revenue source accounts for 59.3% of the Town's total general fund revenue. A second major revenue source is State Sales Tax. This tax is distributed from the State of Tennessee to local governments and is based on the Farragut population base, which is currently 23,506 according to the 2020 Census. Total FY25 proposed revenue in State Sales Tax is \$2,910,000.

General Fund Expenditures for FY2025 are proposed at \$11,033,366, which is a 7.5% increase over the FY2024 end of year estimate. For FY25, current employees will be eligible for a 3% Cost of Living Adjustment and a 3% merit package for a total cost of \$309,422. The budget also includes higher expenses for employee health insurance that are estimated to cost an additional \$27,078.

This year the Town of Farragut will be adding four new positions, while eliminating two current positions, for a net gain of two full-time equivalent (FTE) positions for a total of 70 FTE. The Public Works department will be adding two Technician I positions, the Information Technology division will be adding an IT Technician position and Administration will be restructured by eliminating the Assistant to the Town Administrator position and changing the role to an Assistant Town Administrator with managerial oversight over operational departments. The total cost of these new positions is \$289,708.

The overall General Fund budget projects \$5.99 million in revenues over expenditures for FY25. The budget funds the rainy-day fund at a total of \$3.31 million, with an assigned fund balance of \$6 million and an available fund balance at the end of the FY25 budget year to be \$18.47 million.

STATE STREET AID FUND

The State Street Aid Fund has projected revenues of \$842,752 and estimated expenditures of \$1,765,000. There is a proposed transfer from the General Fund to the State Street Aid Fund of \$1,500,000. This fund is primarily used to resurface streets in the Town of Farragut. With energy prices remaining high over the past year, the number of lane miles the town is able to repave will require additional funding to keep pace with our historical average. At the end of the FY25 budget year there will be an estimated \$3,373,081 in fund balance.

TOURISM FUND

The Tourism Fund is a special revenue fund where the primary source of funding comes from the 3% occupancy tax on hotel night stays by visitors to the local Farragut hotels. Revenues from hotel stays have remained strong due to the heavy travel volume along the I-75/I-40 corridor and the convenient shopping and entertainment in the area, with estimated revenues for FY25 at \$550,000. In FY25 the Tourism Fund is receiving ARPA grant funds of \$47,500, which will be utilized for additional marketing for the tourism program. Proposed expenditures for FY25 are \$594,491, with an ending fund balance of \$1,187,309.

ARPA FUND

The American Rescue Plan Act (ARPA) Fund includes funding from the U.S. Government to all local governments based on population. The Town has received two equal payments totaling \$7,055,252. The Town also received additional TDEC grant funds in FY23 of \$1,721,566 to utilize on stormwater infrastructure projects and in FY24 received a TDEC grant for a stormwater parking facility of \$2,017,591. ARPA funds may be utilized on any local government service or project. For FY25, the Town will be allocating a total of \$4,286,074 on broadband infrastructure and a stormwater parking facility at McFee Park. Funding from ARPA must be obligated by December 31, 2024, and spent by December 31, 2026.

EQUIPMENT REPLACEMENT FUND

The Equipment Replacement Fund will have projected expenditures of \$375,000 in FY25 and a transfer from the general fund of \$725,000. There will be an estimated fund balance in the Equipment Replacement fund of \$1,342,817.

ADA CAPITAL PROJECTS FUND

The ADA Capital Projects Fund does not have any major projects planned for FY2025. Since developing the Town's ADA Transition Plan in 2018, the Town has made improvements to Anchor Park, the restroom facilities at Town Hall and dozens of curb ramps as street resurfacing projects are completed. There are more proposed curb ramps to be replaced in FY2025 to be brought into compliance with ADA standards and those funds will be paid out of the State Street Aid Fund. There is also a planned ADA greenway project for Mayor Bob Leonard Park that is partially grant funded, with additional town funding allocated in the Capital Investment Program Fund. There is a proposed \$150,000 transfer from the General Fund to the ADA Fund in FY2025, with a projected fund balance of \$704,858.

INSURANCE FUND

The Insurance Fund includes funding for retiree health insurance and annual leave disbursements at an employee’s retirement date. There is a \$50,000 transfer proposed in the FY25 budget from the General Fund and the available fund balance is \$239,376.

CAPITAL INVESTMENT PROGRAM FUND

The Capital Investment Program (CIP) Fund budget has a total of \$18,960,216 in projects planned to get underway in FY25. These projects include sidewalk and greenway extensions; Campbell Station Inn improvements; a new pickleball facility, turf field replacement and ADA improvements at Mayor Bob Leonard Park; improvements to Union Road, Boyd Station Road and design and right of way acquisition for Virtue Road improvements. Revenues for the CIP come from Town resources in the form of a \$5,000,000 transfer from the General Fund, \$4,590,216 from CIP Reserves, and \$9,270,000 from federal and/or state matching grants and \$100,000 in interest earnings. Overall, the FY2025 projected fund balance is \$6,846,226.

The FY2025 budget aligns with the Town of Farragut strategic plan of Connecting our Community with Excellent Parks, Greenways, Trails, Sidewalks and Recreation Programs; Enhancing the Town’s Financial Position; Collaborating at a Local, State and Federal level; Supporting and Caring for our Team; and Advancing a High-Quality and Well-Maintained Community. The FY2025 budget will allow the Town of Farragut to continue providing exceptional service to our community while living well within our projected revenues and maintaining a healthy fund balance. The proposed budget will be heard on first reading at the May 23, 2024, Board of Mayor and Aldermen meeting.

Attached are the summary pages of each fund and Ordinance 24-07 for the Board’s consideration.

RECOMMENDATION BY: Town Administrator David Smoak for approval.

PROPOSED MOTION: To approve Ordinance 24-07, on first reading, to adopt the annual budget for the Town of Farragut, Tennessee for the fiscal year beginning July 1, 2024, and ending June 30, 2025.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Eric Schindler, Assistant Town Engineer

SUBJECT: Approval of Contract 2024-05, Resurfacing of Various Streets

INTRODUCTION: The purpose of this item is to consider bids and award a contract for the resurfacing of selected streets within the Town.

BACKGROUND: A critical success factor from the Town’s Strategic Plan is “Advancing a High-Quality and Well-Maintained Community.” Each year the Engineering staff examines our street network and determines our priorities within the limits of our annual resurfacing budget. This year’s contract includes the resurfacing of N Campbell Station Road from approximately 100 feet north of Kingston Pike to Old Colony Parkway, N. Campbell Station Road from Fretz Road to Ridgeland Drive, Bellfield Road from Chowning Drive to South Monticello Drive, Axton Drive from East Fox Den Drive to the cul-de-sac, Junco Lane from Finch Road to the north cul-de-sac, West Ashton Court, and East Ashton Court for a total of approximately 7.23 lane miles of roadway. This resurfacing contract also includes resurfacing the Bob Leonard Park Greenway, Vista Greenway, and Anchor Park basketball court. We received three bids for Contract 2024-05 on April 23:

APAC-Atlantic, Inc. -	\$ 1,140,171.18
Duracap Asphalt Co., Inc. -	\$ 1,213,095.61
PRI of East Tn. Inc.	\$ 1,378,697.82

The bid tabulations are attached for your review. APAC-Atlantic has been awarded our resurfacing contract in the past, and we were pleased with their performance.

The improvements include updating all locations with new, higher reliability flashers and signs, as well as the addition of overhead flashing signals on Campbell Station Road for southbound Campbell Station traffic passing through the Farragut Primary school zone. The contract completion date is on or before January 1, 2025. We received two bids on 5/7/2024. Progression Electric, LLC bid \$138,917.60 and Davis H. REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Mark Shipley, Community Development Director

SUBJECT: Request for approval of the Great Farragut Sidewalk Sale Event (Shop Farragut, Applicant)

INTRODUCTION AND BACKGROUND: This agenda item involves a request for approval for the Great Farragut Sidewalk Sale Event that is proposed during the Tennessee Tax-Free Weekend from July 26-28.

DISCUSSION: This will be a Town-wide event sponsored by the Shop Farragut program. The intent is to promote Town businesses during the Tennessee Tax-Free Weekend. As outlined in the application included in the packet, the event would allow businesses to move merchandise outside, put up outdoor displays, and operate under relaxed temporary signage and outdoor display regulations.

Applicants will be responsible for adhering to the Town’s temporary sign requirements. Should a participating shopping center wish to have one temporary sign for the event, then the applicant is proposing to waive any permit fee. Individual businesses that desire to have a temporary sign will be subject to the application fee and the sign will be counted as one of their four temporary signs permitted per year. In all cases, the temporary signs will be required to comply with the Town’s requirements for temporary signs related to material, size, and placement.

RECOMMENDATION: Along with the event application, included in the packet are copies of the Business Registration Form, Signage Guidelines, and an Instructions and Agreement Form which establishes parameters for the event, mainly related to safety and accessibility. The event will be monitored and supervised by the Shop Farragut Program.

Steve Krempasky with Shop Farragut will be present to review the event and answer questions. The staff is recommending approval of the event.
