STORMWATER ADVISORY COMMITTEE

3:30 pm, Thursday, April 11, 2014

1. Members present: Jason Scott, Debbie Fraser, Violet Freudenberg, Ed Whiting, Valerie McFall, Joe Wolfe, Kristin Baksa, Gwen Slater
2. Old Business
 - A. Outdoor Classroom Project Update:
 1. Should be completed on time.
 2. Boy Scouts will build 6 planters.
 3. This is the final semester for Greenway School so they have submitted an amended proposal for interpretive art education on native plants. Ed motioned to approve revised proposal. Violet second. All voted yes.
 - B. Artistic Cistern:

We have a grant to design an artistic cistern. No response yet from FHS art teacher. Priority will be given to Farragut residents.
3. New Business

Jason asked that SAC members be responsible for rain garden installation for the outdoor classroom. Additional volunteer support will be necessary. Project should begin in September. Jason and Gwen attended a rain garden class which will help tremendously.

The Annual Report is just around the corner.

Americorp is currently recruiting.

Adopt A Stream may become more of a 1-time targeted cleanup event to minimize the long-term commitment and training requirements.

Still have bushes (Button and Beauty Berry) and Black Gum trees to give away.
4. The next meeting will be held Thursday 5/8/14 at 3:30.
5. Meeting was adjourned at 4:40 pm.
