REPORT TO THE BOARD OF MAYOR AND ALDERMEN**PREPARED BY:** Darryl W. Smith, PE**SUBJECT:** Approval of Amendment 2 to Professional Services Agreement with Ross Fowler for Bidding and Construction Services for McFee Park Phase 4

INTRODUCTION: The purpose of this item is the approval of an amendment to adjust fees for professional services related to McFee Park Phase 4, the permeable paver parking facilities at McFee Park.

BACKGROUND: The Board of Mayor and Aldermen approved a professional services agreement with Ross Fowler for design and construction services for the project on November 11, 2021, with a total fee of \$138,750. This fee was calculated as 9.25% of the estimated construction cost (\$1,500,000). Services during the bidding phase of the project were further broken out as 5% of the overall fee ($0.05 \times 0.0925 \times \$1,500,000 = \$6,937.50$), while construction services were broken out as 25% of the overall fee ($0.25 \times 0.0925 \times \$1,500,000 = \$34,687.50$). The actual bid on the project was \$2,674,000, partially due to an increase in complexity of the project, as well as inflation since the original fee was approved. Ross Fowler's contract requires that we base the fees for the bidding phase and construction phase services on the actual bid price, which increases these fees to \$12,367.25 and \$61,836.25, respectively. Please note that compensation paid in previous progress payments is not adjusted based upon this new construction cost. The total fee increase is $\$12,367.25 + \$61,836.25 - \$6,937.50 - \$34,687.50 = \$32,578.50$.
