The meeting was called to order at 11:30 AM by Sue-Ann. The March minutes were distributed to the members. Mayor Williams moved the minutes be approved and Joyce seconded the motion. Motion carried.

Ron showed a map of the Pleasant Forest Cemetery Living History event. He and Rachel will go this week to do a walk through with the map and finalize it. Farragut High School has assigned actors for most roles and parks and recreation will fill in the remaining roles. The signage and restrooms have been arraigned along with police and public works to assist with directing traffic. Volunteers for the Living History event will arrive at the community center with all staff, actors and volunteers eating box lunches from Publix at 12pm then leaving on the bus transport at 1pm. Volunteers will wear green lanyards with their names. The community will begin to arrive at Pleasant Forest at 1:30pm.

The committee then discussed potential summer activities but decided to take the summer to focus on planning for the fall events as well as assisting the museum committee with the Independence Day parade and float.

Finally, a reminder was given for all members of the committee to submit their applications and to reach out to other potential members about joining this worthwhile cause.

A motion was made at 11:54 AM by Bill to adjourn the meeting and seconded by the Mayor.

Respectfully submitted,
Dora Taggart
Secretary
