Proclamation

Building Safety Month — May 2022

Whereas the Town of Farragut is committed to recognizing that our growth and strength depends on the safety and essential role homes, buildings, and infrastructure play, both in everyday life, and when disasters strike, and

Whereas our confidence in resilience of these buildings that make up our community is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers, and others in the construction industry—who work year-round to ensure the safe construction of buildings, and

Whereas these guardians are dedicated members of the International Code Council, a nonprofit that brings together local, state, territorial, tribal, and federal officials that are experts in the built environment to create and implement the highest-quality codes to protect us in the buildings where we live, learn, work, and play, and

Whereas these modern building codes include safeguards to protect the public from hazards such as hurricanes, snowstorms, tornadoes, wildland fires, floods, and earthquake, and

Whereas Building Safety Month is sponsored by the International Code Council to remind the public about the critical role of our communities' largely unknown protectors of public safety—our local code officials—who assure us of safe, sustainable, and affordable buildings that are essential to our prosperity, and

Whereas “Safety for all: Building Codes in Action,” the theme for Building Safety Month 2022, encourages us all to raise awareness about planning for safe and sustainable construction; career opportunities in building safety; understanding disaster mitigation, energy conservation; and creating a safe and abundant water supply to all of our benefit, and

Whereas in observance of Building Safety Month, people all over the world are asked to consider the commitment to improve building safety, resilience, and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local and state building departments, fire prevention bureaus and federal agencies in protecting lives and property.

NOW, THEREFORE, I, Ron Williams, Mayor of the Town of Farragut, State of Tennessee, do hereby proclaim the month of May 2022 as Building Safety Month. Accordingly, I encourage all our citizens to join us as we participate in Building Safety Month.

Ron Williams, Mayor

REPORT TO THE BOARD OF MAYOR AND ALDERMEN**PREPARED BY:** Mark Shipley, Community Development Director**SUBJECT:** Approval of Ordinance 22-01, an ordinance on second reading to amend the Farragut Zoning Map to rezone Parcel 6, Tax Map 151, 421 N. Watt Road, from General Commercial (C-1) to Neighborhood/Convenience Commercial (NCC), 9.22 Acres (Robert Campbell & Associates, Applicant)

INTRODUCTION AND BACKGROUND: This item involves a request to rezone an approximately 9.2-acre tract, Parcel 6, Tax Map 151, located at 421 N. Watt Road from a General Commercial (C-1) District designation to the Neighborhood/Convenience Commercial (NCC) District designation. The request is being made to support the development of a proposed mixed-use development containing a combination of commercial and office uses with residential townhomes. Though not required at the time the rezoning was initially applied for, the applicant will be providing prior to first reading a revised concept plan to illustrate how they plan to develop the property. The original plan that was presented during review with the Planning Commission is being modified in response to concerns over access to Harrison Road in Loudon County given the very substandard condition of this road.

DISCUSSION: During discussion with the Planning Commission, it was noted that the property fronts on N. Watt Road within the Town and extends westward into Loudon County, where it also has frontage along Harrison Lane. The Harrison Lane frontage and a small strip of the lot along that frontage is not located within the Town's corporate limits and the proposed rezoning will not affect it. The Loudon County portion of this property is very small and is not envisioned to have any development other than some grading. The existing land use in the immediate area is predominantly rural/low density residential. However, the Watt Road interstate interchange area is located just over the ridge to the north, while the Town's Mayor Bob Leonard Park along with a few small-scale commercial uses are located along N. Watt Road a short distance to the south.

The Town's Land Use Plan for the Watt Road Corridor was reevaluated in 2018, and the Future Land Use Map was amended to include several areas for potential Mixed Use Neighborhood development with associated residential densities not to exceed 8 dwelling units per acre. This included the property in question. The applicant's request for Neighborhood/Convenience Commercial (NCC) zoning would be consistent with the current Future Land Use Map and the Mixed-Use Neighborhood land use designation. Any future development site plan or subdivision proposal submitted for the property would, of course, have to meet the NCC Zoning District's standards and all other applicable Town requirements.

RECOMMENDATION: At their meeting on January 20, 2022, the Planning Commission unanimously recommended approval of Ordinance 22-01 to rezone Parcel 6, Tax Map 151, 421 N. Watt Road, from General Commercial (C-1) to Neighborhood/Convenience Commercial (NCC). At the Board of Mayor and Aldermen meeting on April 14, 2022, Ordinance 22-01 was unanimously approved on first reading. There have been no changes to Ordinance 22-01 since first reading and staff recommends approval of Ordinance 22-01 on second reading.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Mark Shipley, Community Development Director

SUBJECT: Approval of Ordinance 22-07, an ordinance on second reading to amend the Farragut Zoning Map to rezone Tax Map 152, Parcels 33.03 & 33.04, 721 Virtue Road & 12444 Evans Road, from Agricultural District (A) to Rural Single-Family Residential District (R-1), 44.33 Acres (Robert Campbell & Associates, Applicant)

INTRODUCTION AND BACKGROUND: During discussion with the Planning Commission, it was noted that this involves a request to rezone two tracts totaling 44.33 acres near the south intersection of Evans Road and Virtue Road. One tract fronts along Evans Road for roughly 360 feet just west of the Virtue Cumberland Presbyterian Cemetery on the south side of Evans Road. This tract has a barn and horse-riding track and is roughly 22 acres. The second tract fronts Evans Road for about 250 feet and Virtue Road for approximately 1,130 feet. This tract is where the property owner's house is situated as well as a barn.

Both properties are currently zoned Agricultural (A) which requires a minimum lot size of five acres. The applicant may potentially subdivide the property into lots which may be smaller than five acres and is requesting that the zoning map be amended from Agricultural to Rural Single-Family Residential (R-1). The R-1 District has a minimum lot size of 20,000 square feet, assumed public sanitary sewer is available to the lot.

DISCUSSION: The R-1 Zoning District is the same as the nearby Farm at Willow Creek and Vista Subdivisions. The future land use map identifies this general area as appropriate for Open Space Cluster Residential which would most closely relate to the R-1 Open Space Residential Overlay Districts (OSR and OSMR). As part of the review of this request, staff noted that the applicant may want to look at the OSR as another option for the property. Both OSR and standard R-1 would have the same density but the property in question has some drainage and topographic considerations that a future division of the property may capitalize on with an OSR district due to its greater flexibility in relation to lot configuration and building placement. The OSR would also be consistent with the future land use map which identifies the Open Space Cluster Residential land use as most appropriate for this general area.

Another zoning district that was mentioned to the applicant was the Rural Single Family Acre Residential District (R-1-S-A) since the applicant apparently plans to divide the property at some point in the future into larger estate lots that will be greater than one acre.

RECOMMENDATION: The applicant has reviewed the other options but is moving forward with their request for rezoning to R-1. A question raised with the Planning Commission and that was related to this zoning map amendment is whether the future land use map should be amended for these properties from Open Space Cluster Residential to Rural Residential (> 1 Acre Lots). Such an amendment would be consistent with any subsequent division of the property into estate size lots that would be at least more than one acre in size. The Planning Commission agreed that the future land use map should be reviewed in the near future for the general area and not just this property. With this understanding, at their meeting on March 17, 2022, the Planning Commission unanimously recommended approval of Ordinance 22-07 to rezone Tax Map 152, Parcels 33.03 & 33.04, 721 Virtue Road & 12444 Evans Road, from Agricultural (A) to Rural Single-Family Residential (R-1). At the Board of Mayor and Aldermen meeting on April 14, 2022, Ordinance 22-07 was unanimously approved on first reading. There have been no changes to Ordinance 22-07 since first reading and staff recommends approval of Ordinance 22-07 on second reading.
