

Farragut Parks and Athletics Council

Tuesday June 4, 2013 Meeting Minutes

Present – Ron Pinchok, Russell Barber, Maria Danker, Pat Sloan, Jay Smelser

1. The committee reviewed and approved minutes from the January 15 and March 26 meetings.
2. Jay said the town had received approval to proceed with renovation of MBLP multi-purpose field #2. The town plans to advertise in June and receive bids between June 17 and July 2. The selected package will be sent to the state for approval and then, if the state approves, to the BOA on July 11 for final approval. If all goes according to schedule, construction will take place between August 1 and October 31. Target date to start using the fields is November 1.
3. Ron asked Jay for feedback concerning recommendations by the committee related to the goals discussed in the last meeting. Jay will check and report back in the next meeting.
4. Ron Pinchok and Maria Danker said they would be available to help at the Fishing Rodeo June 8.
5. Jay reviewed the schedule for field use at MBLP, McFee, and Anchor parks between August 1 and October 31. Some conflicts exist at Anchor Park and MBLP that will need to be resolved.
6. At 7 p.m. the committee met with representatives of organizations who want to reserve the fields. The conflict on Mondays at MBLP between Union Athletics and CBFO had not been resolved yet, but Union Athletics agreed to shift their practice to the outfield of MBLP Baseball #1 on that day. The committee then unanimously approved the revised field use schedule.
