REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Holley Marlowe, Code Enforcement Officer

SUBJECT: Ordinance 22-10; an ordinance on second reading to amend the Farragut Municipal Code Chapter 14 Nuisances & Property Maintenance, Article 4 – Lot Clearing, Section 14-138- Notice to Property Owner (Town of Farragut, Applicant)

INTRODUCTION: The amendment of this ordinance will correct a clerical error in the Town of Farragut Municipal Code Chapter 14 Nuisances and Property Maintenance, Article 4- Lot Clearing, Sec 14-138 Notice to Property Owner, which currently references section 14-134 as opposed to the correct section 14-136. As it is currently written Section 14-138 hinders the Town’s ability to enforce lot clearing.

BACKGROUND: The Board adopted the 20-02 Ordinance amending Chapter 14, Nuisances and Property Maintenance on February 13, 2020, to allow a greater degree of automation and consistency in our approach to property maintenance enforcement. The proposed amendment to Section 14-138 of Chapter 14 of the Farragut Municipal Code corrects a clerical error that prevents the Town from properly enforcing its lot clearing ordinance.

DISCUSSION: Staff is requesting to amend Chapter 14 Nuisances and Property Maintenance, Article 4 – Lot Clearing, Section 14-138 – Notice to property owner, to correctly reference section 14-136 instead of Section 14-134. This amendment does not alter the substance of the ordinance in any way.

RECOMMENDATION BY: Code and Zoning Enforcement Officer Holley Marlowe for approval.

PROPOSED MOTION: Approve on the second reading ordinance 22-10 to amend the Farragut Municipal Code Chapter 14, Nuisances and Property Maintenance

Attachment A

Chapter 14 – Nuisances and Property Maintenance

Article 4- Lot Clearing

Sec. 14-136. - Prohibition

Pursuant to the authority granted to municipalities under T.C.A. § 6-54-113, it is unlawful for any owner of record of real property to create, maintain, or permit to be maintained on such property the growth of trees, vines, grass, underbrush and/or the accumulations of debris, trash, litter, or garbage or any combination of the preceding elements so as to endanger the health, safety, or welfare of other citizens or to encourage the infestation of rats and other harmful animals. It is the intent of this title to be permissive, and not mandatory, and to serve as a means of last resort for the Town to assist residential communities and/or owners of neighboring property when restrictions and/or covenants applicable to the offending property provide no private remedial powers to correct the offensive characteristics of the property that endanger the health, safety and welfare of other citizens. In accordance with this intent, the Town Administrator or his/her designee may or may not take steps under this title. He/she must be satisfied, in his/her sole discretion, that there are no covenants or restrictions that are applicable to the property that could be enforced to correct its offensive characteristics, and that all reasonable private actions aimed at eliminating the offensive characteristics of the property have been exhausted.

Sec. 14-137. - Designation of public officer or department

Town Administrator or his/her designee is designated pursuant to T.C.A. § 6-54-113 to enforce the provisions of this article on behalf of the Town.

Sec. 14-138. - Notice to property owner

It is the duty of the Town Administrator or his/her designee to serve notice upon the owner of record in violation of section ~~14-134~~ 14-136, a notice in plain language to remedy the condition within ten (10) days (or twenty (20) days, excluding Saturdays, Sundays and legal holidays, if the owner of record is a carrier engaged in the transportation of property or is a utility transmitting communications, electricity, gas, liquids, steam, sewage, or other materials). The notice shall be sent by United States mail, addressed to the last known address of the owner of record. When an attempt at notification by United States mail fails or no valid address exists for the owner of record, the notice may be published in a newspaper of general circulation in the county where the property sits for no less than two (2) consecutive issues or personally deliver the notice to owner of record. For the purposes of this section, such publication shall constitute receipt of notice effective on the date of the second publication of the notice and personal delivery shall constitute receipt of notice immediately upon delivery.

The notice shall state that the owner of the property is entitled to a hearing, and shall, at the minimum, contain the following additional information:

- (1) A brief statement that the owner is in violation of section ~~14-134~~ 14-136, which has been enacted under the authority of T.C.A. § 6-54-113, and that the property of such owner may be cleaned up at the expense of the owner and a lien placed against the property to secure the cost of the cleanup.
- (2) The person, office, address, and telephone number of the department or person giving the notice;

- (3) A cost estimate for remedying the noted condition, which shall be in conformity with the standards of cost in the Town; and
- (4) A place wherein the notified party may return a copy of the notice, indicating the desire for a hearing. Failure to request a hearing within the notice period described above shall without exception constitute a waiver of the right to a hearing.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN**PREPARED BY:** Mark Shipley, Community Development Director**SUBJECT:** Approval of Ordinance 22-08, an ordinance on first reading to amend the Farragut Zoning Map to rezone a portion (.82 Acres) of Parcel 069, Tax Map 151, 13013 Kingston Pike, from General Commercial District (C-1) to Rural Single-Family Residential District (R-1) (JMB FP Investment Company, Applicant)

INTRODUCTION AND BACKGROUND: Fast Pace Urgent Care has completed the construction of their walk-in clinic at 13013 Kingston Pike. The property on which this development is situated is 1.82 acres and fronts on both Kingston Pike and Fleenor Road. Fast Pace does not need the entire tract and is subdividing off the north portion of the lot (roughly .82 acres) to sell it for the possible construction of a single-family home.

DISCUSSION: During discussion with the Planning Commission, it was noted that the Fast Pace property is one of several tracts in this portion of Town zoned General Commercial (C-1) from Kingston Pike to Fleenor Road (see Zoning Map exhibit included in packet). In its current condition, Fleenor Road is not designed to accommodate traffic that could be generated from a commercial or office development. The applicant is requesting to down zone the north portion of their existing tract from C-1 to Rural Single-Family Residential (R-1). Existing development that currently accesses this portion of Fleenor Road is low density residential. The requested rezoning would be compatible with the surrounding built environment.

In terms of the Future Land Use Map, the portion proposed for rezoning is mostly shown as Medium Density Residential (see Future Land Use Map exhibit included in packet). This is the land use designation for the north portion (Fleenor Road frontage) of the lots that front on Kingston Pike and that are currently zoned C-1 to the west of Christ Covenant Presbyterian Church. The Medium Density Residential land use, when originally mapped to this area in the 2012 Update, reflected the north portion of these commercial properties as a transitional space where a medium density residential land use could help buffer the commercial areas from the lower density residential areas to the north.

Staff noted to the Planning Commission that, considering this rezoning request, the areas currently shown as Medium Density Residential may need to be re-visited to determine if a different future land use designation would be more appropriate. The requested R-1 Zoning District, which is compatible with the surrounding built environment, would most closely relate to the Very Low-Density Residential land use designation.

RECOMMENDATION: At their meeting on April 21, 2022, the Planning Commission unanimously recommended approval of Ordinance 22-08 to rezone a portion (.82 Acres) of Parcel 069, Tax Map 151, 13013 Kingston Pike, from General Commercial District (C-1) to Rural Single-Family Residential District (R-1). Community Development Director, Mark Shipley, also recommends approval of Ordinance 22-08.

REPORT TO THE BOARD OF MAYOR AND ALDERMEN

PREPARED BY: Brannon Tupper, PE

SUBJECT: Approval of Traffic Calming on Midhurst Drive and Red Mill Lane in the Kingsgate Subdivision

INTRODUCTION: The purpose of this item is approval of the proposed Traffic Calming on Midhurst Drive and Red Mill Lane in the Kingsgate Subdivision.

BACKGROUND:

Application Submission and Review:

On February 3, 2021, residents of the Kingsgate Subdivision submitted to the Town of Farragut's engineering staff a Traffic Calming Application (TCA) related to speeding and safety concerns near the Midhurst Drive and Red Mill Lane intersection. Staff determined the Speed Zone was eligible based on road classification and field conditions.

TCA Data Collection/Staff Analysis:

In accordance with the Town's Traffic Calming Policy, staff conducted a speed study at several locations within and adjacent to the Speed Zone. Results from the speed studies concluded all areas are eligible for consideration of traffic calming measures. Results are as follows:

<u>Location</u>	<u>85th Percentile Speeds</u>
11813 Midhurst Drive:	42mph eastbound, 40mph westbound
11608 Midhurst Drive:	37mph eastbound, 40mph westbound
11508 Midhurst Drive:	43mph eastbound, 35mph westbound
609 Red Mill Lane:	42mph eastbound, 38mph westbound
629 Red Mill Lane:	42mph eastbound, 42mph westbound

Public Notification:

The Traffic Team held a public meeting on March 16, 2022 to explain the application process and answer questions prior to sending out ballots to the affected residents. There was a mix of supportive and unsupportive residents represented. The decision was to keep the scope localized to the Speed Zone, though some requested it be expanded. One action was taken to conduct a follow-up speed study after completion of the Concord Road and Virtue Road construction projects. The follow-up speed study was conducted in May and no discernable difference was recorded with the proposed locations remaining eligible.

Vote Tabulation/Determination:

The Traffic Calming Policy requires at least 65% of the returned ballots from the Speed Zone and 50% from the Affected Area be in favor of traffic calming devices. A total of One-Hundred and Five (105) ballots were returned with 83% affirming 'yes' from the Speed Zone and 70% from the Affected Area.

Presentation to and Recommendation by Farragut Municipal Planning Commission:

On May 19, 2022 this presentation was presented to the FMPC for a recommendation to the Board. The Commissioners asked a series of questions related to the process and technical aspects of the proposed Traffic Calming. One resident spoke in support of the plan and potential future additional locations including Peterson Road. The FMPC unanimously voted affirmative to recommend approval of the proposed Traffic Calming.

Proposed Traffic Calming:

The Traffic Team recommends installation of asphalt speed cushions at two (2) locations at the approximate addresses of 11508 Midhurst Drive and 609 Red Mill Lane. Please see attached Affected Area and Traffic Calming Location Maps, as well as typical photos and details of the proposed speed cushions.

Plan: Two (2) locations for speed cushions

Schedule: Work to be performed by the Town's On-Call Roadway Maintenance Contractor as their schedule permits

Cost: Estimated \$15,000
