It is the policy of the Town of Farragut not to discriminate on the basis of race, color, natural origin, gender, gender identity, sexual orientation, age, religion, disability or veteran status pursuant to Title VI of the Civil Rights Act of 1964, Public Law 93-112 and 101-336 in its hiring, employment practices and programs. To request accommodations due to disabilities, please call 865-966-7057 in advance of the meeting

The Board of Mayor and Aldermen welcomes and invites Farragut residents to participate in public meetings.

At the end of each business meeting, there will be time reserved for public comment under the Citizen Forum agenda item. If you are interested in speaking, please fill out a blue comment card and turn it in to the Town Recorder or staff member. This time is set aside specifically for comments on items that are not on the Board of Mayor and Aldermen regular agenda for the meeting. Each speaker will be given five (5) minutes to speak on his/her topic.

During the regular agenda portion of the meeting there may be an allowance for public comment for each agenda item. The Mayor may recognize individuals for public comment based on the following guidelines.

1. The Mayor shall maintain and control the meeting to provide a professional and objective environment;
2. Any Farragut resident interested in speaking should fill out a blue comment card stating which agenda item they would like to comment on and turn in to the Town Recorder or a staff member;
3. Speakers shall come to the podium and identify themselves by name and street address;
4. Public comment shall be limited to five (5) minutes per individual. Time for public comment may be amended at the discretion of the Mayor. Time is not transferable to other speakers;
5. Speakers should strive to avoid redundancy; each speaker should have their own original viewpoint;
6. Comments shall address issues, not individuals or personalities;
7. Comments may support or oppose issues or measures, but the motives of those with differing views shall not be questioned or attacked;
8. Personal attacks and malicious comments shall not be tolerated;
9. An applicant, and/or their representative(s), for an item on the regular agenda shall be afforded the time necessary to present their request and respond to questions. The five (5) minute limitation shall not apply. However, the Mayor may ask an applicant to stay on point in order to facilitate the efficiency of the meeting.

Each speaker will be asked if they can agree to abide by the Comment Protocol. If so, please be prepared to speak when your name is called.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Sue Stuhl, Parks & Recreation Director

SUBJECT: Workshop on the proposed Action Plan for the Farragut Parks and Recreation Master Plan 2022-2032

ATTACHMENTS:

- Update of 2016 Parks & Leisure Services Master Plan
- Focus Group Questions & Answers
- Intercept Survey Results
- Insider Survey Results
- Citizen Survey Results
- Prioritized Survey Results (for Insider & Citizen Surveys)
- 2022-2032 Parks and Recreation Master Plan – Draft Action Plan (P & A Council)
- 2022-2032 Parks and Recreation Master Plan – Staff Recommendations
- Outline for Master Plan Document

BACKGROUND: The Town of Farragut Parks and Recreation staff began the master plan process in early 2021 by developing background documents for focus groups members and the 2022 Farragut Parks & Recreation Master Plan Steering Committee (Parks & Athletics Council). One of those documents included the update of the last Parks & Recreation Master Plan in 2016 which was a five-year update to the original 2012-13 Plan. Once the council had all the necessary background information, the process continued with general citizen/public involvement which began in early April and continued through early December of 2021. This involvement included the following:

- **Focus Groups:** Four focus groups met in person between April 27 and May 18 of 2021. These four groups involved 30 people and represented members from four of the Town's advisory committees including the Arts & Beautification Committee, Farragut Museum Committee, Tourist and Visitor Advisory Committee and the Parks & Athletics Council (who also served as the steering committee as previously noted). The focus groups, led by Town staff, participated in a SWAT analysis.
- **Insider Survey:** Using the results of the focus groups, an insider survey was developed and a link emailed to a select group of participants that included Town elected officials, staff, committee members (11 advisory or policy committees) and participants in the Town's FUN (Farragut's Unsung Navy) Volunteer Program. The survey was open from June 28 through July 17 with a total of 92 completed. The participants for this survey were purposefully chosen due to their greater than average knowledge of the structure of the Town of Farragut.
- **Intercept Surveys:** A compact one-page survey was created to use at various Town events and programs in August and September. Staff and volunteers manned a table at each of these events and requested that participants complete a survey. Intercept surveys were held at the following events:
 - Fun With Farragut's Fleet - a "touch a truck" event aimed at pre-school age. 136 surveys were completed
 - Sand Volleyball Tournament - an adult coed volleyball league. 19 surveys were completed over a two-night tournament.
 - ArtFest - a child-oriented event with a variety of hands-on art activities. 55 surveys were completed.
- **Citizen Survey:** A modified version of the insider survey, 816 households completed the survey between Aug. 18 and Sept. 13. Links to the survey were advertised in articles in the local press, on a vast

network of social media (including both Town of Farragut and Farragut Parks & Recreation sites), on NextDoor, on the Farragut Parks & Recreation website, via the Farragut/West Knox Chamber of Commerce and the Farragut Business Alliance and through direct and forwarded emails from committee members, local athletic clubs, community center members, staff and elected officials.

- **Public Hearings:** Four in-person public hearings were on November 16 and Dec. 8 (a morning and evening meeting on each date) with 25 people attending. Participants were asked to vote for their favorite projects and initiatives using colored dotes. Projects and initiatives were identified by the Steering Committee using all research from the background documents and results of the focus groups and surveys.

DISCUSSION: Throughout the latter half of 2021, the Steering Committee met on a monthly basis to review background documents and results of the various pieces of public involvement. In October, a list a projects and initiatives were developed which was then refined at the November meeting. In December, after the public hearings, the committee prioritized the projects and initiatives into short-term, mid-term and long-term recommendations. Attached is the draft master plan as approved unanimously by the Steering Committee (Parks & Athletics Council). Also attached are staff recommendations for project timelines that factor in staff workload and budget constraints.

Once staff has received direction from the Board of Mayor and Aldermen, work will continue on the actual master plan document. It is expected that the completed document will be ready for approval at one of their regularly stated meetings in March. Attached is the outline for the master plan.

STRATEGIC PLAN: Providing Excellent Parks, Recreation, Cultural Amenities and Programs; Enhancing the Town's Financial Position; Supporting and Caring for a Committee Workforce

Status of the 2016 Farragut Parks and Leisure Services Master Plan

August 2021

Near Term (2013-2017)

Strategic Plan Goal 1: Maintain Financially Sound Town Providing Excellent Services

1. Responsible Use of Debt

- a. Conduct a feasibility study regarding the funding of construction and the continued cost of operations for a community center. **The Farragut Community Center opened in 2020 in the old Faith Lutheran Church on Jamestowne Blvd. This was possible through a partnership with Knox County – the West Knox County Senior Center is located on the first floor of the building. Knox County paid for the majority of renovations in lieu of rent for 20 years and shares outside maintenance and some inside maintenance costs.**

2. Adequate Revenues

- a. Update fee comparisons with other local governments and make recommendations on a yearly basis. **Completed annually.**
- b. Continue to apply for all appropriate grants and include required matches in the annual budget. **Since 2013, the Town has received \$1,618,000 in grant funds.**
- c. Renovate the Museum gift shop to provide better flow and display areas. **Museum was renovated to allow for a circular flow (separate entrance and exit) and more exhibit area.**

3. High Customer Satisfaction Rating

- a. Continue participant evaluations in programs and athletics and use the results to adjust delivery system. **Ongoing as staff time allows.**
- b. Formulate an evaluation method for special events; and, continue evaluations for special events and use results to adjust the delivery system. **Ongoing as needed/staff time allows.**

- c. Continue to participate in the "Intro To Farragut" program by providing information about the history of the Town and the PALS department.

Completed annually.

4. Reliable Delivery of Town Services

- a. Continue PALS staff training in customer service, first aid and best practices in parks and recreation. Completed annually as budget allows.
- b. Continue requirement for specified PALS staff to be certified as a park and recreation professional and a playground safety inspector. Four staff are certified as park and recreation professionals and one staff is certified as a playground safety inspector.
- c. Continue to coordinate and research opportunities to expand the FUN Volunteer Program to supplement the work of paid staff. Except for 2020/21 (Covid), the FUN Volunteer Program has continued to expand.
- d. Begin an online program (using a third party vendor if necessary) for facility rentals and event, program and athletics registration. Town now has an online registration program that is used for facility rentals, classes, programs and events.

5. Well Planned and Maintained Town Facilities

- a. Evaluate the current staffing levels of the PALS and parks division of the Public Works Department, including part time seasonal workers. PARD has added four full-time staff: Park Operator, Community Center Operator, Lead Park Assistant and one permanent part-time staff: Tourism Coordinator.
- b. Expand use of seasonal staff to meet an expanded schedule for the artificial turf athletic field. Part-time staff now work 7 days a week, up to 16 hours a day and 364 days per year.
- c. Reconstruct McFee Park splash pad. Replaced with one of the largest splashpads in East Tennessee.
- d. Reconstruct Mayor Bob Leonard Park (MBLP) playground and surface. New playground was installed.
- e. Install an artificial turf field in the location of rectangular field #2 at MBLP. Three natural turf fields at MBLP have been converted to synthetic turf fields.
- f. Replace MBLP and Anchor Park softball fencing. MBLP softball (upper & lower) fencing and the backstop at Anchor softball has been replaced.

- g. Replace current overflow grass parking area at McFee Park with a permeable grid and grass system. A grass parking area (without permeable grid) was added with the addition of parking but has not been able to be used due to water issues.
- h. Make yearly progress in updating or renovating current facilities and programs according to ADA regulations. An ADA assessment was completed for all PARD facilities and many updates have been made including a renovation upper restroom at MBLP, player access on MBLP Field #3, new construction of Anchor Park restroom/storage; spectator and player access to diamond and rectangular fields at Anchor Park.

Strategic Plan Goal 2: Strengthen the Local Economy

1. Increase Number of Visitors To Farragut; Also "Heads in Beds"

- a. Partner with Visit Knoxville to promote the Town of Farragut as a venue for regional athletic events and heritage tourism. These initiatives are ongoing in the new tourism program. A rebate program for field rentals in exchange for a set number of hotel nights has been approved by BMA.
- a. Utilizing the current trend in heritage tourism, continue to advertise the Farragut Folklife Museum and, in particular, the Farragut Collection and Plaza in local, regional and national publications and online listings. A new expanded tourism website with analytics will be promoted in September 2021.
- b. Investigate possibilities of a beautification program at the Campbell Station Road/Interstate 40 interchange as a gateway to the Town. Completed by Public Works.
- c. Expand use of social media to include as many free sources as possible. Expanded public relations efforts include expanded social media and two new websites: Parks and Recreation and Visit Farragut.

2. Keep Sales Tax Local

- a. Hire a consultant to formulate a branding program/tourism plan for the Town of Farragut. This would possibly include work with Town committees, focus groups and other methods of citizen input. The Town rebranded with a new logo and plan; began a tourism program and hired a coordinator who implemented a number of strategies and a tourism website and appointed a Tourism/Visitor Advisory Committee.

- b. Fund and implement the branding program formulated by the consultant. The Board of Mayor and Aldermen passed a hotel/motel tax with collections started in September 2020. This tax is what funds the tourism budget.
- c. Continue to partner with the Farragut Business Alliance (FBA) in the promotion of the Shop Farragut program. All sections of Parks and Recreation including tourism, public relations and tourism work with Shop Farragut.
- d. Update the Town's website with Farragut business information. This project has been moved to Administration and is handled by the business liaison.

Strategic Plan Goal 3: Develop the Town's Historic Assets

1. Expand Areas for Museum Displays

- a. Continue rotation of the changing exhibit area (Bill Dunlap Gallery) three times per year to encourage repeat visitors. Special exhibits are held at least twice per year with an additional holiday exhibit for late November/December. In addition the Museum has hosted a Smithsonian traveling exhibit and will be hosting a state traveling exhibit in the fall of 2021.
- b. Continue rotation every 12 – 18 months of vignette display. The vignette has been updated twice according to the special exhibit calendar and visiting tour group schedules.

2. Preserve Russell House

- a. Finalize research and decide the Town's involvement with the Campbell Station Inn. The Inn and surrounding property was purchased by the Town of Farragut.
- b. If purchased, make a decision regarding the permanent location of the Campbell Station Inn. The Inn was not moved.
- c. If purchased, engage in any grant opportunities for the preservation of the Campbell Station Inn. Research has continued for grants but the final use of the actual Inn has not been determined. A small grant was obtained for interpretive signage around the plaza.
- d. If purchased, hire a consultant to work with an appointed committee to produce plans for the renovation of the Campbell Station Inn. The outside

or the inn was renovated, asbestos removed and inside stabilization has been completed. Inside renovation will occur when final plans for the use of the Inn have been decided. The land surrounding the Inn has been transformed into a beautiful plaza with lawns, walkways, signage, restroom and parking that can be used for special events, enjoying nature or a rental.

3. Develop a Reputation as a Historic Destination

- a. Working with brand/tourism consultant, identify strengths in the Farragut community to promote heritage tourism. In addition to adding interpretive signage regarding the history of the area at Founders Park and addition of interpretive signage at Campbell Station Inn/Plaza, a new history trail has been established that includes stops at Founders Park, Campbell Station Inn/Plaza, Farragut Museum, Farragut Memorial Plaza/Civil War Site and Pleasant Forest Cemetery. The Museum was rebranded to take advantage of Admiral Farragut's name/history.
- b. Produce a publication listing the location and details of the historic places in Farragut and pertinent areas outside of the Town limits, such as Concord. This information is contained in one of the historical interpretive signs at Founders Park and with the History Walk Map.
- c. Continue to advertise the Farragut Folklife Museum and, in particular, the Farragut Collection and Plaza in local, regional and national publications and online listings. Ongoing.

Strategic Plan Goal 4: Facilitate Future Growth Development and Redevelopment

1. More Beautiful Corridors and Development

- a. Continue the annual Beautification Awards program including the installation of signage at the winning sites (for approximately six months). Annual Beautification Awards are awarded and the winners have a sign.
- b. Continue the Plant A Tree program. Ongoing. An Adopt A Bench program was added for both greenway/sidewalk benches and park benches.
- c. Continue to update the park and greenway landscaping. Ongoing.
- d. Continue to plant trees each fall on Town of Farragut property and easements. Annual tree planting has occurred every year.

- e. Formulate a plan for street banner replacement (for damaged or faded banners). The Town now has 5 seasons of banners and the first set (Independence Day/Summer) has been replaced.

2. Redevelop Aged Commercial Areas

- a. Evaluate empty properties for the location of a future community center. Community center was located in an old church that had been vacant and for sale for over six years.

Strategic Plan Goal 5: Expand Leisure Amenities (Venues and Programs)

1. Expand Park Development

- a. Complete construction of phase 3 of McFee Park which includes two lighted artificial turf fields, restroom/storage building, pavilion, asphalt trail, major site work for expansion area, entrance road, parking area and pond renovation. The master plan for the enlarged McFee Park (totaling 51+ acres) was recreated. Construction of Phase 3 will be complete in fall of 2021 and includes a 5-6 acre great lawn, lighted 4 tennis/8 pickleball courts, basketball court, grand pavilion, restrooms/storage, parking, walk trails and a loop park road.
- b. Construct an additional parking area at Mayor Bob Leonard Park. Additional parking was added near the east baseball field.
- c. Construct an additional three court sand volleyball complex. Demand has slowed for sand volleyball so an additional complex is not recommended.
- d. Prepare construction plans for phase 4 of McFee Park. Phase 4 is in consideration for FY2022/23 and will include additional parking around the loop road and an off road/hiking/trail running natural trail.
- e. Construct an outdoor classroom in the property next to the entrance of Farragut High School off Campbell Station Road. This project was transferred to the Engineering Department for a stormwater demonstration area.

2. Extend Greenway System

- a. Construct greenway link along south section of Kingston Pike from Old Stage Road to Virtue Road. A sidewalk was constructed to fill in this missing link.

- b. Construct greenway link from McFee Road to Wentworth Subdivision greenway. **Completed.**
 - c. Request TDOT for an easement along I-40 for a greenway extension. **It has been determined that this area is not available for a greenway.**
 - d. Construct a greenway link from The Battery at Berkeley Park to Everett Road. **No action.**
 - e. Research properties/easements available for a greenway link under Kingston Pike. **An original option near Everett Road was abandoned but an option near Campbell Station Road is in design.**
 - f. Continue to use complete streets model for all road construction or reconstruction (includes sidewalks, greenways and bike lanes). **Ongoing.**
 - g. Work with TDOT on plans for a possible greenway link at the renovation of the Campbell Station Road interchange off I-40. **Work continues on an interstate redesign that would include pedestrian access.**
 - h. Pursue a greenway link along Turkey Creek on the northeast side of Kingston Pike. **No action.**
- 3. Develop A Community Center
 - a. Conduct a feasibility study regarding the funding of construction and the continued cost of operations for a community center. **Community Center was purchased, renovated and is in operation.**
 - b. Evaluate empty properties for the location of a future community center. **See above.**
- 4. Increase Pedestrian Connectivity Within Farragut
 - a. Install standardized (with City of Knoxville) greenway signage at all greenway links. **Greenway signage identical to City of Knoxville signage (except for Town logo and name) has been installed. Additional signage will be added for new links on McFee and Grigsby Chapel Road this fiscal year.**
- 5. Increase Sports Tourism
 - a. Work with Visit Knoxville to promote the Town of Farragut as a venue for regional athletic events. **Ongoing – the Town now hosts numerous athletic events.**
- 6. Develop Water Based Aquatic Facilities

- a. Include possible aquatic facility with the feasibility study regarding funding of construction and the continued cost of operations for a community center. **No action.**

7. Expand Cultural Arts Programs

- a. Coordinate an art and flower show or another major cultural event every three years. **Ongoing – Quilt Show, Art/Craft Show and Living History program.**
- b. Install the additional pieces of the “Circle of Friends” sculptures at Campbell Station Park. **No action.**
- c. Create a plan for expanding sculpture program to other Town parks. **No action.**

8. Increase Recreation and Leisure Programs and Services

- a. Using the Service Analysis & Financial Strategies Planning Process (SAFS), analyze each of the Town’s special events and take appropriate action for the future. **New models for evaluation have proven more maintainable.**
- b. Continue level of programming. **Programming has grown to include both indoor and outdoor classes.**
- c. Add one special event. **Numerous special events have been added by PARD staff including an expanded Light the Park.**
- d. Continue to coordinate events and programs with these entities: Farragut Business Alliance, Farragut West Knox Chamber of Commerce, Knoxville Youth Athletics, Knoxville Track Club, AARP, VITA, Cool Sports, Knox County Coalition of Childhood Obesity and Let’s Move. **Multiple co-sponsored events have been added to the calendar such as Lawn Chair Series, Movies at McGill, Farragut Fall Festival, Veteran’s Run and more.**
- e. Continue current level of visual arts programming. **PARD hosts school, club and open art shows.**
- f. Create a plan for expanding performing arts programming. **No action.**
- g. Research other agencies and businesses to partner with for programs and events. **Ongoing.**
- h. Continue to have representation on the Knox County Community Health Council and to staff the council’s Partnership Committee. **This is now staffed by Board of Mayor and Aldermen appointees.**
- i. Publicize programming of the outdoor classroom in coordination with the Stormwater Division. **Ongoing.**

Mid Term (2018-2020)

Strategic Plan Goal 1: Maintain Financially Sound Town Providing Excellent Services

1. Responsible Use of Debt
 - a. Evaluate the revenue/expenditures and staff costs associated with the acquisition and development of additional park land, greenway and/or facilities. **Ongoing as part of the budget process.**
2. Adequate Revenues
 - a. Continue to update fees as needed on an annual basis. **Completed annually.**
 - i. Continue to apply for all appropriate grants and include required matches in the annual budget. **Since 2013, the Town has received \$1,618,000 in grant funds.**
 - b. Establish an online gift catalog for park equipment and donations. **An Adopt a Bench and Plant a Tree are both available online.**
3. High Customer Satisfaction Rating
 - a. Hire a consultant to conduct a random sample survey of parks and recreation facilities (current and future). **No action.**
 - j. Continue participant evaluations in programs and athletics and use results to adjust the delivery system. **Ongoing as staff time allows.**
 - k. Continue evaluations for special events and use results to adjust the delivery system. **Ongoing as staff time allows.**
4. Reliable Delivery of Town Services
 - a. Continue PALS staff training in customer service, first aid and best practices in parks and recreation. **Completed annually as budget allows.**
 - l. Continue requirement for specified PALS staff to be certified as a park and recreation professional and a playground safety inspector. **Four staff are certified as park and recreation professionals and one staff is certified as a playground safety inspector.**
 - m. Continue to coordinate and research opportunities to expand the FUN Volunteer Program to supplement the work of paid staff. **Except for 2020/21 (Covid), the FUN Volunteer Program has continued to expand.**
5. Well Planned and Maintained Town Facilities

- n. Evaluate staffing levels. PARD has added four full-time staff: Park Operator, Community Center Operator, Lead Park Assistant and one permanent part-time staff: Tourism Coordinator.
- a. Replace fencing at MBLP west baseball field. No action.
- b. Replace playground and surface at Anchor Park. No action.
- c. Research replacement of turf at selected fields at MBLP and McFee Park with artificial turf. Fields 1 ,2 & 3 are now synthetic turf.
- d. Evaluate the future use of the former Dimmick house at McFee Park. The Dimmick house will be near the end of FY2022. Storage needs will be attained through a new storage building on the public works property.
- o. Continue to update or renovate facilities to comply with ADA regulations. An ADA assessment was completed for all PARD facilities and many updates have been made including a renovation upper restroom at MBLP, player access on MBLP Field #3, new construction of Anchor Park restroom/storage; spectator and player access to diamond and rectangular fields at Anchor Park. An ADA budget line has been added to the Town's annual budget to complete projects as money is available.

Strategic Plan Goal 2: Strengthen the Local Economy

1. Increase Number of Visitors To Farragut; Also "Heads in Beds"
 - e. Continue partnership with Visit Knoxville to promote the Town of Farragut as a venue for regional athletic events. These initiatives are ongoing in the new tourism program. A rebate program for field rentals in exchange for a set number of hotel nights has been approved by BMA.
 - b. Utilizing the current national trend in heritage tourism, continue to advertise the Farragut Folklife Museum and, in particular, the Farragut Collection and Plaza in local, regional and national publications and online listings. Ongoing. A new expanded tourism website with analytics will be promoted in September 2021.
 - c. If purchased, establish a visitor center in the Campbell Station Inn. No action.
2. Keep Sales Tax Local
 - a. Continue to fund and implement the branding program. Ongoing.
 - b. Continue partnership with the FBA in the promotion of "Shop Farragut." Ongoing.

Strategic Plan Goal 3: Develop the Town's Historic Assets

1. Expand Areas for Museum Displays

- d. Continue rotation of the changing exhibit area (Bill Dunlap Gallery) three times per year to encourage repeat visitors. **Special exhibits are held at least twice per year with an additional holiday exhibit for late November/December. In addition the Museum has hosted a Smithsonian traveling exhibit and will be hosting a state traveling exhibit in the fall of 2021.**

2. Preserve Russell House

- a. If purchased, renovate Campbell Station Inn to accommodate a visitor center, offices or other. **The outside of the inn was renovated, asbestos removed and inside stabilization has been completed. Inside renovation will occur when final plans for the use of the Inn have been decided. The land surrounding the Inn has been transformed into a beautiful plaza with lawns, walkways, signage, restroom and parking that can be used for special events, enjoying nature or a rental.**

3. Develop a Reputation as a Historic Destination

- a. Investigate installation of signage and map at historic areas. **This information is contained in one of the historical interpretive signs at Founders Park and with the History Walk Map.**
- b. Continue to advertise the Farragut Folklife Museum and, in particular, the Farragut Collection and Plaza in local, regional and national publications and online listings. Ongoing.
- c. Develop a special event at the historic Pleasant Forest Cemetery. **The Living History event has been developed and will be held in rotation with the art/craft show and the quilt show.**
- d. Using plan developed by consultant, expand public relations efforts to promote heritage tourism. **Ongoing.**

Strategic Plan Goal 4: Facilitate Future Growth Development and Redevelopment

3. More Beautiful Corridors and Development

- a. Continue the annual Beautification Awards program including the installation of signage at the winning sites. **Annual Beautification Awards are awarded and the winners have a sign.**

- b. Continue the Plant A Tree program. **Ongoing. An Adopt A Bench program was added for both greenway/sidewalk benches and park benches.**
 - c. Continue to update the park and greenway landscaping. **Ongoing.**
 - d. Continue to plant trees each fall on Town of Farragut property and easements. **Annual tree planting has occurred every year.**
 - e. Develop a program to partner with businesses on street or entrance beautification (streetscaping). **No action.**
 - f. Add another set of seasonal banners (probably summer season). **The Town now has 5 seasons of banners and the first set (Independence Day/Summer) has been replaced.**
 - g. Investigate possibility of adding another award opportunity/program in the area of beautification. **Award categories were expanded.**
4. Redevelop Aged Commercial Areas
- a. Evaluate empty properties for the location of a future community center. **Community center was located in an old church that had been vacant and for sale for over six years.**

Strategic Plan Goal 5: Expand Leisure Amenities (Venues and Programs)

9. Expand Park Development
- a. Complete construction of phase 4 of McFee Park which includes 18-hole disc golf course, additional parking, fishing pier, pavilion and historical trail interpretation area. **The master plan for the enlarged McFee Park (totaling 51+ acres) was recreated. Construction of Phase 3 will be complete in fall of 2021 and includes a 5-6 acre great lawn, lighted 4 tennis/8 pickleball courts, basketball court, grand pavilion, restrooms/storage, parking, walk trails and a loop park road.**
 - b. Acquire additional land to meet the recreational and leisure needs of the Town's growing population, especially land for passive park(s). The plaza at Campbell Station was acquired for a new outdoor event area. **In addition, the land where the historic Red Mill Dam is located was gifted to the Town of Farragut.**
 - c. Complete construction plans for phase 5 of McFee Park. **Phase 5 is still in planning stages.**

- d. Complete construction or renovation plans for a community center and indoor aquatic facility. Community Center was opened in 2020. There are no plans for an indoor aquatic facility.

10. Extend Greenway System

- a. Construct greenway link under Kingston Pike. An original option near Everett Road was abandoned but an option near Campbell Station Road is in design.
- b. Construct several missing links of the greenway system, specifically to MBLP and McFee Park. A greenway link from the Farm at Willow Creek Subdivision to the McFee Greenway is in the capital budget for FY22.
- c. Construct short greenway link and parking and install interpretive signage along Virtue Road at one of the sites of the Battle of Campbell Station. Design for a greenway link from Brookmere to the greenway to Sheffield is in the capital budget for FY22.
- d. Construct greenway link along one of the creekways. No action.
- e. Continue work with TDOT on plans for a possible greenway link in the renovation of the Campbell Station Road interchange off I-40. Work continues on an interstate redesign that would include pedestrian access.
- f. Continue to use complete streets model for all road construction or reconstruction (includes sidewalks, greenways and bike lanes). Ongoing.
- g. Begin a Capital Investment Program to retrofit bike lanes on selected current Town roads. No action.

11. Develop A Community Center

- a. Conduct a feasibility study regarding the funding of construction and the continued cost of operations for a community center. Completed.
- b. Investigate private/public partnerships. Ongoing.
- c. Evaluate empty properties for the location of a future community center. Completed.

12. Increase Pedestrian Connectivity Within Farragut

- a. Continue to install standardized (with City of Knoxville) greenway signage at all new greenway links. Greenway signage identical to City of Knoxville signage (except for Town logo and name) has been installed. Additional signage will be added for new links on McFee and Grigsby Chapel Road this fiscal year.

13. Increase Sports Tourism

- a. Work with Visit Knoxville to promote the Town of Farragut as a venue for regional athletic events. **Ongoing – the Town now hosts numerous athletic events.**

14. Develop Water Based Aquatic Facilities

- a. Include possible aquatic facility with the feasibility study regarding funding of construction and the continued cost of operations for a community center. **No action.**

15. Expand Cultural Arts Programs

- a. Coordinate an art and flower show or another major cultural event every three years. **Ongoing – Quilt Show, Art/Craft Show and Living History program.**
- b. Continue to expand program to include sculptures in all Town parks. **No action.**
- c. Begin a public art program centered around Farragut's heritage. **No action.**

16. Increase Recreation and Leisure Programs and Services

- a. Continue level of programming. **Programming has grown to include both indoor and outdoor classes.**
- b. Add one special event. **Numerous special events have been added by PARD staff including an expanded Light the Park.**
- c. Continue to coordinate events and programs with other these entities: Farragut Business Alliance, Farragut West Knox Chamber of Commerce, Knoxville Youth Athletics, Knoxville Track Club, AARP, VITA, Cool Sports, Knox County Coalition of Childhood Obesity and Let's Move. **Multiple co-sponsored events have been added to the calendar such as Lawn Chair Series, Movies at McGill, Farragut Fall Festival, Veteran's Run and more.**
- d. Research other agencies and businesses to partner with for programs and events. **Ongoing.**

Long Term (2021-2023)

1. Parks and Recreation Facilities and Programs

- a. Develop a master plan and construct a wetlands park on Town-owned property between the Town Hall and S. Campbell Station Road. **No action.**
- b. Construct additional greenways concentrating on missing greenway links and areas along creeks. **Additional links have been added as parcels are developed.**

- c. Plan and construct additional greenway links that connect to City of Knoxville, Knox County and Loudon County greenways. **No action – Parkside Greenway currently connects to the City of Knoxville greenway.**
- d. Complete construction of phase 5 (and final phase) of McFee Park which includes amphitheater, small pavilion, playtrail, 2 lighted tennis courts and hitting wall and dog park. **The master plan has been redesigned. Elements to be added in additional phases include a off-road, hiking, running trail and trailhead and additional parking in Phase 5. Future phases will likely include 2 or 4 additional tennis courts, a tennis restroom/small pavilion/storage, basketball court lighting and a dog park. The house that is currently at the back of the park will also be demolished.**
- e. Construct a community center with an indoor aquatic component. **No action.**
- f. Expand staff and programming with the development of a community center. **Ongoing.**
- g. Continue to work closely with Farragut businesses and area non-profits to partner with events, programs and promotions. **Ongoing.**
- h. Produce a festival at McFee Park. **With plans for a Town center green on the old Kroger property in development, it is likely any future events/festivals will be held in that location due to the proximity to parking and being in the Town center.**
- i. Evaluate need for additional acreage for recreational use as compared with the Town's population. **To be studied with new master plan.**
- j. Continue to construct or reconstruct streets using the complete streets model (includes sidewalks, greenways and bike lanes) and continue to retrofit key roads in Farragut with a bike lane. **New or reconstructed roads are built with bike lane or greenway. No action and any retrofits.**

2. Tourism

- a. Continue to budget advertising monies for heritage tourism. **The Board of Mayor and Aldermen have approved a hotel/motel tax to fund the tourism program.**
- b. Replace turf on selected fields at MBLP and McFee Park to enhance the opportunities for regional tournaments using Farragut facilities. **Fields 1, 2 & 3 have replaced by synthetic turf fields.**

- c. Promote the unique design of the 18-hole disc golf course for regional and national tournaments. The disc golf course planned for McFee is not in the 6-year CIP.
- d. Promote sand volleyball facilities for regional tournaments. Sand volleyball participation numbers have fallen and this is no longer a realistic goal.
- e. Grow festival at McFee Park to increase tourism and “heads in beds.” Future festivals to promote tourism will likely be located at the Town center green rather than McFee Park.

3. Beautification and Cultural Programs

- a. Update summer street banners. Banners sets are replaced as needed and budget allows.
- b. Update park and greenway landscaping and continue to plant trees on public lands. Ongoing.
- c. Develop programming for the amphitheater. Amphitheater will likely be located at the Town center green in the next 2-3 years.
- d. Develop a funding mechanism for public art. No action.
- e. Implement public art program. No action.
- f. Complete sculpture in parks program. No action.

3. I do not like the following about the current Town of Farragut recreational facilities:

Shade over equipment missing

Not enough shade - Things to do for smaller kids (1-3 years) - More swings!
Bathrooms at McFee are sometimes not clean
Parking
no swimming pool
needs more advertising
not enough shade on playground equipment (& Fences) , more natural type trails - like at Founders Park
Bathrooms can use cleaning at Founder's Park
More water needed for drinking
Limited Parking- Farragut/ Campbell Station, Shade, Water Fountains
Play structures need more shade :)
Splashpad gets overcrowded, more shaded equipment, need fenced playground for little people
Lack of activities for 6 years & younger
N/A
Nothing
N/A
No
Parking
bathrooms arent always kept up (cleaned, soap empty, etc)
n/a
none
N/A
I would like more swings and parking, less crowded
no public/ private pools
N/A
splash pads open at 10AM (prefer 9am)
None
Use of wood chips instead of rubber or any material that will not give splinters
N/A - very happy with them
Parking @ Cover
More parking
Distance from where I live
More greenways and connections
Patrons frequently disregard sign that ballfields are closed + under maintenance
NA
More shade options @ McFee
N/A
More shade over playgrounds
N/A
Parking can get difficult
bathroom closed off season even if weather is good
Not sure
More bathrooms
No dislikes
Parking can be small. Not all playgrounds are accessble and not all playgrounds have swings
Cant think of anything, great job!

Like about current Town of Farragut recreational facilities

Very well kept!

Everything

Volleyball Beach Courts

Sand volleyball courts w/ public restrooms & shower station to clean offered

Mayor Bob Leonard Park has a great diverse facility

Great volleyball courts! Just need a few more :)

Parking, Restrooms + walking track, volleyball courts

Sand volleyball courts

I love being able to play volleyball on nice sand courts

The volleyball court

Watt Road Sand V Ball

great sand volleyball courts and restroom facilities

Indoor + Sand Volleyball!

Fields are nice

Clean

The park is beautiful

???? got a bigger budget than other town leagues. Clean facilities but a severe shortage of parking spots :(

Do not like about current Town of Farragut recreational facilities

nothing

N/A

lack usable shade while watching volleyball

more soap in the bathrooms

volleyball courts are too close together so middle court is rarely used during leagues

needs more sand on vball courts

N/A

NO ALCOHOL - AND YOU DIDN'T LIKE MY TEAMMATES!

too far from home!

N/A

Limited parking

Distance from my house! :)

Lack of parking, too crowded at times (people + COVID + games)

Additional Comments

Racquet Club please

No

Nicer volleyball equipment!

Volleyball courts+ staff are great

Sand volleyball - deeper sand (no gravel) grass league volleyball!

Cornhole courts - 10' x 8' level pads to pitch from

We need to update the volleyball courts

Volley needs updating!

Please keep sand courts well maintained

Volleyball courts- very important

Racquetball courts, more sand volleyball courts.

Volleyball courts

Volleyball - Very Important

Add Sand/ soap in the bathrooms

Really need another synthetic field, upper mcfee bathrooms need floor redone, dig out gravel and replace sand courts, field 4 needs swings, pitching pad

1	This town does not need to expand any more — there are too many people here already. What we need is to preserve the few wooded/natural areas that are left & reclaim some of the disgusting sprawl & return it to wildlife habitat & natural areas. Planting a few trees here & there does not make up for destroying entire ecosystems.	7/15/2021 9:36 PM
2	Thanks for reaching out. So many things we could do. Tough to make decisions.	7/10/2021 3:01 PM
3	I believe these decisions should be made within a framework/plan that takes into account the image we want to present and the audience we are aiming at/wish to attract. A lot of the choices presented seemed at odds with each other/ didn't seem to fit in a coherent plan.	7/10/2021 2:05 PM

10	Living in the town for 38 or 38 years and being a family of Concord/Farragut before Farragut was formed, I have seen and shared in many development changes. There are differing views of the town and there always has been! I think Farragut is one of the greatest places to live and we can't let the few bad apples and negative nancys lead the pack. The town leaders, boards, and residents all strive to make Farragut a pleasant and desirable place to live and I just want to say thank you to everyone who works for the town and dedicates time to make it what it is. My family loves the events, parks, nice roads, walkways, etc. and are proud to call Farragut home!	7/1/2021 3:31 PM
11	1. The Town is currently a good place to live. 2. The Town does not need to be everything to everyone. Many things can be provided by subdivisions, churches and businesses. 3. Currently, fees for courses seem to inhibit participation. 4. Sports and physical recreation are already well served. Arts, and particularly performing arts, are underserved. 5. I expect public resistance to proposed property taxes would be overwhelming and would wash away any new proposed programs.	7/1/2021 1:43 PM

13	More poop stations or at least receptacles along greenways! No one likes to carry their poop bags around for over a mile. Plenty in the parks, but TCR greenway in particular could use a few more	9/3/2021 5:50 PM
14	The Greenways all need to be connected and we need many more connected miles of greenways. We also need several additional Pickleball Courts.	9/3/2021 1:24 PM
15	overabundance of parking and congestion - i really regret seeing parking being expanded and replacing green space. concord is a huge parking lot. i think a walking bridge over the road to connect to the abundant parking across the street would help	9/3/2021 10:14 AM
16	The Watt Rd. playground needs swings and equipment for smaller children. The remodel took that away. I was very disappointed to see the finished results.	9/3/2021 9:37 AM
17	I don't know of any needs	9/3/2021 7:48 AM
18	More outside workout stations	9/2/2021 8:11 PM
19	None	9/1/2021 9:14 PM
20	Complete greenways	9/1/2021 8:43 PM
21	More connected paths (sidewalks).	9/1/2021 2:56 PM
22	We are seeing gang activity. What is being done?	9/1/2021 12:07 PM
23	Resurfacing of current tennis/pickleball courts at Carl Cowan Park and Concord Park. Many seniors play pickleball and have to go to other facilities in the city of Knoxville because the courts are so poorly maintained in Farragut. I suffered a serious ankle sprain in 2020 due to stepping in a deep crack on the courts at Carl Cowan. Seniors should have safe, well maintained, dedicated pickleball courts in Farragut.	9/1/2021 10:11 AM
24	People's behavior, breaking rules	9/1/2021 7:26 AM
25	Would love to see soccer fields with real grass	8/31/2021 11:13 AM
26	Greenways are dangerous because of rampant speeding in Farragut.	8/31/2021 7:36 AM
27	More miles Maybe swimming/water features Water filling stations	8/30/2021 10:06 PM
28	Greenways need to be connected.	8/30/2021 8:44 PM
29	Lack of indoor swimming access	8/30/2021 8:42 AM
30	We need an Olympic sized pool for the swim teams in the area to utilize for practice and hosting meets!	8/30/2021 8:30 AM
31	Lack of sidewalks linking parks and greenways from subdivisions	8/29/2021 8:24 PM
32	Farragut's facilities are well maintained and readily accessible. More landscaping is always a plus but not necessary.	8/29/2021 3:58 PM
33	The beach area at the Cove	8/29/2021 12:36 PM
34	Additional greenways for running and biking. My wife and I instead go to Knoxville, Maryville or Oak Ridge several times per week.	8/28/2021 6:14 PM
35	More cameras/- improve safety	8/28/2021 1:00 PM
36	Safety, security	8/27/2021 8:38 PM
37	A lack of control of the temperature for the exercise and line dance programs. It gets very warm.	8/27/2021 6:45 PM

38	More poop bag stations and garbage cans.	8/27/2021 6:30 PM
39	Traffic calming	8/27/2021 6:16 PM
40	More tennis courts in Farragut	8/27/2021 1:17 PM
41	Ensure that any new plantings, especially new trees, receive adequate deep watering so they can survive.	8/27/2021 11:46 AM
42	Lack of greenway connections. Difficult-to-cross, busy intersections (e.g., Campbell Station, Grigsby Chapel, McFee, Old Stage, Everett). The Alcoa Greenway is a great example of a long, continuous trail with many bridges and underpasses to shield users from traffic.	8/27/2021 10:02 AM
43	More dog poop stations on greenway along Turkey Creek Rd.	8/27/2021 9:27 AM
44	Safety. Build a fence around McFee playground and splash pad. It's hard to keep an eye on 3 kids at once there	8/27/2021 9:06 AM
45	Would like to be able to use softball fields on nice days from Nov-March.	8/26/2021 11:53 PM
46	Getting people with dogs to keep them leashed and pickup after their pets.	8/26/2021 9:16 PM
47	Lack of benches and shade and benches in shade.	8/26/2021 8:56 PM
48	Nothing really sticks out as needing to be addressed, everything seems to be well cared for.	8/26/2021 8:54 PM
49	Lack of security in parks and parking lots . My car was robbed in the parking lot.	8/26/2021 6:47 PM
50	Longer, smoother greenways since my wife and I rollerblade. But this is a very specific request, I understand.	8/26/2021 6:31 PM
51	more opportunities are needed as farragut keeps growing.	8/26/2021 6:26 PM
52	I am very happy with all aspects of the various parks/greenways	8/26/2021 5:17 PM
53	Availability to actual Farragut citizens not clubs from out of town or county. Why most of the fields are reserved and use by teams from out of town or county?	8/26/2021 5:08 PM
54	More indoor activities like pickleball	8/26/2021 5:08 PM
55	Portable AED's at all locations	8/26/2021 5:05 PM
56	More turf fields	8/26/2021 4:22 PM
57	Sidewalks that connect from all access points so things are easily accessible.	8/26/2021 4:18 PM
58	Connecting parks to all neighborhoods. Virtue rd, Turkey Creek rd, Evans Rd are major issues.	8/26/2021 4:16 PM
59	More local and native plantings in the landscaping. Higher plant diversity. More perennial flowering plants for the native pollinators. Better capture and use of flows of energy, especially water off of impermeable surfaces. Cheers!	8/26/2021 4:03 PM
60	Would love fencing to keep balls from leaving the fields and rolling down hills or carrying onto other fields	8/26/2021 3:35 PM
61	Turf maintenance	8/26/2021 3:31 PM
62	Turf soccer fields would really open up playing options for people	8/26/2021 3:29 PM
63	more turf soccer fields	8/26/2021 3:20 PM
64	nothing our parks always look awesome. Parking at Watt road can get tight but that's about it	8/26/2021 3:08 PM
65	Very pleased in all areas	8/26/2021 3:01 PM
66	They need to monitor what is promoted as family event with the Lawn Chair Concert	8/26/2021 2:33 PM
67	More greenways alone Northshore	8/26/2021 2:03 PM
68	Costs -- buildout of McFee, purchase of the Russell House, McGill plaza, Community Center. Not where I want my tax dollars to be spent!	8/26/2021 12:40 PM

70	Need a dog park	8/26/2021 9:50 AM
71	We need the whole community to be connected by sidewalks. We should be able to bike or walk to all of the parks. When you go to other communities, they have focused on connecting everything with wide sidewalks.	8/26/2021 8:24 AM
72	We need an indoor/outdoor pool to serve all the kids and families in the community who swim not only in the summer but throughout the year. Driving to UT or to Lenoir City for swim practice is a huge time waster and money spent could be staying in our part of the community.	8/25/2021 11:31 PM
73	Lack of swimming pools with lanes, especially an indoor pool.	8/25/2021 8:17 PM
74	More shade aroundnn by playgrounds, specifically Mcfee & Carl Cowan	8/25/2021 1:46 PM
75	Our parks are amazing. I wish Bob Leonard park had swings brought back. We stopped going because they took all the swings away.	8/25/2021 9:49 AM
76	More mountain bike trails please.	8/25/2021 7:59 AM
77	Very small item-geese poop at anchor park!	8/24/2021 10:17 PM
78	Increase in bike lanes and Greenway path connections	8/24/2021 5:35 PM
79	I strongly feel that Founders Park needs a natural looking playscape of some sort. It is a natural place for parents and students to congregate after primary school pickup. Play structures are so good for children to build strength and aid creative play. There are a few spots throughout the park where they would make sense.	8/24/2021 10:02 AM
80	Safety and shade sails over playgrounds would be a nice addition	8/23/2021 11:13 PM
81	Letting public know what is going on around town.	8/23/2021 10:27 PM

112	It would be nice to add another splash/water area to another of the parks.	8/21/2021 3:20 PM
113	We need an indoor pool	8/21/2021 2:34 PM
114	Crowding, it would be nice to have trails designated as bike trails so to cut down on the number of hikers. Not to say people can't walk them, but just walk them understanding it's for bikes and we will be moving fast.	8/21/2021 2:21 PM
115	Only at mcfee. It is really hard to lug all of the stuff for 2 kids to the splash pad from the bottom parking lot	8/21/2021 12:29 PM
116	More shaded play areas	8/21/2021 12:25 PM
117	Amount of swings	8/21/2021 10:51 AM
118	Need a community pool	8/21/2021 10:09 AM
119	Lack of parking is why we do not attend events at the parks. Before covid, we visited our parks weekly. We rarely leave home unless we have to now, so that is the main reason we visit only a few times a year. Love the Christmas lights at Founder's!	8/21/2021 9:12 AM
120	Security. Cars broken into.	8/21/2021 9:05 AM

125	McFee-no fence and very limited visibility	8/20/2021 4:22 PM
126	more swings / play sets!	8/20/2021 12:37 PM
127	Mc fee need to close at sundown. Kids are doing go nuts and parking after 10:00. Also maybe a gate needs to be installed. When tennis and basketball get going it is going to be worse.	8/20/2021 12:27 PM
128	More shade on playgrounds	8/19/2021 12:36 PM
129	Cleanliness	8/19/2021 8:30 AM
130	Shade for McFee playground. It's too hot in summer. Fence around park would be nice too	8/19/2021 7:28 AM
131	The parks are crowded much of the times we are there. More parks or bigger parks might help.	8/18/2021 9:38 PM
132	Unlocking the bathrooms on time	8/18/2021 7:39 PM
133	Let things be more natural, less landscaped.	8/18/2021 7:31 PM
134	McFee playground needs more shade. Specifically, shade on slide areas as young children have burned their legs sliding down not knowing how hot.	8/18/2021 6:45 PM

7	Since most of our activities occur during the day, lighting is not an issue. Perhaps I am oblivious, but I'm not aware of incidents which have occurred in any of these facilities. Cameras might be good to help prevent vandalism. Those would be a deterrent to any types of illegal activity.	9/5/2021 6:37 AM

8	always a safer feeling when plenty of lights and cameras are available and working	9/2/2021 10:43 AM
9	Mayor Bob Leonard park could use some brighter lighting in the parking lot near the church side.	9/1/2021 2:41 PM
10	We use the parks during the day, so lights don't seem the best way to spend money.	9/1/2021 1:39 PM
11	Better maintenance of courts.	9/1/2021 10:11 AM
12	Flashing lights at anchor park crosswalks	8/31/2021 1:28 PM
13	Late at night I have noticed people park cars at Anchor park and engage in indecent activities while inside their vehicles, these include sexual activities and drinking. This happens frequently but especially in the winter season when night and cold temperatures settle in. Something must be done to curtail this type of behavior which can lead to further petty crime and immoral behavior.	8/31/2021 10:44 AM

19	Shrubs and trees trimmed so there is wide-open walkway of 5 or 6ft on either side greenway. As a woman walking alone, the density of the trees and brush is concerning. The thick brush offers an attacker more opportunity.	8/27/2021 5:48 PM

40	Anchor really needs a fence by the playground in my opinion.	8/24/2021 10:02 AM
41	Better signage. For example, who has the right on the McFee greenway when crossing Evans Road. There needs to be a stop or yield sign at greenway crossings like that or a sign below the stop sign on Evans that says Greenway users have the right away.	8/24/2021 9:37 AM
42	Better animal control, coyotes are a problem here, nervous to use trails and greenways if there's not a lot of traffic on them. Feel mostly safe at the parks	8/23/2021 11:13 PM
43	Roving bands of vigilantes.	8/23/2021 10:06 PM
44	Sometimes teens cause problems at night but that's hard to combat unless there are police patrols at night. I'm never in the parks at night but see the impacts the next morning.	8/23/2021 12:20 PM
45	Need water fountains working at all times	8/22/2021 8:28 PM
46	The only place that does not feel safe to me is the greenway behind Turkey Creek, mainly because it's isolated between the highway and fenced off stores. I'm not sure if there is a way to improve this without restructuring Turkey Creek.	8/22/2021 5:27 PM
47	None	8/22/2021 9:55 AM
48	Too many illegals literally trashing the Cove-it needs security there big time!	8/22/2021 8:30 AM
49	Brush cut back from greenway paths	8/21/2021 11:37 PM
50	Cars are broken into often at Anchor and homeless are seen at the Farragut library park often. Plus please get the bikers off Some of the dangerous streets like Turkey Creek Road-it's a double line all the way and no way to safely pass them. It's becoming a nightmare for those of us going to the park or who live there. They need to use the sidewalks	8/21/2021 7:14 PM
51	There are homeless in these parks at night.	8/21/2021 6:51 PM
52	Not needed	8/21/2021 6:15 PM
53	Individual/family bathrooms. I have seen single men arrive separately for meeting in the bathrooms. I will not send my sons into one, and they're too old to go to the women's room with me.	8/21/2021 3:58 PM
54	We have commonly seen suspicious characters lurking on Greenway, so we rarely use them. My husband sometimes bikes on them alone and I prefer he didn't do that. He typically comes across at least two if not more people who appear to be beside or on the trail for non recreational purposes. Private security patrol, particularly on greenways may help, but the officers would need to be thoroughly vetted, because they would be spending a lot of time in secluded areas and an officer with ill intentions could take advantage of that to commit crimes.	8/21/2021 9:12 AM
55	safe enough already	8/21/2021 9:11 AM
56	Better cross walks - needs lights and better markings	8/21/2021 9:07 AM
57	Na	8/21/2021 5:25 AM
58	Kids can run off so quickly!!	8/20/2021 4:22 PM
59	The most danger I feel is from wild animals (i.e. coyotes) on the greenways.	8/20/2021 1:53 PM
60	No police patrols please, I want the people of color in my community to feel as safe as I do.	8/19/2021 8:30 AM
61	Maybe fencing around McFee do to quick access to parking lot (say if your toddler got away quickly).	8/18/2021 6:45 PM

1	More volleyball courts. Both indoor and outdoor.	9/10/2021 11:16 AM
2	Add softball fields	9/9/2021 1:03 AM
3	Food and drink options would be nice. For instance a Rita's italian ice or some other such small shop that snacks could be purchased at.	9/8/2021 2:28 PM
4	Many of the Green-ways are limited to neighborhoods and are not connected. I think it would be good to have the paths connected so you can walk farther. It would be good to have signs/maps at junctions to show where the connections are. You may consider painting a stripe on the pavement where signs are not available to guide you along the designated path.	9/8/2021 11:06 AM
5	SECURITY AT MCFEE. A lot of large groups of older kids that roam.	9/8/2021 7:00 AM
6	More paved trails for biking. Young kids need a place to learn and practice that are safe. Too many trails are no bikes. We use Knox County parks instead because we can't figure out where to go. Everything says no bikes.	9/7/2021 7:14 AM
7	I would love to see more parks in Farragut with longer walking paths! The greenways are great but a park with a 2-3 mile paved path would be safer and an excellent addition. Also, I recommend beautification of parks to include more trees and flowers.	9/6/2021 11:48 AM
8	I'm for a Dog park if it keeps dogs and their disrespectful owners from other parks. I have been to McFee Park and watched dog owners allow their animals to poop with no intention of cleaning it up. Besides being just gross, it's bad form to tolerate this in areas where children play.	9/5/2021 6:37 AM
9	A community swimming pool would be the highest of importance for our family. We love going to the pool but we live in a subdivision without a pool. It would be amazing to have one with a diving board/slide or other fun additions to the pool.	9/4/2021 10:43 PM
10	Basketball courts and skate parks bring crime and drugs and fights. This will ruin a park quickly.	9/4/2021 8:36 PM
11	Just want to stress the swimming pool. This would enable a year round swim team to be located in Farragut. It would also allow the middle school and high school club teams to not have to travel to either Lenoir City or UT in order to practice.	9/4/2021 1:36 PM
12	We need a playground in town. If I recall correctly, the only ones we have are far out—Watt Road and McFee. A pool would be great!	9/3/2021 8:33 PM

17	We would love to see the McFee greenway linked to Choto Rd. neighborhoods. This would decrease the number of cars that have to drive and park at McFee in order to connect to the greenway.	9/1/2021 3:23 PM
18	An indoor / outdoor competition pool would be excellent and could bring in \$ to pay for it with the need by the school teams and use by summer teams for large meets.	9/1/2021 2:56 PM
19	You need more swings for the kids!!	9/1/2021 2:41 PM
20	Metal Detector Friendly Parks	9/1/2021 2:21 PM
21	See prior courts. Need DEDICATED pickleball courts with new surfacing.	9/1/2021 10:11 AM
22	Why is youth football fields not a consideration? Or is that the rectangular field space? We cannot eliminate football for our youth.	8/31/2021 5:55 PM
23	Bike lanes on the roads that lead to parks.	8/31/2021 2:36 PM
24	McFee park needs an entry control point (gate). Cars are going into the parking lot and doing donuts late at night. Also, teenagers tend to go in unauthorized 4x4 vehicles around the park and ride on the grass areas or inside the soccer field. The town needs a gate to control access to the park especially at night when people come out to loiter and engage in unruly behavior. Also, the town needs to enforce the towing of illegally parked vehicles. Handing out warnings and a threat to have vehicles towed its not enough because vehicles never get towed.	8/31/2021 10:44 AM
25	An indoor swimming facility would be wonderful to have in Farragut.	8/31/2021 10:09 AM
26	Traffic circles	8/31/2021 7:36 AM
27	I would really like to see dedicated pickleball courts - it is the fastest growing sport in America.	8/30/2021 2:51 PM
28	A pool would be a huge asset. Swimming is a growing sport in this area, and Farragut would be wise to make this addition in a way that it could accommodate local teams for meets not just practices.	8/28/2021 9:38 PM
29	Softball fields	8/27/2021 9:25 PM

33	Benches under trees	8/27/2021 2:55 PM
34	Pools and tennis courts are most needed in my opinion.	8/27/2021 1:17 PM
35	Please consider adding a swim center. There are so many kids in the area on local swim teams and the closest facilites are 30 minutes away. This would be hughly popular around here for multiple groups and would likely pay for itself in a short time.	8/27/2021 10:07 AM
36	In other states their trails have two lanes one for running or biking and the other is for walking. Have you considered doing this?	8/27/2021 9:57 AM
37	1. Large community garden and/or multiple decentralized community gardens. 2. Public scenic overlook(s) at highest elevations for 360-degrees mountain and lake views (with engineered pedestrian structures rising above treetops). 3. Emphasis on natural areas rather than build-out/pavement of every remaining space in Town.	8/27/2021 12:44 AM
38	I am not sure if anyone will see this but I really think it's important to add some teepee coverings or some sort of coverings over the play grounds to block the sun. Parents want their kids to play and get exercise but when the sun beats down on the swings/slides/climbing areas, half of the park cannot be used	8/26/2021 10:00 PM
39	More piers and "on water" facilities.	8/26/2021 6:47 PM
40	I am very happy with the various parks, where I alternate between them to walk my dog	8/26/2021 5:17 PM

48	Tennis and basketball courts a must. Organizing a tennis online presence to plan matches and community	8/26/2021 3:03 PM
49	Dedicated (single-purpose) pickleball courts only, please.	8/26/2021 10:23 AM
50	Swimming pool with designated times for lap swimming	8/26/2021 9:50 AM
51	You really need to focus on adding more playgrounds and connecting all sidewalks so you can walk everywhere. Along Turkey Creek the side walk just ends. It needs to connect to other side walks. That should be your main focus. If you look at other townships that have modernized, they have focused on adding sidewalks everywhere. It doesn't matter where you live you can walk to and from.	8/26/2021 8:24 AM
52	Basketball courts would be great. My kid doesn't want to pay \$2 per person just to play ball with his friends at the community center. Nice facility but they won't use it if they have to pay for it every time.	8/25/2021 9:49 AM
53	Mountain biking has become a massive tourism event around Knoxville. If you put the money into the trail system you will attract bikers all around the country who will put money into your community.	8/25/2021 7:59 AM
54	A year round pool would be amazing. Something with slides and an indoor child's play area/splash area. Westerville Ohio has an amazing Community Center. Building something similar in Farragut would be a huge Benefit	8/24/2021 1:19 PM
55	More neighborhood sidewalks. I'd gladly give up some of my front yard for sidewalks in our neighborhood.	8/24/2021 12:55 PM
56	I would love to see more pocket parks in neighborhoods. Sweet Briar has a couple prime spots, as do most neighborhoods with the 10% green space rules.	8/24/2021 10:02 AM
57	It seems like we have a lot of greenway links that will never connect to any where. Rather than the developer waste money on that, they should repave a section of greenway that needs repairs. Also, it would be nice if Bridgemore would finally connect their greenway to the one behind Fort West.	8/24/2021 9:37 AM
58	Putting exercise stations at one of the parks/greenways would be a nice addition.	8/23/2021 11:13 PM
59	A community pool would be an amazing addition to Farragut parks. There are countless programs that travel outside of Farragut to use other pools such as Farragut intermediate and high school. This would be an amazing park feature for all of us in Farragut promoting health, physical fitness and family activity.	8/23/2021 10:35 PM
60	A swimming pool would be such an incredible addition for the whole community!	8/23/2021 10:06 PM
61	A serious year-round pool would be a phenomenal addition to Farragut. Look at the municipal pool in Franklin, or even Lenoir City! There's no kind of facility that even begins to compare in its benefits for people of every age.	8/23/2021 10:06 PM
62	Strongly urge consideration of a pool and one that is or can be covered like in Lenoir City. There are no public pools locally which is a major issue for recreation, lessons and team sports.	8/23/2021 9:34 PM
63	My top desired aspects of the perfect town include an indoor pool (year round swim team & community aquatics) & a community theatre! While I don't want to live in Oak Ridge I am envious of their community theatre & civic center (which houses a big pool as well as many rooms for various things & a huge gym that hosts seasonal vendor activities, rec league sports & mixers for teens). I'm exhausted driving my teen 45 minutes away to participate in community theatre. Farragut seems to have a lot of places to shop & eat but not a lot of things to do for young people who have outgrown playgrounds.	8/23/2021 9:33 PM

64	Path over/under railroad at the end of McFee? HUGE need. Expansion of the Cove Park possible? Extending the greenway west from Cove Park possible toward Choto? Not sure what an "interior park trail" is. Trails are good!	8/23/2021 5:22 PM
65	Benches for people to sit and talk	8/23/2021 4:49 PM
66	An indoor pool is so needed in Farragut. Year round swimmers are having to drive to Oak Ridge, Maryville, or downtown for swim teams when we could have our own in Farragut. It could also offer swim lessons to kids, etc.	8/23/2021 12:20 PM
67	We really need an indoor swim facility. The YMCA is not large enough to handle all the local swim teams	8/22/2021 8:28 PM
68	Sand or mud pit for kids play. Wide space for Frisbee or flying kites.	8/22/2021 5:24 PM
69	Swimming pool is very much needed!!	8/22/2021 5:10 PM
70	Swimming pool indoor would be the best thing for Farragut!	8/22/2021 3:48 PM
71	We desperately need a pool in the Farragut area! Look at how many swimmers are in this community on Summer swim teams, and year round swim teams. It would be supported for sure!	8/22/2021 9:57 AM
72	The greenways are what make Farragut do special. Please continue and finish and connect them. :)	8/22/2021 8:35 AM
73	We already have all of these things within a tiny drive, don't screw up farragut by adding things we already have!	8/22/2021 8:30 AM
74	Please add a pool! We need a pool so bad and we could pull together donors and people who would contribute all over west Knoxville. This is so necessary! With indoor bubble. This would be huge for our schools.	8/22/2021 8:22 AM
75	The hiking and biking trails are nice and linkage would be great. A pool that kids could use, people could rent for parties and swim teams could utilize would be awesome. Kingsport has an incredible facility that is always busy and Farragut would be the place to be in Knoxville if it had something similar	8/22/2021 5:31 AM
76	An indoor community swimming pool is the one thing the Town of Farragut lacks. We've been hoping for one for YEARS.	8/22/2021 3:25 AM
77	indoor, Olympic size community pool!	8/21/2021 10:58 PM
78	Swings for adults not baby swings	8/21/2021 8:48 PM
79	Definite need for tennis courts and outdoor and indoor courts for basketball and volleyball	8/21/2021 8:40 PM
80	Please add a swimming pool for the community and access for a swim team for the Farragut area.	8/21/2021 8:16 PM
81	The pool should be year round use.	8/21/2021 8:00 PM
82	Farragut needs a community pool, olympic size pools for all the school events and lessons.	8/21/2021 7:19 PM
83	We desperately need a community pool so the many, many Farragut families do not have to drive several times a week to UT and Lenoir City, with some practices getting out after 9 pm due to the lack of indoor pools. Farragut children deserve a community indoor pool or bubbled outdoor pool! Let's keep our kids engaged in a healthy sport without having to drive 20-30 minutes outside of Farragut!	8/21/2021 6:51 PM
84	We've got great parks rather than add more let's maintain the ones we have. Farragut is doing a great job of this. A community pool with lifeguards and daily rate admission would be awesome. Mountain biking trails like south Knoxville has a Bakers Creek would be awesome. I'd like to see more loading docks for Kayaking like the Cove has. Keep up the good work!	8/21/2021 6:48 PM
85	Need indoor/outdoor pool with lots of parking.	8/21/2021 6:48 PM
86	A public pool would be at the top of my most desired list for our town.	8/21/2021 6:38 PM
87	Our town needs an indoor/outdoor swimming pool! Farragut has so many swimmers. My sons are on the school teams and travel to UT, Maryville, Oak Ridge, and Lenoir City. It seems that Farragut, of all places, would have a rec center that includes swimming facilities.	8/21/2021 6:37 PM

Citizen Survey

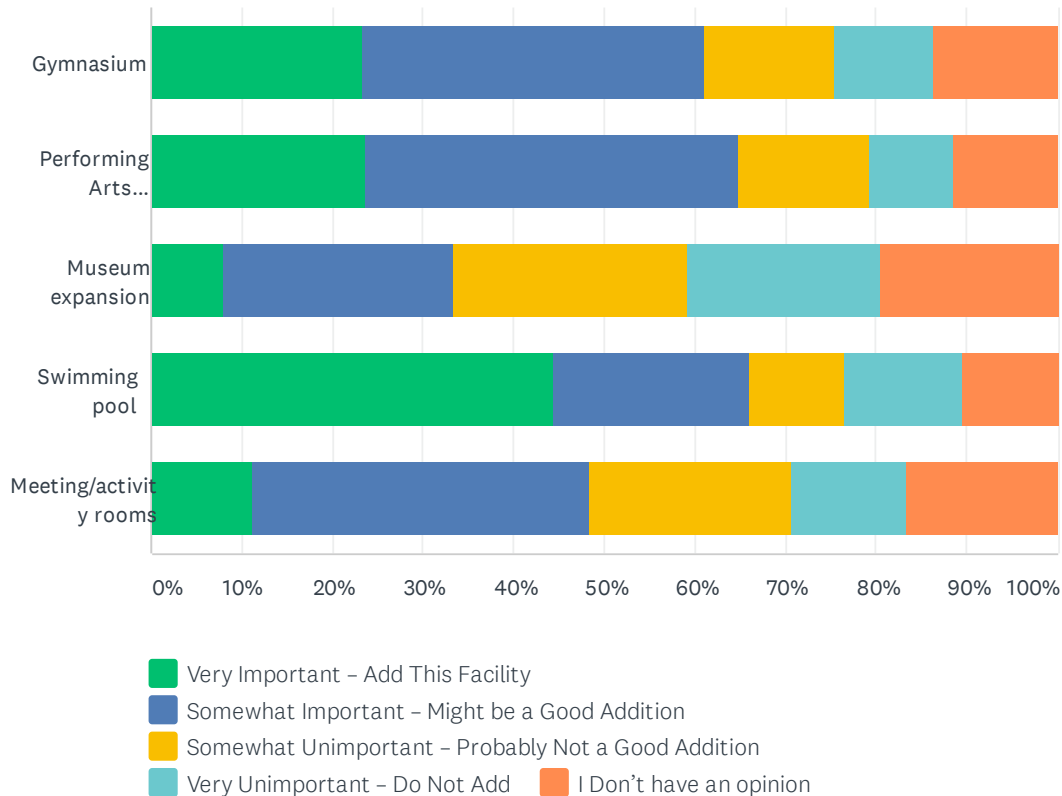

88	Indoor Olympic size pool	8/21/2021 6:25 PM
89	Aquatics center please!! We have such a large community of swimmers, competitive and just for fun. This would be an amazing asset to the community	8/21/2021 4:59 PM
90	More kayak launch areas	8/21/2021 4:57 PM
91	Covered and uncovered soccer fields.	8/21/2021 4:53 PM
92	The pool should be able to be covered with a bubble like Lenoir City does for year round use!	8/21/2021 4:18 PM
93	Tennis, swimming, disc golf, and biking trails are all things that we go out of the community for regularly.	8/21/2021 3:58 PM
94	Indoor pool and tennis courts are the most important additions to our town's parks.	8/21/2021 3:29 PM
95	There are three competitive (year round) swim teams in Knoxville. The majority of the swimmers are from Farragut, TN. This is because we have such a large swim community. With 4-5 summer swim teams in our zip code, kids and parents see the value in swim. My daughter swims year round and we drive to Oak Ridge every day. Other Farragut kids either do the same as us and drive to Oak Ridge or they drive to Maryville or UT. All 3 of these facilities are 30 minutes away. This town needs an indoor swim facility where our year round swimmers can swim as well as our high school and middle school teams. Currently our high school and middle school teams practice at UT. Our town needs an indoor swim facility more than anything else listed on this survey.	8/21/2021 3:02 PM
96	Indoor pool!!	8/21/2021 2:54 PM
97	It would be nice to have a skills/jump park for bikes.	8/21/2021 2:21 PM
98	We desperately need an indoor or covered pool. I would guess over 150 Farragut based swimmers drive to Oak Ridge, Maryville and UT campus to swim 6 days a week. We really need to focus on having a space these athletes can swim in our town!!!	8/21/2021 2:11 PM
99	Bike park, pump tracks, more thinks for bikes - as much as the roads are equally owned by bikers, it would be great to have more places to get off road. A place like Baker Creek Preserve would be awesome!!	8/21/2021 1:15 PM
100	—improve playground at Anchor Park —install small playground, swings, or climbing structure at Founders Park —improve restrooms at all parks —community center improvements or additions	8/21/2021 12:56 PM
101	We have so many kids that do summer swim yet we have no facilities for the high school, middle school and to support local swimmers. Our kids have to go to Oak Ridge or Maryville to swim. We have fallen behind other communities and would benefit from a community center like Kingsport with swim and athletics.	8/21/2021 12:49 PM
102	Would love to see an indoor swimming pool. Also restrooms along the Greenway would be nice.	8/21/2021 12:31 PM
103	Pool, pool, pool	8/21/2021 12:14 PM
104	We need a community Olympic size pool for our town to use and schools for swim teams. This pool can also be rented out by other swim teams in the area. Our kids are required to drive to UT, Alcoa or Oak Ridge daily for swim team practice. There are also many residents without a pool, so it would be nice to have a community pool available,	8/21/2021 11:52 AM
105	TENNIS!! We would love community tennis or a pool.	8/21/2021 11:36 AM
106	Vending machines for water/snack or small snack store in the park may be also good idea. Or food truck access..	8/21/2021 11:07 AM
107	Please add more bucket/toddler swings to all Farragut parks—NOT double swings with two facing each other but just regular bucket swings for the toddlers.	8/21/2021 11:01 AM
108	Definitely need a community pool	8/21/2021 10:09 AM
109	I would like to see more bench swings near the water. Spraying for mosquitoes would be nice too. Lights on the running trail that goes behind FPS.	8/21/2021 9:40 AM
110	Ice Skating Rink, wide connected biking trails, non-motorized watercraft launch sites	8/21/2021 9:11 AM

111	Connecting the greenway at Turkey Creek all the way to McFee would be the largest request for our family!	8/21/2021 9:07 AM
112	Indoor pool!! Please. So many families in this area travel 30+' mins for a pool access	8/21/2021 9:02 AM
113	Most subdivisions have tennis courts and they go largely unused and start to look like eye sores over time. Basketball courts are rarely built and always seem to be in use and competes for since there are so few at parks and in subdivisions!	8/21/2021 8:59 AM
114	Public swimming pool would make Farragut amazing	8/21/2021 8:23 AM
115	More parking! McFee needs more parking real bad.	8/21/2021 7:53 AM
116	What I would like to see more of is lake access for kayaks and paddle boards.	8/20/2021 11:30 PM
117	Mountain bike trails connecting different areas in Farragut would be awesome. Ride from Choto Markets to concord trails, up to 35 North for refreshments and back.	8/20/2021 8:47 PM
118	This area of town is in need of an aquatic center. There are many swimmers here who must travel to downtown Knoxville, Maryville or Oak Ridge for practice. I think an aquatic center (like the one in Kingsport) would be a fabulous addition to Farragut!	8/20/2021 1:50 PM
119	Would love a small outdoor running track made of the same material the high school tracks are made of. It is much better medically for older knees than concrete.	8/20/2021 1:25 PM
120	Anchor Park could use more benches around the play structure that are in the shade.	8/19/2021 1:32 PM
121	Community swimming pool that can hold swim meets, we have at least 6 swim teams around towns between schools and neighborhoods that could benefit from this. Please!	8/18/2021 8:03 PM

7	An actual "town center" Farragut could be such a cute town that really draws people in, but there's no actual "town center". By that I mean a large park that encompasses small boutique stores, a performance pavilion, park, playground, trails. A place where people can go dine and then watch a live performance or see a movie. It's really quite sad that there's no communal hub of energy for the town, and therefore no real town center. Adding a pavilion and museum doesn't make it a town center. The place where people go because it's the central location for all things, that's a town center.	9/7/2021 7:14 AM
8	I think the that a bankshot court would be very neat for kids. http://www.bankshot.com/bankshot-basketball.html https://www.youtube.com/watch?v=w8wS3lCq2Ccf	9/6/2021 11:22 PM
9	Indoor pool facility that could be used by middle and high school teams too	9/6/2021 9:21 PM
10	It seems an all purpose facility might satisfy all of the above. Also an indoor swimming pool would be beneficial to all ages for exercise and swim teams. We can only use outdoor pools a few months out of the year.	9/5/2021 6:37 AM
11	Don't we already have meeting rooms in the community center? An informal wedding venue might be nice. It would be neat if the plaza could be rented for that	9/3/2021 8:33 PM
12	The swimming could get \$ for swim meets to help offset maintenance costs.	9/1/2021 2:56 PM
13	Indoor Tennis Courts	9/1/2021 2:41 PM
14	Expansion or work together with Knox County to get into areas that are not Town of Farragut. We can be something special.	8/31/2021 5:55 PM
15	the more that is added the more crowded the park and the less restive the park is.	8/30/2021 10:55 AM
16	An indoor Olympic sized swimming facility would significantly add to our town's ability to service a growing demand for an extremely large percentage of our population	8/30/2021 8:42 AM
17	don't need any of the above. will probably enjoy whatever you do add!	8/27/2021 6:39 PM
18	Area to have a farmers market and art exhibitions, sales (not crafts, actual art)	8/27/2021 2:55 PM
19	Yoga/Tai Chi friendly spaces.	8/27/2021 11:46 AM
20	If we had a community center with extra rooms of various sizes, the town could offer an unlimited number of options for classes/activities for all ages- whatever the residents were interested in. In our previous community, I personally taught a senior fitness class, preschool "fitness is fun" class, and a photography class. Each season there was always a waiting list. There was also an indoor pool, splash pad, and exercise room open to residents for a nominal fee per visit. We has a whole booklet of classes offered sent out twice a year. Really fostered a sense of community.	8/26/2021 6:26 PM
21	Doesn't the new Community center have a gym/pickle ball court and meeting rooms?	8/26/2021 5:52 PM
22	Add a swimming pool with activity pool and or water slides	8/26/2021 5:10 PM
23	Indoor Pickle Ball courts	8/26/2021 3:43 PM
24	If meeting/activity rooms are available evenings and weekends, I might change the response to "somewhat important".	8/26/2021 12:40 PM
25	Swimming pool would be amazing!!	8/25/2021 9:49 AM
26	Town square with local shops (not chains), that is walkable with a playground nearby	8/24/2021 1:20 PM
27	Again, community swimming pool would be an amazing addition to our community.	8/23/2021 10:35 PM

28	Thank you for considering a theatre & pool! We need this so much in our area!!	8/23/2021 9:33 PM
29	Teen Rec Center	8/23/2021 4:49 PM
30	Indoor swimming pool would be fantastic! The high school and middle school could practice here, as well as creation of a new competitive kids year round swim program.	8/23/2021 12:20 PM
31	We HAVE these things all around us already or have pools in every neighborhood!	8/22/2021 8:30 AM
32	We have so many swim teams in Knox County, Farragut alone and we don't have a recreational center. Farragut will do good to add an outdoor, indoor pool	8/21/2021 10:37 PM
33	Smaller meeting rooms that you will rent out to people that want to charge for their services.	8/21/2021 10:15 PM
34	We have so many swimmers in Farragut, who have to go to Oak Ridge, Maryville, or UT campus for year round swim. It would be so amazing to have a facility in Farragut that would not only benefit those swimmers, but also bring in revenue from competitions.	8/21/2021 9:20 PM
35	Indoor courts for basketball or volkeyball	8/21/2021 8:40 PM
36	Sooooooooo many Farragut families drive to Oak Ridge, Maryville or UT for year round swimming, and adults have to join gyms to have access to aquatic sports. Please consider an indoor aquatic center! It would bring revenue to the Town of Farragut, and would be awesome for the seniors to have access to water aerobics and low impact exercise.	8/21/2021 8:25 PM
37	Olympic sized indoor pool	8/21/2021 8:18 PM
38	Indoor olympic size pool.	8/21/2021 7:19 PM
39	Pool please-it's ridiculous that Farragut schools have to scramble for swim practice at UT or Lenoir City, patronizing Knoxville and Lenoir City business after for snacks for the kids. Parents often eat out at those areas during practice too! And after meets.	8/21/2021 6:51 PM
40	Indoor Olympic size swimming pool	8/21/2021 6:25 PM
41	Places where one could sit quietly to read similar to a coffee shop or library	8/21/2021 5:21 PM
42	Indoor track and multi use facility	8/21/2021 5:01 PM
43	We need more opportunities for outdoor activities	8/21/2021 4:35 PM
44	We would LOVE to see an aquatic center of some sort added.	8/21/2021 2:44 PM
45	Doesn't the community center have a gym in it??	8/21/2021 12:56 PM
46	Indoor pool is badly needed by school teams, would be huge benefit to community. Lenoir City bubble great model.	8/21/2021 12:14 PM
47	An indoor aquatic center would be great for exercise, etc during the colder months.	8/20/2021 1:50 PM

Work on infrastructure first before build things that draw crowds. Those in the Choto area cannot get home due to traffic. The underpass was suppose to be addressed a long time ago, we have lived out here 20+ years & now all the subdivisions are here & we have antiquated roads to access them.

11	We don't need Wifi in the parks because this will draw more people to the parks especially at night. Let them go to the library.	8/31/2021 10:44 AM

14	Over all I think the town employees do a good job with park maintenance.	8/26/2021 9:16 PM
15	The parks are fabulous and well maintained. More public pools with classes for young and old people !!	8/26/2021 6:47 PM
16	The guys taking care of the parks do an amazing job. Just seems like they are stretched a little thin.	8/24/2021 9:37 AM
17	Add water bottle filler stations to all the parks	8/23/2021 12:20 PM
18	Please no Wifi in parks - is nothing sacred - we go to the parks to ESCAPE the internet and exist in the real world. Add wifi and every teen will just hang out at the park on their phone.	8/22/2021 6:04 PM
19	You will absolutely ruin Farragut if you add stuff to 'draw tourists'-that's what Knoxville is for! Farragut is where we have our HOMES, no to trying to make us some tourist spot!	8/22/2021 8:30 AM
20	Bringing events to Farragut would be great for the community. Performances in the park would attract existing residents. A pool that could be used for competition would attract out of towners for meets and bring additional revenue to hotels, restaurants and other businesses	8/22/2021 5:31 AM
21	This is a major historical area-that should be very important to the town. Electric car stations? No. Trolley? No. We have a great small town feel if we wanted a downtown experience we'd move there	8/21/2021 7:14 PM
22	A pool in Farragut! The one that Green Meadow in Alcoa has is very functional with the nice bubble they use in colder months.	8/21/2021 6:51 PM
23	Going to parks should be about getting away from technology and screens. I think it's okay not to have wifi in my opinion. It's nice to unplug.	8/21/2021 2:21 PM
24	We don't need WiFi in parks. It is a place to unplug and enjoy nature.	8/21/2021 2:11 PM
25	Transportation might be helpful for special events, but not needed for normal days. NO events that bring tourists—I want more community building events. Kid programs might be good.	8/21/2021 12:56 PM

1	As an active senior our parks are critical to ensure we have safe areas to walk and enjoy nature. Farragut has done a great job in this -- we esp enjoy Concord and Founders Parks. We just love the landscaping at Founders -- kudos to the maintence/landscaping crew. Of course during the holidays these parks get very busy -- parking becomes an issue but appreciate your attempts at addressing this by changing entrances and extending the park boundaries.	9/13/2021 7:33 AM
2	Civil war history is important to the area, rectangular fields across important areas for recreation and history would be great. A public boat ramp would be great. A par 3 golf course would be great.	9/12/2021 10:39 AM
3	Add more Pickleball Courts	9/10/2021 3:48 PM
4	I love volleyball and I would love to see more volleyball courts and adult volleyball leagues.	9/10/2021 11:16 AM
5	Farragut is exploding! It breaks my heart to see our farms sold and split up to tiny postage stamp homes... I'd love to see some of it purchased and used for outdoor park settings, at least.	9/9/2021 10:33 AM

44	Farragut Parks workers take excellent care of our parks. I think Farragut parks are the cleanest, most mowed/mulched, and maintained that I have ever seen, thank you! It is quite impressive and always enjoyable to use anytime with friends and family. I wish The Cove park in Knox County had the same amount of support.	9/7/2021 9:12 AM
45	Would love to see a youth and adult tennis program at McFee. Our previous town had an excellent tennis instructor who had group lessons every Saturday morning for local residents and private lessons during the week. They were for both adults and children and very cost-reasonable. Lots of people participated and it was tons of fun. For those who don't want to pay or can't pay for a league or racket club, this makes tennis affordable. It was a co-operative agreement between the town and him. He was not hired by them but was basically licensed and the sole program for their courts.	9/7/2021 7:14 AM

63	There are many people who like to stay active and fit outdoors. The Town boasts that it has wonderful greenways for cyclists, but compared to many other cities and towns, our greenways are undesirable in that they are not connected! Who wants to ride a mile or so then have to get on the street? Pickleball is a hugely popular sport that will only increase in popularity. We have enough baseball fields and soccer fields in Farragut and surrounding areas and there is a Par 3 course near the Cove.	9/3/2021 1:24 PM

93	The town parks need better maintenance. There are multiple areas in the parks that need attention and sometimes things don't get fixed in a timely manner. Also, with the extension of McFee park more employees will be needed to look after park facilities. I would like to see an outdoor amphitheater at McFee or one of the other parks for outdoor concerts. The space for concerts at Founders park is too small and McFee Park could offer the adequate space for that project.	8/31/2021 10:44 AM

Seeing the number of kids that are active in just neighborhood swim teams, not including school swim, other adult leagues, and a host of other uses, I feel that this would make a huge impact and also provide significant revenue opportunity to the town of Farragut.	8/30/2021 8:42 AM

109	My wife and I run or bike 4 times per week. 95% of the time we go to better/longer greenways in Knoxville, Maryville or Oak Ridge. Traffic is a huge issue, I've lived here since 1984 (in town limits until recently) and am sad to see our area look like Pigeon Forge on a Saturday! The traffic has become my number one complaint but otherwise I love this town! Also, if Allen Kirby road (part is in London county) could be widened enough to walk on without getting in the ditch when a car passes it would be a lovely addition to our already great walking areas. 138	I'd like to emphasize how much a community aquatic center would add to Farragut. Between swimming instruction and water aerobics for all ages, Farragut middle and high school swim teams, summer swim leagues (including hosting meets), year-round swim teams, birthday parties, and general recreation, a local facility would certainly stay busy year round and quickly become profitable. Farragut residents are paying \$110/month at Ft. Sanders largely in part for their pool access, and we personally pay over \$1,000/year per kid to swim at the closest year-round swim team (over 30 minutes away most days). A quick search of summer swim leagues will show the vast majority of kids swimming in all of Knoxville are within the Farragut lines, most teams being full with waiting lists at all the community pools. Lets keep all this money within the Farragut community by employing Farragut residents and everyone enjoying a local aquatic center. A great question to ask would be, how much is the average resident willing to pay per month or per activity? It's definitely worth doing the math 😊	8/26/2021 7:27 PM

145	Seems like Farragut Parks are used a lot by West Knox County and Loudon County residents. It would be expensive to control access via a pass or car permit and create disharmony. Limiting large groups at the splash pad was a good idea. 174	As the TOF continues to grow, our population is also aging. Many of us seniors are no longer able to cover a tennis court and have moved to pickleball. Dedicated (single-purpose) PB courts are in high demand and the sport is growing rapidly in all age groups in the Knox Count area and across the country. There are currently no public-owned dedicated PB courts in the TOF and the multi-purpose courts at Concord Park and Carl Cowan Park are in poor-to-terrible condition. Note that construction of multipurpose or conversion tennis/PB courts seems like a good idea, but this is not actually the case. Many TOF citizens would like to see and use some first-class PB facilities. This is a great need of the Farragut senior community that the TOF can begin to resolve rather inexpensively. Thank you for your consideration.	8/26/2021 10:23 AM
175	Please consider spending money on buried utility lines on Kingston Pike. We spend millions on parks. Now it's time to clean up the view on KP. Second, we need to stop allowing developers to clear cut lots along KP as they build. Three examples, Weigles, Enterprise, and the Dollar Store. Not only are the mature trees destroyed, they fail to maintain the shrubs and trees they do plant. It's an eye sore — Weeds and dead trees and shrubs.	8/26/2021 10:13 AM

191	I used to live in a loft downtown and while I love my big backyard now that I live in Farragut, I miss the local/community feel of downtown Knoxville. The greenways are wonderful and we go to anchor park at least several times a week. But what would make Farragut a really special is a town center that has a local feel. With locally-owned shops and ages, built in a space that allows people to gather—I.e. a town square.	8/24/2021 1:20 PM
192	Make the community more involved in decisions concerning building big apartments in the Middle of town across from our schools. This should have been brought to a vote for the residents of Farragut instead of the town officers and a builder. It should never have happened and should be corrected and should never happen again. 197	An indoor (or indoor/outdoor with a bubble) swimming pool would be a HUGE boon to our town! It would get so much use! How amazing would it be for our middle school and high school swim teams to rent lanes in a pool in our community instead of driving all the way to UT or down to Lenoir City for swim practice all fall and winter? It would be amazing to have a space for winter swim lessons and competitive swim training.	8/23/2021 9:48 PM
198	Schools are going to be a big issue with the increase of housing in town. The town and KCS should be working on a plan NOW for this and building additional schools for rezoning. Approving apartment builds and new housing communities is irresponsible if there is no plan on how to manage the increased number of students it will bring to the Farragut schools. People move to Farragut for the schools, but if this issue is not addressed, it will lose that draw. Would LOVE to see investment in a community Recreational center that includes a community pool. We have a very large swim community in Farragut, many families with young children who need lessons and would use open swim times, nearby school and competitive teams that would purchase pool time and provide the opportunity for additional local sports. Many uses for the pool and other rec facilities.	8/23/2021 9:34 PM

We are out there for football multiple nights a week, and most players have younger siblings. It's dangerous how many cars come by with no barrier, we are constantly worried. There are so many swimmers in the Farragut area that currently commute 30 minutes or more to get to a pool several days a week. We moved from San Diego to get away from all the hustle and bustle and just in the 6 months we have been here we're feeling a shift in crowded and traffic riddled streets with rushing and more aggressive drivers. 320	Need more planned activities specifically aimed at children, teens and families. You need a REAL walkable town center, not the nonsense currently happening on the old Kroger lot. The quality of Farragut schools is on the decline which will cause a huge drop home values in the future and thus people moving elsewhere, fewer tax dollars being spent. Too much focus on the adult/Senior community and the stupid idea that Farragut is some how a "travel destination" or in the business of "sports tourism". Knock off the tourism angle. Focus on what the people actually living here want. People who actually live/work here don't want the additional traffic at the cost of quality of life (or the ability to simple drive down Kingston Pike without soul crushing gridlock.) You are losing the market of growing families who are proactive and enjoy doing things around town with their kids.	8/21/2021 8:12 AM

335	Thank you for providing such a beautiful community and gathering spaces. We have lived in Farragut for over 17 years and have raised two children, who are now teenagers, here. Over the years we've enjoyed so many of the facilities and amenities that you offer for all ages. I would love to see all the greenways connect...specifically Turkey creek road to McFee Park. Evans Road is a dangerous place for families to walk/bike between neighborhoods and the parks. There is currently a section with no sidewalk or even a shoulder along a very narrow road. We look forward to continuing to enjoy our beautiful community through the years!	8/20/2021 2:24 PM
336	The park system is great, but adding more before all land is gone would make the community even better. Please, please try to link all the greenways together and add more (especially Everett Road to Prince George Parish, and/or finishing Smith Road greenway out to Everett)! Mountain biking is booming and would be a phenomenal addition as well. And there's currently nowhere for pickup basketball games to take place in earnest that I'm aware of, so I would love that also. REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Mark Shipley, Community Development Director

SUBJECT: Consideration of Ordinance 21-20 on second reading, an ordinance to amend the Farragut Municipal Code, Appendix A – Zoning, Chapter 4., Section XIII. – Outdoor site lighting, to create new provisions and update and organize existing provisions (Town of Farragut, Applicant)

INTRODUCTION AND BACKGROUND: This agenda item involves updates to the Town’s outdoor site lighting provisions in Chapter 4 of the Farragut Zoning Ordinance. As discussed during review with the Planning Commission, lighting technology and exterior lighting applications have changed substantially over the past few years. Consequently, some of the Town’s existing provisions are outdated or do not address certain types of lights.

Specifically, staff noted that standards were needed for decorative string lights and how to address the brightness of some LED lighting. Staff has been working with a local lighting expert to help develop performance standards, including standards for bollard and landscape lights since those are also becoming more popular in non-residential settings.

DISCUSSION: As noted with the Planning Commission, staff has taken the feedback provided by the lighting consultant and included this in Ordinance 21-20. Staff has also organized the lighting provisions so that information is easier to find. Given the number of changes proposed, staff felt that it would be easier to review clean versions of the existing and the proposed outdoor site lighting rather than using strikethrough and highlighting new language. Some of the key updates to outdoor site lighting, as reflected in Ordinance 21-20, include the following:

1. Organizing information to make different provisions easier to find.
2. Clarifying existing provisions and performance standards for pole mounted lights, wall mounted lights, and under canopy lights.
3. Establishing Kelvin temperature standards to help control brightness and glare.
4. Establishing standards for decorative string lights.
5. Establishing standards for bollard and landscape lights.
6. Organizing and clarifying the lighting plan submittal and verification requirements.

RECOMMENDATION: At their meeting on November 18, 2021, the Planning Commission unanimously recommended approval of Ordinance 21-20. At the Board of Mayor and Aldermen meeting on January 13, 2022, Ordinance 21-20 was unanimously approved on first reading. There have been no changes to Ordinance 21-20 since first reading and staff recommends approval of Ordinance 21-20 on second reading.

AN ORDINANCE TO AMEND THE TEXT OF THE FARRAGUT ZONING ORDINANCE, ORDINANCE 86-16, AS AMENDED, PURSUANT TO AUTHORITY GRANTED BY SECTION 13-4-201, TENNESSEE CODE ANNOTATED, BY AMENDING THE FARRAGUT MUNICIPAL CODE, APPENDIX A., ZONING, CHAPTER 4., SECTION XIII. – OUTDOOR SITE LIGHTING

WHEREAS, the Board of Mayor and Aldermen of the Town of Farragut, Tennessee, wishes to amend Chapter 4., Section XIII. Outdoor site lighting, of the Farragut Zoning Ordinance, Ordinance 86-16.

NOW, THEREFORE, BE IT ORDAINED by the Board of Mayor and Aldermen of the Town of Farragut, Tennessee, that the Farragut Zoning Ordinance is hereby amended by replacing Chapter 4., Section XIII., Outdoor site lighting, in its entirety as follows:

SECTION 1.

XIII. - Outdoor site lighting.

A. Intent

It is the intent of this section to establish outdoor lighting requirements that reduce the negative effects of lighting, but at the same time address the need for adequate lighting for safety and visibility concerns. The following requirements shall apply to all developments and/or facilities, excluding single-family and two-family dwellings and street lighting. In no case, however, shall any light shine or glare to create a traffic safety hazard on any adjacent properties, rights-of-way, access easements, or driveways.

B. Pole Mounted Lights

1. Pole height for new lights

Unless specified elsewhere in this ordinance, light poles, including any supporting base, shall not exceed twenty-eight (28) feet in height. The height shall be measured from the ground to the top of the pole.

2. Pole height for modifications to existing lights

For existing developments that are expanding, if the existing light poles are taller than twenty-eight (28) feet, and new light poles are to be added as part of the expansion to the project, the Planning Commission may approve a light pole taller than twenty-eight (28) feet so as to match the existing light poles if it can be shown that the taller light pole will not create any negative effects on any adjacent properties, right-of-ways, access easements, or driveways. In no case shall new light poles exceed the height of the existing light poles or forty (40) feet in height, whichever is less.

3. Performance standards for pole mounted lights

- a. Fixture orientation. Light fixtures on pole mounted lights shall be horizontal in orientation so that light is directed only toward the ground below. Light shall not be distributed out the front or sides of the fixture. No portion of the light source or material surrounding the light source which allows light through shall protrude from the light box/housing.
- b. Fixture style. A variety of fixture styles are permitted provided they can demonstrate full compliance with the performance standards of this ordinance. If pole mounted lights are located adjacent to property zoned residential or agricultural and such land is below the pole base elevation, exterior or interior glare shields shall be added to the pole mounted lights. No lights shall shine or glare directly onto adjacent properties, right-of-ways, access easements, or driveways. For the purposes of this ordinance, glare shall be defined as any brightness within the field of vision of such a character as to cause annoyance, discomfort, interference with vision, or loss in visual performance and visibility.
- c. Footcandles. The maximum number of footcandles at a street right-of-way or a property line that is adjacent to non-commercial or non-office zoned land, including community service zoned land, shall be 0.5 footcandles. The maximum number of footcandles at a street right-of-way or a property line that is adjacent to commercial or office zoned land shall be 3.0 footcandles.
- d. Kelvin Temperature. Pole mounted light fixtures shall not exceed 4000 degrees Kelvin.

C. Wall Mounted Lights

1. Performance standards for wall mounted lights

- a. Fixture orientation. Unless specified elsewhere in this ordinance, all wall mounted lights shall be horizontal in orientation and direct light only at the ground. Light distributed out the front or sides of the fixture is specifically prohibited. An exception for a decorative wall mounted light fixture with a non-horizontal light source is permitted, provided the material that allows light through is frosted or refractive with regards to light distribution, so that the light source is not visible. No portion of the light source or material surrounding the light source which allows light through shall protrude from the light box/housing. Clear non-horizontal lenses are specifically prohibited. The only exception to this is an emergency light.

- b. Fixture style and mounting height. A variety of fixture styles are permitted provided they can demonstrate full compliance with the performance standards of this ordinance. The maximum mounting height on the wall for all wall lights shall be fifteen (15) feet.
- c. Footcandles. The maximum number of footcandles at a property line that is adjacent to non-commercial or non-office zoned land, including community service zoned land, shall be 0.5 footcandles. The maximum number of footcandles at a street right-of-way or a property line that is adjacent to commercial or office zoned land shall be 3.0 footcandles.
- d. Kelvin Temperature. Wall mounted light fixtures shall not exceed 4000 degrees Kelvin.

D. Decorative String Lights

1. Performance standards for decorative string lights

- a. Fixture style. Decorative string lights shall not include blinking or any type of motion and shall be without color. Individual bulbs shall not exceed 300 delivered lumens.
- b. Footcandles. The area being illuminated by decorative string lights shall not exceed 5.0 footcandles. Where the abutting property is zoned residential, the area being illuminated by decorative string lights shall not exceed 3.0 footcandles. The maximum number of footcandles at a property line that is adjacent to non-commercial or non-office zoned land, including community service zoned land, shall be 0.5 footcandles. The maximum number of footcandles at a street right-of-way or a property line that is adjacent to commercial or office zoned land shall be 3.0 footcandles.
- c. Kelvin Temperature. Decorative string lights shall not exceed 3000 degrees Kelvin.

E. Ground Mounted Lights

1. Performance standards for ground mounted lights

All ground-mounted lights, whether used to illuminate a building, sign, or some other object shall be designed to minimize light that does not illuminate the target area. Typically, these would be in-grade fixtures. In all cases, however, no portion of the light source or material surrounding the light source which allows light through shall protrude from the light box/housing.

Since glare will be a more likely issue with above grade fixtures, blinders, shields, or some other type of protectors, may also be required on these lights to eliminate glare and direct the beam away from adjacent properties, rights-of-way, access easements, or driveways.

F. Bollard Lights and Landscape Lights

1. Performance standards for bollard lights

Where bollard or landscape lights are used, the light source shall be concealed either within the light box/housing or with a frosted lens so that the light source is not visible. Bollard or landscape lights shall not exceed 500 lumens unless they are full cutoff in which case, they shall not exceed 1000 delivered lumens.

G. Under Canopy and Similar Lights

1. Performance standards for under canopy and similar lights

Lights located under gasoline service station canopies, canopies for bank automatic teller machines, and other such similar canopies shall be recessed into the ceiling structure or shall use light blinders, shields or some other type of protectors to eliminate glare. No portion of the light source or material surrounding the light source which allows light through shall protrude from the structure ceiling. Under canopy and similar lights shall not exceed 4000 degrees Kelvin.

H. Code and Service Line Requirements

All outdoor site lighting shall comply with applicable building, fire, and utility code requirements. All electrical lines servicing outdoor site lighting shall be underground.

I. Lighting Plan Submittal and Verification Requirements

1. Plan requirements

Where any outdoor site lighting is proposed, site plans, as required in Chapter 4 of the Zoning Ordinance, shall include a lighting plan to specifically address compliance with this ordinance. The lighting plan shall be signed and sealed by a licensed electrical engineer, and include, as applicable, the following:

- a. A scaled lighting layout of the site showing and labeling the locations and types of lights proposed in different locations.
- b. A light fixture table that corresponds to the site lighting sheet and that includes the type and number of fixtures proposed in different locations.
- c. A diagram showing the overall height and fixture orientation of pole mounted lights. If old poles are to be reused with new fixtures, the lighting plan shall certify that the old poles will meet the EPA ratings required to support the new fixtures.
- d. A diagram showing the overall height and fixture orientation of wall mounted lights.
- e. Specification sheets for all proposed outdoor light fixtures. Such sheets shall specifically address the corresponding performance standards provided for in this ordinance.
- f. A photometric plot which illustrates the footcandle readings for areas illuminated by string lights and along all property lines and rights of ways to demonstrate compliance with this ordinance.

2. Verification requirements

Upon completion of a project and prior to the issuance of a Certificate of Occupancy or Certificate of Completion, a lighting certification prepared by a licensed electrical engineer shall be submitted to the Town to verify that all outdoor lights have been

installed per the approved lighting plan and in compliance with the performance standards and other requirements of this ordinance.

Town staff may waive the verification requirement from a licensed electrical engineer for a portion or all the outdoor lighting where compliance with this ordinance is obvious and can be reasonably verified by Town staff.

3. Modifications to existing facilities

Existing facilities that are adding new lights or changing existing lights shall submit a lighting plan that addresses the applicable performance standards and other requirements of this ordinance. The Town staff will review this and, depending on the scope and nature of the modifications, may require a formal approval from the Planning Commission as part of a site plan review. Consistent with this ordinance, height increases for pole mounted lights shall be presented to the Planning Commission for approval.

Town staff may also require a verification from a licensed electrical engineer where compliance with this ordinance cannot be reasonably verified by Town staff.

SECTION 2.

This ordinance shall take effect from and after its final passage and publication, the public welfare requiring it.
