The Board also seeks public comment on regular agenda items during the portion of the meeting devoted to discussion and consideration of the specific agenda item.

The Mayor may recognize individuals for public comment during both the regular agenda and Citizen Forum portions of the meeting based on the following guidelines.

1. The Mayor shall maintain and control the meeting to provide a professional and objective environment conducive to presentation and discussion of the agenda items;

Time for public comment may be amended at the discretion of the Mayor; provided that when additional time is allowed, speakers with differing points of view are allowed the same amount of time if requested. Time is not transferable to other speakers;
5. Speakers should strive to avoid redundancy; different considerations than expressed by previous speakers on a subject are encouraged;
6. Comments that threaten violence or imminent physical harm toward any individual will not be tolerated.
7. Comments may support or oppose issues or measures;
8. Personal attacks on the character of individuals who hold different points of view that have no relationship to the merits of the matter or issue raised for discussion will not be tolerated.
9. An applicant, and/or their representative(s), for an item on the regular agenda shall be afforded the time necessary to present their request and respond to questions. The three (3) minute limitation shall not apply. However, the Mayor may ask an applicant to stay on point in order to facilitate the efficiency of the meeting.
