3. Goals were discussed. We will participate in Freaky Friday activities and continue our traditional Holiday Decorating at the Town Hall along with our "Celebrate the Season" Holiday Event. Beautification Awards will be determined in the spring, with the possible addition of a new category. We will continue to sponsor decorating/gardening classes with creative ideas for upcoming spring. We sponsored a class in March, which was free and brought out a big crowd to hear Lindsey Lindsey from Meadow View Garden Center. We will be looking into purchasing a new banner for the Town to be displayed after the Dogwood banner and before the 4th of July banner. We will act in an advisory capacity to any beautification project, as we have in the past. Our goals are in line with the Strategic Plans for 2016 prepared by the Mayor and Aldermen and Town Administrator. We fit under Goal 5: Expanding Leisure Activities.
