

BEAUTIFICATION COMMITTEE NOVEMBER 5, 2013

The Beautification Committee of the Town of Farragut met November 5, 2013, at the Town Hall. Those present were Marty Rodgers, Jeanie Stow, Kathy Pierre, Mabel Sumner, Marie Leonard, Betty Scott, Gerry Gennoe, Barbara Allman, Sue Stuhl, Ashley Lanham and Clare Ansink.

After wrapping Christmas packages for approximately 30 minutes, the meeting was called to order by Chairman Marty Rodgers at 10:40 am.

The minutes from the October 1, 2013 meeting, that were really brief notes taken by Kathy Pierre, were read aloud. Copies of these notes were made and distributed to the members.

1. The purchase of poinsettias for the Town Hall was discussed. Because we need to control the sizes (2 sizes needed), it would be best to get them from a nursery. Pope's, Stanley's, Meadowview and Dixie Lee were mentioned as possible sources. Our order runs about \$800. Kathy Pierre will call Dixie Lee to have them call Sue Stuhl with a price.
2. The entertainment for Celebrate the Season is all set except the guitar group. The bell choir is set for 5:30 and the Madrigals at 6:15. Cookie decorating and Santa will be in the Community Room. There will be no sandy candy this year. Cookies, brownies, punch and hot cider will be the refreshments again this year.
3. New lights for the tree in the Community Room have been purchased and they were okay'd by the Committee. There was a discussion concerning changing or adding to the teddy bear decorations in the Community Room. Jeanie Stow suggested adding some up-to-date stuffed animals such as Elmo or Sesame Street characters. After discussion it was left that the decorations would be the same as last year. The small table for the Community Room has never been located. Barbara Allman offered to bring in one of hers for us to use that night. The ribbon bows for the top of the tree in the Community Room may need replacing this year.
4. Sue Stuhl encouraged us to change or update some of the decorations as we have a budget for that purpose. She suggested we pay close attention to what we have this year and make a list of new items needed for next year.

The meeting was adjourned at 11:25 am.

Respectfully submitted,

Clare Ansink
