

BEAUTIFICATION MEETING OCTOBER 6, 2015

Present: Gerry Gennoe, Barbara Allman, Jeanie Stow , Betty Scott, Marie Leonard, Marty Rodgers, Marianne McGill, Claire Ansink, Holly Janney and Arleen Higginbotham

Minutes were read and approved from August 11th meeting.

Decorating Classes:

Betty checked with Michaels and they will charge a fee. Hobby Lobby is not willing to participate.

Marty checked with Abloom and they are willing to host a class for a material fee. Dates were discussed and the committee decided after Easter and prior to Mother's Day would be best. Marty will get back in touch with Abloom to find out what they could do other than wreaths and how much the charge would be. The committee thought a price under \$20 would be reasonable. RSVP will be necessary.

Jeannie will follow up with Brittany, whose father owns the Little Green Garden to see if they are interested in a presentation

Freaky Friday: Oct. 30th Claire and Betty have signed up so far. Arleen has the sign up sheet.

Holiday Decorating Nov. 20th

We will start at 9:00am. Our budget is \$1500 to spend on new tree. The consensus was that we should buy 3 trees at different heights rather than a poinsettia tree and use the fabric we have around the base of the trees. Betty, Claire and Marianne will help Arleen shop for the trees.

January is the last month to order the new large tree.

Dry water packets will be purchased to keep the poinsettias watered.

Jeanie thought we should have something sparkly on the trees since there are no lights. No tinsel.

Celebrate the Season

Gerri will call the Madrigals; Holly will contact the dulcimer players and Mary will contact the bell ringers and middle school about singing.

Times: Dulcimers 4:30-5:15; Bell ringers 5:15 -5:30; Middle school singers 5:30-6:00; Madrigal singers 6:15-7:00. We will all arrive at 4:00pm

Meeting adjourned at 10:55. Next meeting is Nov. 10th at 10:00am
