"We are so thankful to FWKC for their continued support in serving East TN. The Chamber serves as a partnership organization linking businesses, individuals, and resources for the benefit of our community. During the current COVID pandemic, FWKC has graciously connected us with needed support, volunteers, and resources to fight hunger in our community!"

- Michael J. Torano,
Donor Relations Coordinator, Second
Harvest Food Bank of East Tennessee

"Positive and helpful energy exudes from Julie and each Farragut West Knox Chamber representative we have met. We have appreciated working with other local businesses, we've been inspired by the educational/motivational experts they bring to us as business owners, and we have experienced tremendous encouragement and support over these last couple of months during the Covid pandemic. This Chamber is tuned in to the needs and concerns of its members and this community, and it shows!"

- Krista McGrath, Owner,
Huntington Learning Center

"Julie and all the staff and members of the FWKC have been so helpful during this Covid-19 outbreak. This has been the most challenging time for me as a small business owner since we opened Fitness Together, but the Chamber's commitment to supporting their members through "Reopening" Ribbon Cuttings, virtual networking on Zoom, and timely communication to its members providing guidance has been invaluable. Thanks to everyone at the Chamber - y'all are the best!"

- Andrew Henderson,
Owner, Fitness Together Farragut /
Hardin Valley / Northshore / Bearden

"The Farragut Chamber has provided so many benefits to me, and other businesses in West Knoxville. Especially during these unprecedented times, they've set themselves up as an important resource - from the PPP loan information & webinars, to a continually updated list of restaurants and open businesses so that others could support them. Their work enabled me the opportunity to spotlight curbside pickup at restaurants on my social media accounts in order to help drive more business to our struggling area businesses. Thank you Julie and the whole Chamber team for being such an important resource and advocate in our community!"

- Cindy Doyle,
Owner/Agent,
State Farm Insurance

The Farragut Chamber of Commerce has been terrific for our new business. I've been extremely impressed with how much useful information they have provided us during this entire Covid19 situation. Help with the PPP loans and keeping us informed about what to expect from local, state & the federal government has been invaluable. They have remained active using technology to conduct "meet & greets" via ZOOM conferencing and have been proactive in promoting local, Farragut businesses. I can't say enough about Julie and the staff at the Farragut Chamber of Commerce, as well as so many of the active members.

- Mike Maddux,
Co-Founder, President
Moonshine Mountain Cookie Company

"In these challenging times we have seen the leadership of the Farragut Chamber be a beacon of light guiding us and navigating our community through uncharted waters. The Villages of Farragut values our partnership with the Chamber now more than ever. Thank you for keeping us all connected safely."

- The Villages of Farragut

"Medi Spa at Choto has benefited from the Farragut Chamber events in so many ways that helped us stay up to date and ahead of what was happening in the business world during COVID-19. Even before Corona hit, Medi Spa at Choto has met some amazing business people through the chamber that have developed in great partnerships. During the pandemic, the chamber did an amazing job in keeping us informed constantly. From webinars, to emails with attachments for loans and frequently asked questions, to all kinds of resources. They asked their most knowledgeable members during the zoom meetings to share their insights and these were unbiased and very helpful. Thank you Farragut Chamber for looking out for us!"

- Paola Nielsen-Lensgraf,
Owner, MediSpa at Choto

"Julie and everyone at the Farragut Chamber have always been a pleasure to work with. They are constantly looking for ways to help their member businesses and the community as a whole. During this pandemic they have continually kept everyone up to date with all the rapidly changing federal, state, and local guidelines."

- Tony Binkley,
President/CEO, BBB
Serving Greater East TN

"Throughout the past two months, we heavily shifted our focus to drop-off catering. The staff at the Chamber has been so supportive by helping us promote our services to businesses that are operating during the pandemic. They helped us connect with businesses by sharing contacts and posting about our catering services on Facebook and in their e-newsletter. We really appreciate everything they do for their members."

AGENDA NUMBER V.B. MEETING DATE June 25, 2020

REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Allison Myers, Town Recorder

SUBJECT: Approval of FY2021 Committee Appointments

Please see the information at the end of the packet.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Bart Hose, Assistant Community Development Director

SUBJECT: Amendment to the Visual Resources Review Board's Charter - Proposed Membership Change

INTRODUCTION: The staff is proposing that the Board of Mayor and Aldermen amend the Visual Resources Review Board's Charter to reduce the number of at-large voting members from seven (7) to six (6) members.

BACKGROUND: The Board of Mayor and Aldermen (BOMA) last amended the charter of the Visual Resources Review Board (VRRB) in July 2019. That amendment added one (1) voting member from the Board of Mayor and Aldermen to the VRRB's overall membership and created an eight (8) voting member board.

DISCUSSION: An eight (8) voting member board creates the possibility of a tie vote. There are currently two at-large voting members who no longer plan to serve on the board and only one potential applicant to replace them. This presents the BOMA with an opportunity to reestablish the VRRB as a seven (7) member board without having to eliminate an active member's position. The staff has prepared a revised Visual Resources Review Board Charter to make the proposed change in membership (see attached). If approved, the revised charter would set the VRRB's membership at six (6) at-large voting members and one (1) voting member from the BOMA.

RECOMMENDATION BY: The staff recommends approval of the proposed membership change and revised Visual Resources Review Board Charter.

PROPOSED MOTION: To approve the amended Visual Resources Review Board Charter as presented.

Visual Resources Review Board (VRRB)

Charter

The Farragut Visual Resources Review Board is to advise and assist the Town of Farragut (Town), its citizens, and its staff in promoting the beauty and attractiveness of the community. The Board will serve as an advocate for aesthetic-related goals in the Town's decision-making process and will provide guidance and support in implementing actions that promote the beautification of the Farragut community.

The Board shall:

Make recommendations regarding signs, landscape plans, and proposed ordinance modifications which would relate to community beautification;

Recommend annual and long-range Town goals which promote the beautification of the community;

Consult with staff and the community on issues related to community beautification; and

Recommend measures which would encourage a greater commitment to and appreciation of the Town's interest in high quality, aesthetically pleasing developments.

The Board will consist of ~~seven-six~~ (76) at large voting members and one (1) voting member from the Farragut Board of Mayor and Aldermen. All members will be appointed by the Board of Mayor and Aldermen and are appointed to a two-year term and may be re-appointed. The voting membership will be comprised of three officers: the chairman, vice-chairman, and secretary. Election of officers will be conducted at the annual meeting in August. Additionally, the Visual Resources Review Board may appoint one (1) non-voting youth member by majority vote of its voting membership. The non-voting youth member's term may be for one calendar year or less depending on the youth member's availability. The non-voting youth member may be removed from the Visual Resources Review Board at any time by majority vote of its voting membership.

Meetings of the Board will be held monthly and minutes are to be provided to the Farragut Board of Mayor and Aldermen. At least four (4) voting members of the VRRB shall constitute a quorum.

Voting members serve at the pleasure of the Board of Mayor and Aldermen and are expected to attend scheduled meetings. The term of any voting member shall expire on the third absence from the scheduled meetings during the fiscal year. Voting members may seek reappointment by the Board of Mayor and Aldermen.

The Town staff will support the Board by providing information, attending meetings, and helping facilitate Board-sponsored objectives.

This charter was approved by the Farragut Board of Mayor and Aldermen on ~~July~~ June 25, ~~2019~~2020.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN**PREPARED BY:** Mark Shipley, Community Development Director**SUBJECT:** Ordinance 20-06, an ordinance on second reading to amend Appendix A – Zoning, Chapter 2. – Definitions, to define Art and Fitness Studio, and Chapter 3. – Specific District Regulations, Section XVII. – Office District (O-1), to modify permitted uses (Matthew McClanahan, Applicant)**INTRODUCTION AND BACKGROUND:** This item involves a request to amend the permitted uses section of the Office Zoning District (O-1). The original request by the applicant was very broad but, based on input received during Planning Commission discussions, was scaled back to ensure consistency with the general description and intent of the Office District.**DISCUSSION:** The Office District provides for services primarily to residents of the Town with an emphasis on those uses that would appropriately transition to an abutting residential area by minimizing any adverse impacts. Consequently, by applying this language to the applicant's request and referring to some of the typical uses permitted in general office zoning districts in other communities, staff presented Ordinance 20-06 to the Planning Commission for their action on May 21. As proposed, Ordinance 20-06 provided for the following uses to be added to the O-1 District since they would appear to be consistent with the general description and intent of the O-1 District:

1. Barber Shop/Beautician/Hair Salon, and
2. Art and Fitness Studio, provided the building space and/or tenant space shall not exceed 1,500 gross square feet

For clarity purposes, staff also proposed in Ordinance 20-06 to add a definition in Chapter 2 for an "Art and fitness studio." The definition proposed is very similar to the City of Knoxville's and this is a permitted use in their general office zoning district. In addition to the proposed new uses in O-1, staff recommended in Ordinance 20-06 that "Mortuary establishments" be removed as a permitted use in O-1. These uses require a significant amount of parking and would appear to conflict with the intent of the O-1 District.

RECOMMENDATION: Included in your packet is Ordinance 20-06. At their meeting on May 21, the Planning Commission unanimously recommended approval of Ordinance 20-06. At the June 11, 2020 meeting, the Board of Mayor and Alderman voted unanimously to approve Ordinance 20-06 on first reading. Community Development Director Mark Shipley recommends approval of Ordinance 20-06 on second reading.**PROPOSED MOTION:** To approve Ordinance 20-06 on second reading.**BOARD ACTION:****MOTION BY:** _____ **SECONDED BY:** _____

To: Farragut Board of Mayor and Aldermen:

After discharge from the military service (U.S. Air Force), I began work for the East Tennessee Development District as a Regional Planner. In that capacity I was actively involved in the daily operation of local governments in the fourteen county ETDD area. This involved a wide range of local issues from grant writing to attending town council and county court meetings. This was my introduction to the nuts and bolts of how governments really operate.

After receiving my MBA from U-T, I worked for Phillips Petroleum for seven years. Rita and I then started an odyssey for the next fifteen years living in places as large as Houston, Texas and as small as Williamsburg, Kentucky, (not Virginia !).

Most of my experience was in Human Resources, Labor Relations and Marketing. Some environments were adversarial, but most were at least congenial. All this taught me that there are least two sides to every story – usually more. Each side deserves to present its case to a fair and impartial audience without any pre-conceived decisions.

This means that I am very familiar with and have been successful in the type of environment that the BZA operates in. I know that Farragut is very mindful of maintaining positive working relationships with a variety of constituencies. I can assure you that I will put forth best efforts to maintain those relationships.

Now that I am “mostly” retired I finally have the time to get more involved in my community. I was very interested when Mayor Magill wanted to form an Economic Development Committee and applied immediately. I served as Chairman of the EDC for four terms, but was eventually term-limited off the committee. So . . . I am now looking for another way to contribute and ask for your favorable consideration of my request to join the BZA.

Respectfully,

 5/15/20
Jim Holladay

Hi Pam,

Sorry I hit submit and realized I didn't answer the question about why I wanted to serve on a committee.

I would like to serve on the committee because I understand the value that athletics and recreation have within a community. Growing up my dad used to umpire adult softball games and I would be the score keeper, it taught me many lessons and also showed me how important sports were to a community. My family and I have lived in Farragut for the better part of 6 years, we love the Town and all that it has to offer. I would be honored to serve the community on this voluntary capacity.

Thanks,
Mark

Please use the "second" submission you received from me. I apologize for any inconvenience or confusion.

I look forward to hearing from you and hopefully serving our community! Thanks for your help.

Are you a graduate of the Introduction to Farragut Program?	No
Why would you like to serve on a Town of Farragut Committee	As a 39-year-old small business owner (Graham & Cook Insurance) in my hometown of Farragut, I would be honored to serve our community alongside the Board of Mayor and Alderman in this capacity. Over the last 20+ years of my life, I have served in various roles as youth sports coach (Farragut High School boys' soccer for 7 years), club/rec soccer, basketball, and football. During my college years at the University of Tennessee and thereafter, I was a Young Life Leader (3 years at Powell and 4 years Farragut High). In 2001, I was honored to accept the role as Fellowship of Christian Athletes "Huddle Speaker" at Farragut Middle School where 19 years later I lead the Bible study on Tuesday mornings during the school year. As a Territory Manager with Infinity and Safeco Insurance for 13 years, I led teams and managed a \$60M territory of insurance agencies while coordinating marketing and profit initiatives. After a successful career working for insurance companies, in 2017 I transitioned into ownership of Graham & Cook Insurance. "G&C" is a 60-year-old insurance agency with roots in Lenoir City. The agency opened a second location in Farragut in 1992. For the last 28 years Graham & Cook has served the Town of Farragut and grown exponentially. We recently moved into a new office building and as Farragut continues to grow and prosper, we aspire to support our community by any means necessary. We have a knowledgeable staff of 9 people and making plans to add agents and acquire additional agencies. With an office in Farragut and Lenoir City, we have a solid customer base in both communities, and we are blessed with client retention that exceeds the industry standard. Because of our talented staff, we have experienced significant growth and success since our acquisition. In every capacity of my life, I have thrived when working in small or large groups toward a common goal of the

organization. As a man of faith and Christ follower, I do my best to consider the interest of others more highly than myself, whether in my personal life, business interactions, or as an example for my children. The Town of Farragut is my home, where my wife Melissa and I are raising our 3 children, currently 11 ½, 10, and 8 years old. My wife is the School Counselor at Farragut Primary School. We love our Town and I am eager to participate in the growth and development of the best and most beautiful community in America. Again, it would be an honor to serve on a board or committee with other Town of Farragut residents. Thank you for your consideration.
