Re: Pricing Options for Pickleball Complex at MBLP

David,

As you know, the Pickleball Complex is included in the FY25 CIP Budget for \$1.45 million. The design meetings are underway. Ross/Fowler presented designs based on our initial conversations at a meeting with our team in August. When they presented these original designs (**Option 1 below**), our internal committee (Blake, Bud, Ryan, Drew, and I) asked them to add some amenities that have been requested by the Pickleball players. The most significant is their request to have as many Pickleball courts as possible in our allocated footprint at MBLP. Other amenities included shade structures, fencing in between courts, and seating.

Ross/Fowler quickly sent us an 8-court design with these new amenities (**Option 2 below**). They also began working on the 12-court design, which was a bit more complex due to the additional square footage.

At a second design update meeting, Ross/Fowler presented some potential challenges to the committee, which are having an impact on the design and budget.

The new 12-court design with the 25-stall parking lot, exceeds 1 acre of land, which requires the Town to include storm water mitigation. As you would guess, this significantly increases the potential cost of the complex due to either digging a retention pond or adding brick pavers to the parking lot. Both are very similar in cost. This 12-court design with all of the amenities (**Option 3 below**) exceeds our CIP budget by \$522,000.

I requested Ross/Fowler to provide us with some design options for the board to consider. So you know, one of the designs (**Option 4 below**) eliminates the parking lot except for 2 ADA parking spots, but keeps the 12-courts.

On the following pages you will see the four options for the Pickleball Complex.

Please let me know your thoughts on next steps.

SUBJECT: Resolution R-2024-10, authorizing the Town to participate in the Public Entity Partners Property Conservation Matching Grant Program.

INTRODUCTION: The Town’s property insurance coverage provider, Public Entity Partners, offers an annual matching grant for security equipment and devices. The objective of the grant program is to help members purchase items designed to protect insured property from damage and loss.

DISCUSSION: Proper security equipment can help prevent harm to Town employees and citizens, protect Town property from damage, and may assist the Town in the recovery of stolen property or monetary reimbursement from an at-fault party for damages. Security cameras will help prevent and record vandalism, theft, damage, and general misconduct on Town owned property. Additionally, cameras and equipment will act as a deterrent to such conduct, assist the Town in pursuing legal action when merited, and help protect the Town from false claims of wrongdoing or negligence.

If awarded the Property Conservation Matching Grant, Public Entity Partners will match what the Town spends on approved items to help protect insured property from damage or loss, with the maximum reimbursement amount based on a Property Coverage Classification Matrix as determined by Public Entity Partners. The grant requires the attached Resolution be passed by the governing body to authorize participation in the grant program.

FINANCIAL SECTION: Funding is already included in the approved FY2024-2025 budget. Reimbursement of up to \$4,000 will be requested.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Anissa Pratte, Staff Accountant

SUBJECT: Resolution R-2024-15 authorizing the Town to participate in the Public Entity Partners “James L. Richardson Driver Safety” Matching Grant Program.

INTRODUCTION: The Town’s insurance coverage provider, Public Entity Partners, offers an annual matching grant for training or equipment purchases related to driver safety. The objective of the grant program is to help members address training needs and safety concerns for employees that operate Town vehicles and purchase items designed to reduce automobile liability claims. The grant is a 50/50 matching grant for training and driver safety related purchases and 100% reimbursement for Motor Vehicle Record checks.

BACKGROUND: A Motor Vehicle Record (MVR) check is performed on every Town employee who is authorized to drive Town vehicles to complete their daily job duties or to attend training events and conferences. The MVR check provides information on the employee’s driving history so that the Town can determine if these employees are eligible to drive Town vehicles.

The MVR check provides information such as, but not limited to, moving violations, violations involving drugs or alcohol, reckless driving violations, a suspended or revoked license, an at-fault accident resulting in serious injury or fatality, or if the employee left the scene of an accident.

In addition to MVR checks, the Town plans to purchase replacement items for a driving course and training materials for driver safety.

DISCUSSION: Proper training and equipment can help protect Town staff and vehicles by encouraging safer driving habits and reduce the number of automobile liability claims. Employee involved accidents may result in lost time from work, reduced efficiency, and increase the Town’s insurance premium.

If awarded the Driver Safety Matching Grant, Public Entity Partners will match what the Town spends on approved training or equipment purchases related to driver safety with the maximum reimbursement amount based on a Priority Classification Matrix as determined by Public Entity Partners. The grant requires that the attached Resolution be passed by the governing body to authorize participation in the grant program.

FINANCIAL SECTION: Funding is already included in the approved FY2024-2025 budget. Reimbursement of up to \$1,000 will be requested.

SUBJECT: Resolution R-2024-16 authorizing the town to participate in the Public Entity Partners Cyber Security Matching Grant Program.

INTRODUCTION: The Town’s insurance coverage provider, Public Entity Partners, offers a matching grant for purchases related to cyber security. The objective of the grant program is to help members with purchases related to cyber security tools, training, and services to help protect from ransomware and social engineering attacks and allow members to increase their ability to qualify for Cyber Security Insurance coverage.

DISCUSSION: Proper employee training can help employees recognize fraudulent emails, emails with dangerous links, and potential social engineering tactics. In addition to training, implementing safeguards and services such as multi-factor authentication to access emails and computers, endpoint detection and response to monitor devices for suspicious activity and threats, maintaining proper data backup procedures, and creating an incident response plan will help protect the Town in the event of an attempted cyber security breach and will aid in the recovery process in the event of a successful cyber security breach.

If awarded the Cyber Security Matching Grant, Public Entity Partners will match what the Town spends on approved purchases related to cyber security with the maximum reimbursement amount based on a Priority Classification Matrix as determined by Public Entity Partners. IF YOU WRITE, ATTACH THE
STUB AT THE END OF THIS NOTICE.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 99-4874270. This EIN will identify your entity, accounts, tax returns, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

Taxpayers request an EIN for business and tax purposes. Some taxpayers receive CP575 notices when another person has stolen their identity and are operating using their information. If you did **not** apply for this EIN, please contact us at the phone number or address listed on the top of this notice.

When filing tax documents, making payments, or replying to any related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

When you submitted your application for an EIN, you checked the box indicating you are a non-profit organization. Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax-Exempt Status for Your organization, has details on the application process, as well as information on returns you may need to file. To apply for recognition of tax-exempt status, organizations must complete an application on one of the following forms: Form 1023, Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code; Form 1023-EZ, Streamlined Application for Recognition of Exemption Under Section 501(c)(3) of the Internal Revenue Code; Form 1024, Application for Recognition Under Section 501(a); or Form 1024-A, Application for Recognition of Exemption Under Section 501(c)(4) of the Internal Revenue Code.

Nearly all organizations claiming tax-exempt status must file a Form 990-series annual information return (Form 990, 990-EZ, or 990-PF) or notice (Form 990-N) beginning with the year they legally form, even if they have not yet applied for or received recognition of tax-exempt status.

If you become tax-exempt, you will lose tax-exempt status if you fail to file a required return or notice for three consecutive years, unless a filing exception applies to you (search www.irs.gov for Annual Exempt Organization Return: Who Must File). We start calculating this three-year period from the tax year we assigned the EIN to you. If that first tax year isn't a full twelve months, you're still responsible for submitting a return for that year. If you didn't legally form in the same tax year in which you obtained your EIN, contact us at the phone number or address listed at the top of this letter. For the most current information on your filing requirements and other important information, visit www.irs.gov/charities.

IMPORTANT REMINDERS:

- * Keep a copy of this notice in your permanent records. This notice is issued only one time and the IRS will not be able to generate a duplicate copy for you. You may give a copy of this document to anyone asking for proof of your EIN.
- * Use this EIN and your name exactly as they appear at the top of this notice on all your federal tax forms.
- * Refer to this EIN on your tax-related correspondence and documents.
- * Provide future officers of your organization with a copy of this notice.

Your name control associated with this EIN is FARR. You will need to provide this information along with your EIN, if you file your returns electronically.

Safeguard your EIN by referring to Publication 4557, Safeguarding Taxpayer Data: A Guide for Your Business.

You can get any of the forms or publications mentioned in this letter by visiting our website at www.irs.gov/forms-pubs or by calling 800-TAX-FORM (800-829-3676).

If you have questions about your EIN, you can contact us at the phone number or address listed at the top of this notice. If you write, please tear off the stub at the bottom of this notice and include it with your letter.

Thank you for your cooperation.

Keep this part for your records.

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Hi, Jerry. Per our last conversation, I have reached out to Roger, the GM at Fresh Market, and gotten his sign off on the parade route you and I discussed. Please find attached his signature on the parade map as well as a sign off document. He said you are welcome to call him with any questions, but he is happy for the community event's new location.

We will be meeting with the town of Farragut soon for approval and so I was wondering if you would mind to shoot me an email giving us permission for using the White Realty parking lot location as shown on the attached map.

Thank you so much for all of your assistance.

Sincerely,
